## **57-0516 - Saskatoon Arena, Saskatoon, SK (Paragraphs: 43 - 67)**

**L-44** Now, if He's the same yesterday, today, and forever, and can be touched by the feeling of our infirmities, if... How would we know that you touched Him? How would you know you touched Him? Now, if you got the same faith that woman had that touched His garment, can't you look to heaven tonight and touch Him? Wouldn't He speak back?

He doesn't have any hands, but ours. He doesn't have any voice on earth, but ours. How many knows that? You mean some of you don't know that? Sure, you do. What'd He say? "I am the Vine, ye are the (what?) branches." The vine doesn't bear fruit. It energizes the branches. The branches bears fruit. How many knows that? Saint John 15. "I am the Vine, ye are the branches." That makes... See? We lay our hands on the sick. He uses our eyes to see visions. He uses our lips to speak. He uses us to pack the Gospel. See? It's given unto His Church. And He's in His Church, manifesting Himself. And the people can see Him as He works in His Church.

Now, as I look down this line of people, are you all strangers to me? Raise up your hand. If-if I don't know you, just raise up your hands all along the line, everywhere? All right. How many out there knows that I don't know you? Raise up your hands. You know that I don't know nothing about you or anything, just raise up your hand, if you will. All right. Now, I don't know a bit more about you than nothing. But there's

one thing sure; Christ knows every one of you. Is that right? He knows every one of you. [\[Hebrews 13:8\]](#), [\[John 15:5\]](#)

**L-45** Then if you'll look this way and pray, and say, "God, I believe Jesus Christ. I believe. Although I might not understand it, but tonight I'm going to set my faith to believe it. And I'm going to say, 'Lord, I'm just going to put this before You. You said, "Prove Me," saith God, "if I'll not open the windows of heaven.'""

Now, you be sincere, and don't just make-believe, but really believe with your heart, and say, "Now, I'm not in the prayer line..." You might be it in a little while. But if you haven't got a prayer card, say, "Lord, let Him turn around, and You use his voice to speak to me, and I'll--I'll believe with all my heart." Would you put that challenge before God and just see what God would do? He will do it, friends, as certain as I'm standing here, 'cause He promised He would. He's the same yesterday, today, and forever. All right. [\[Malachi 3:10\]](#), [\[Hebrews 13:8\]](#)

**L-46** Brother Sothmann, if you will. Now, if the pianist, if you will, sister, just real quietly, "Only Believe." Now, just get ourselves quiet just a little bit. Every one just remain in your seat where you are. Keep real quiet, and believe with all your heart now.

Now, just imagine, coming from the corridors of glory, coming down (where?) to fulfill His Word, "Wherever two or three are gathered in My Name, I'll be in their midst," to fulfill this Scripture, "Jesus Christ, the same yesterday, today, and forever. I'll... ('I,' personal pronoun, as I said), will be in their midst. They'll agree, and ask anything in My Name, I'll do it." Now, isn't that wonderful? [\[Matthew 18:19-20\]](#), [\[Hebrews 13:8\]](#)

**L-47** Now here is a lady standing here before me, which is a total stranger. I never seen the woman in my life; she... I--I don't know her. And I guess she doesn't know me, 'less it just be through magazines or something. But we don't know one

another. If that's right, raise up your hand. We are totally... [The Sister speaks to Brother Branham--Ed.] Pardon me? She was in my meeting, many years ago. Was that in the States or in Canada? In Canada, in Winnipeg. Well, that was about ten years ago then, eleven. Yeah. All right. You was probably very young then. So--so then I don't know the woman, never seen her.

Now, the woman may be a Christian; she may not. She may be sick; she may not. She may be up there just to deceive; she may not. I don't know. No more than He would know how Nathanael said to Philip... or, to Philip. Or, Nathanael said to Christ, rather, "When did You know me, Rabbi?"

