Subject: Appreciation & Thanks

Dear Bro. Wilson,

Greetings to you in the Name of the Lord Jesus Christ. On behalf of the Church, I would like to take this opportunity to express our gratitude and appreciation to LWB for the package that you sent to us recently. Most of the material has already found homes; and are spread amongst the believers for reading and distributing to the next person when finished (like the Biography of Brother Branham).

One Brother testified in the service on Sunday evening about his Bible that he received. After he visited a Christian book shop and was praying to God and said; "Lord I would like to buy this KJV Bible for me one day". When I saw him two nights later I said to him I have a gift for him. It was one of these Bibles sent us and he told me the testimony. Here he was standing with the very Bible he held in his hand at the shop. Praise be to God!!

Brother Wilson, we really appreciate this care that you have and the efforts that goes with all the hard work you are doing. My prayer is that God richly bless you all and those who support the LWB to be a great success in what they try to achieve.

Thank you once again and may God richly bless you all and everything that belong to you. Brother Ivan

## Until you get back to the real Gospel again,

get back to God's Word, get back to THUS SAITH THE LORD, we'll never prosper till we do that. God will not hear, until we fully obey God." [Expectation, Long Beach CA 61-0207]

"Believe it; accept it. Full obedience to the whole Word of God will entitle you to the Token. Full obedience, not to part of It, as far as your denomination goes, but all of It. Full obedience to the Word, which is Christ, brings you into Christ." [The Token, JEFF, IN, 63-0901M]

"Full, complete obedience puts you and the Word one. You believe It every bit, and all of It's in you, and you watch It working through you. You don't go about with a bunch of carrying on. See? You're a Christian. No matter what anybody says, they'll never touch you; you're in Christ. You're safe as you can be. When death knocks at the door, it has no hold (See?), not at all. Why? It's just stepping out of here into there [The Token, JEFF, IN, 63-0901M]

"Full obedience to the whole Word of God entitles you to the Token, and nothing else. "Blessed is he that does all of His Commandments, he might have right to the Tree of Life." Then when we pray, we must have the Token to present with our prayers. Now, don't fail to get that. When you pray, you must have the Token to hold over your prayer; if you're not, you pray until the Token comes, 'cause you're not promised to receive it. [The Token, Dallas, TX, 64-0308]

**God will not hear, until we fully obey His Word** is our subject for August 2004.

Your continued support, especially your prayers for His daily leadership, is our prayer.

God Bless - Robert Wilson

## Featured Questions and Answers

### QUESTION:

**Can a Christian take medicine to ease one's pain and suffering? We know that all healing comes from God through faith, medicine does not heal. Shouldn't we just rely on God for His total deliverance and healing power upon our lives? What should our attitude and confession be when we are overcome with sicknesses. Should we just deny it as symptoms of our sicknesses because God has already healed us 2000 years ago? We are already healed aren't we? Will taking medicine rob God of His glory? God does not share His glory with anyone.**

### ANSWER:

"So dear Christian people if you've got a human heart, let's look at the thing right. Now, taking medicine or anything hinders your faith, keep away from it. See? But I will tell you... Now, I know you said, "Well, I know doctors that laugh at Divine healing." I do too, and I know preachers that laugh at it too. That's right. Many of them laugh at it. Frankly, to be honest with you and my Bible, I found more unbelieving preachers in Divine healing than I have doctors. 'Cause many,

many, fine doctors comes to my place to be prayed for. And we set right down in the room, heart to heart, and talk. I never have heard a one yet, but what didn't tell me, "Why, Brother Branham, I believe." And especially a surgeon, said, "I've laid people out," and said, "why they just quit breathing. We'd take them down and after while they start; there they go again, breathe and get well. What did it?" He said, "God." He said, "You're right." Said, "We might move an appendix that's ruptured, but we can't heal the place we cut. God has to do that." A dentist could pull a tooth out, but who's going to heal that socket? **Medicine does not build tissue. Medicine only keeps the thing clean.** A doctor might set a bone in your arm, but he can't produce the calcium and stuff that heals the arm. God has to do that. That's right." [Faith Is The Substance, LA, CA, 51-0508]

"Medicine and doctors do not claim to heal. Mayo Brothers is one of our best authorities. They said, "We do not claim to heal"; said, "**we only claim to assist nature.** There's only one Healer; that's God." They can sew a place up in your hand, but they can't heal it. They can only sew it up. A dentist can pull a tooth, but who's going to heal the place? A doctor can take appendix

Featured Questions And Answers (continued from page 1)

out, but who's going to heal the place he cut? God does. **Medicine doesn't grow tissue; medicine's only a aid.** God is the Healer. A doctor can set your arm; but when he comes and sets your arm, and you don't go out and you're not well... The doctor does his part, what he's taught to do, and knowledge to do. He sets your arm, but he leaves it for God to heal. That's right. All healing is of God. So now, you just believe Him." [The Deep Calleth To The Deep, Washington DC, 54-0624]