Now, this would settle it. Now, this woman, I never saw in my life. And she saw me ten years ago, setting out at the Winnipeg meeting. If anybody was there, knowed what it was; it was packed out the doors and everywhere... With Brother Small, I believe it was, Frank Small, I believe that... Might be here tonight for all I know. The brother, I haven't seen him for years. And here is our time--first time of meeting on earth. But God knows the woman. Now, if the Lord... [\[John 1:48-49\]](#)

**L-48** Here's the perfect scene of Saint John the 4th chapter in your Bible. Read it when you get home. Jesus had need to go up to Samaria. An while He set down by the well, and sent His disciples away, a... I imagine, a beautiful woman also came out to the well. And she was a Samaritan, and she went to draw water. She started away. And Jesus told her, said, "Bring Me a drink." How many knows that? And what did He do then? He caught a conversation with her, to pack, this conversation. And He said, "Bring Me a drink."

She said, "The well's deep, and You have nothing to draw with. It's not customary for you Jews to ask Samaritans such. We have no dealings with one another."

He said, "But if you knew Who you were speaking to, you'd ask Me for water, and I'd give you water you don't come to

a another man, is absolutely sin; and you'd go to hell for doing it. What is it? It's the same act, but it's perverted. See?

"Praise the Lord." [Congregation says, "Praise the Lord."--Ed.]

**L-107** Now, what's God permitting here tonight? The deaf, the dumb, the speech, the sight, the crippled, what's He doing it for? You see, the Pharisee's knew, or they believed because He could discern their thoughts, they said, "He's Beelzebub." But they couldn't understand how He could heal. That's it. For there is no healing outside of God. How many knows that?

Let me say tonight this--this in a moment, before going with the prayer line further. There is no other healing in the world but Divine healing. And I ask any doctor to prove that there's any other healing besides Divine healing.

People hollering, "A gift of Divine healing." There is no other healing but Divine healing. What if you break your arm? What does the doctor do? Heal it? He sets it; God heals it. If there... He can move an obstruction. What if you got a tumor? He can cut it out, but who does the healing? Show me a medicine that will develop cells, and you could pour it in a pan and make a man out of it.

God is the only One can heal. No hospital, no doctor, there never was anything that healed but God. 'Cause God alone is a Creator. And God is the only One Who can create and develop cells and calcium, and knit bones, and heal the body. How many knows that to be true?

**L-108** So don't be against hospitals; don't be against doctors. They're just doing a part, moving obstructions and things like that. But God is the only One can heal, because the devil can't create. How many knows the devil can't create? He can only pervert what is created. Is that right?

What is unrighteousness? It's righteousness perverted. Here. You're a mixed audience, and I'm talking plain to you tonight. But I feel to do this. For instance, you are... You married men, you live with your wife if--if that's your wife. That's all right. That's--that's what God said do. But another woman, or

draw." What was He doing? He was contacting her spirit. He just seen the woman stand there, so He talked to her.

And she said, "The well's deep, and You have nothing to draw with," and on like that. Finally, they got talking about worshipping in the mountain, and one at Jerusalem.

And Jesus told her, after while, when He found where her trouble was. He said, "Go, get your husband and come here." She said, "I don't have any husband."

He said, "That's right; you got five, and the one you've got now is not your husband." How many knows that's the Scripture? Now, watch what that Samaritan said. [\[John 4:7-10, 16-18\]](#)

**L-49** Now, I'm going to tie two Scriptures together now. What did Nathanael say as soon as Jesus told Nathanael where he was, and he was an honest man? What did he say? "Rabbi, Thou art the Son of God. Thou art the King of Israel." How many knows that Saint John says that in the 1st chapter? All right. That's what that Jew thought when he seen that sign done: Jesus seeing him before he come to the meeting.

And then when this Samaritan woman come to Jesus, Jesus said to her, talked to her a little bit and told her where her trouble was, and she said, "Sir, I perceive that Thou art a (what?) prophet. We know, we Samaritans, we know that when the Messiah cometh... (You believe Jesus was the Messiah?), when Messiah cometh, He will do these things. He will tell us all things." But she couldn't understand Who He was.

He said, "I'm He that speaks to you." And upon that, she left the water pot and said, "Come, see a Man that told me the things I done. Isn't this the very Messiah?"