"Brother, when you see such motives as that... It seems to me, that I would be justified in saying this: it's selfish motive. **Now, we know the surgeon helps; we know the medicine helps; we know chiropractic, osteopathic, we know all that helps.** And after all, it takes God to do the healing, regardless of what comes or goes. God's the only One that can heal. There never was a drop of medicine that ever healed a man, or a mentally balanced man ever said it did. If he--if he did, I can just show you in a minute how--how foolish it is. See? There's only one Healer; that's God." [The Great Commission, Edmonton, AB, 57-0804A]

"I--I honor and believe in medicine and operations. I believe they're God-sent blessings to us. But sometimes we get to a place to where it's beyond what our medical science can--can handle. Then when it comes to that, I think, instead of giving up and dying, we have a right to come to the Great Physician." [It Is I Be Not Afraid, Long Beach CA, 61-0213]

"Now, you say, "You believe in taking medicine?" I believe in anything that helps the human race is godly. Certainly it is. Exactly it is. Tell me why we have the--what would we do today without these clinics and hospitals and so forth? Certainly. I know there's some shut behind the door when I first started off, but where'd it all go to? See, you've got to look at anything sensible. Anything... If--if medicine, hospitals are not of God, they're antichrist. Burn them down, get them out of the country. Sure. But it's something to help you. Certainly" [Why, Beaumont TX, 61-0125]

"Here not long ago, a certain sister that goes to this church, was at another church, where God was making everything happen. And this sister said to the other sisters, said, "You know, that man that could pray for the sick," said, "must have a--a very victorious life." And said, "He must just be able, his family and everything, be healed at a spoken word, like that." [Brother Branham snaps his fingers--Ed.] And the other lady happened to be from Jeffersonville. (And I'm sure that nobody has to know, but what Jesus said, "Among your own people..." And you--you know, your country. That's right. That's the reason I, it may be that right now coming close, it may be a change of time. You see?) And she said a--she said, "You know what?" Said, "Not one of his kids can have a sniffle 'less he takes it to a doctor." A poor, degraded, deluded thing like that. See? See, a woman that just wanted to throw off... Said, "**When his children gets sick, he takes them to a doctor.**" [Taking Sides With Jesus, JEFF IN, COD, 62-0601 794-259]

"**Anybody that's sensible will do the same thing. See? People can't understand that medicine is sent of God.** Why, brethren, if it's not, it's of the devil. Sure it is. God is where medicine won't reach. Certainly. Medicine is of God, "Well," you say, "I know a lot of doctors that's..." Oh, yes, and I know a lot of preachers that's the same way too. It's not the man that's handling it, it's what it is. I know a many man's handled the Word of God don't believe in Divine healing, don't even believe in God. Right. But they handle it just the same. There's many a man out there with medicine and surgery and stuff that denies God and everything else, but there's a many one that believes

Him too. If it helps people, it's of God. I don't have to--I don't have to take that car and ride home tonight; I can walk if I wanted to, but God made me a car, so I thank God for it. All these things come from God, but use them sensibly; don't go insane with them. See?" [Taking Sides With Jesus, JEFF IN, COD, 62-0601 794-260]

**QUESTION:**  
**Knowing the truth now, what should our attitude and action be towards those in denominational churches - the carnal church? Are we to totally disassociate with them seeing that "eagles gather where the fresh carcass is", "dove does not feed with the crow" and that "eagles do not walk with the chickens"?"**

**ANSWER:**  
"They are miserable." That means that they are objects to be pitied. Pitied? They scorn pity. They are full of pride. They vaunt what they have. But what they have will not stand the test of time. They have built upon quicksand rather than the rock of the revelation of God's Word. Soon cometh the earthquake. Soon there will come the storms of the wrath of God in judgment. Then comes sudden destruction, and in spite of all their carnal preparation they will still be unprepared for what comes upon the earth. They are those who in spite of all their worldly efforts are actually opposing themselves and don't know it. Objects of pity are they indeed. **Pity the poor people who are in this last day ecumenical move, for they call it the move of God, when it is of Satan. Pity those who do not know the curse of organization.** Pity those who have so many beautiful churches, such lovely parsonages, such grandly trained choirs, such a show of wealth and such a sedate and reverent form of worship. Pity them, don't envy them. Back to the old store buildings, back to the dimly-lit rooms, back to the cellars, back to less of the world and more of God. Pity those who make their great claims, and talk about their gifts. Feel for them as objects of pity, for soon they will be objects of wrath. [Laodicean Church Age, Church Age]

"They are poor." Now of course that means Spiritually poor. The sign of this age as it closes, is bigger and better churches, with more and more people, with more and more manifestation of what is supposed to be demonstrations of the Holy Ghost. But the filled altars, the gifts of the Spirit in operation, the remarkable attendance is not the answer from God, for those who come to the altars very seldom stay to go on with God, and after the great campaigns are finished, where are all those who came down the aisles? They heard a man, they listened to an appeal, they came into the net, but they were not fish, and turtle-like they crawled back to their own waters. [Laodicean Church Age, Church Age]

"And he said unto them, Go ye into all the world, and preach the gospel to every creature.