If that was the sign of Messiah in that day, it's the sign of the Messiah today. How many would believe that? Now, here it is. Now, take all your denominational isms out now; just look at the truth in the Word, if He's raised from the dead. [\[John 1:49\]](#), [\[John 4:19, 25-29\]](#)

**L-50** Now, here is a man and woman, both of us standing here, first time meeting. Now, just to talk to you, lady, just a second, 'cause you being the first one here. And now, you say you was at my meeting at Winnipeg. Well, that's mighty fine. That's about ten years ago. The woman is a Christian exactly, because her spirit is welcome. You're a believer (That's right.), long time. And not only that, but you're something to do in a church. You're a preacher's wife. That's exactly right. And you're suffering with... It's in the breast, a tumor in the breast. It's correct. And you're not from this city; neither are you from Winnipeg. I see the west coast, and a big city where there's a big park, around Vancouver. That's where it is. That's exactly right. Now, is that the truth? You believe Jesus heals you now?

Almighty God, in the Name of the Lord Jesus Christ, I bless this woman and ask for her healing in Christ's Name. Amen. God bless you now, sister. Don't doubt. Go on your road and rejoice and be happy. Amen.

**L-51** You believe? Now, the only way I know what was said, it's on the recording there (See?); I pick it up. Whatever was said, was the truth. All right. Now, be real reverent, just as reverent as you can be. And now, watch this a way. Believe with all your heart now. Just look, and believe that He's raised from the dead.

Now, you say, "Could He heal me now?" He has healed you. This is the sign that He has already done it. It's in the past. Now, the Lord knows that, whether it's true, or not. Now, the Bible speaks it to be true.

Now, you look this way, and just start believing, saying, "Lord, I now believe with all my heart." Now, is it...

You're the next man. [The brother says, "I'm the husband of that woman. I can vouch that that was all true."--Ed.] You're the husband of the woman. ["That's right."] And you can vouch that it's the truth. ["Yes, I'm the pastor at the West Coast, at Port Moody."] Yes, sir. ["People can hear me. Just as

discerned the thoughts of the people and they knowed and believed that You... Or they thought, rather, that You were an evil spirit. And they called the Holy Spirit in You an unclean thing. And You said that was blasphemy of the Holy Spirit. But after You was crucified, and the Blood was shed, and now, He's come to do His work under the shed Blood, we know blasphemy of that is unpardonable. And we pray, God, that if any of us has any thoughts evil, that You'll forgive us for it. We don't want to be found in that condition at Your coming, Lord, or when You call us from the earth.

**L-105** But that the people might know that this Spirit, Who can know the secret of the heart, also is the Christ Who heals... And we know that the devil has no power to heal; He cannot heal. For God said, "I'm the Lord who heals all thy diseases." So Satan cannot heal.

Neither could Jambres and Jannes take away the--the--make the healing. They could bring the diseases, because it was of the devil, but they couldn't take it away. And Moses and Aaron was the only one who could heal, could cure by God. They could take the plague away and take the curse away. But the magicians could bring the curse, but not take it away. God's the only Healer.

And now, I pray that You'll grant these things. And I believe You are granting them tonight, that the people might--might know that this is not a telepathy; it's You permitting it to be done for Your glory.

I ask for hearing in this ear, in the Name of Jesus Christ. [\[Psalms 103:3\]](#)

**L-106** Now, with your heads bowed. This ear? This is the one that's deaf. All right. Can you hear me now? Can you hear me now? All right, you may raise your head. Now, watch here. I take my thumb, the wide of my thumb, place it on the lady's ear, press it in. Do you hear me, lady? Say, "Amen." I love the Lord.

It's all right. Your arthritis gone too. You're well. Let's say,

If she'll keep believing... Now, in about twenty-four hours, she'll be seeing better all the time. Then about seventy-two hours, she may go totally blind again. Then after that, if she'll just keep on believing, then it'll start coming back and be normal again. All right, if she'd just believe, don't doubt, but have faith.

**L-103** All right. Your trouble? You believe that God will heal you?

Blessed heavenly Father, I pray that You will heal this woman and make her well. Take away this bladder condition and heal her. You can make the deaf to hear, and the dumb to speak, and the blind to see, the crippled to walk. Why, You're God. You know the discernment of the heart. And "I'm the Lord Who heals all your diseases." And they know that this Spirit now that's a moving here, is not mental telepathy, nor a fortuneteller, they know it's the Christ Who heals. And we pray that You'll heal her, in Jesus' Name. Amen. God bless you, sister. [\[Psalms 103:3\]](#)

**L-104** What you want Jesus to heal you with? Will you... Which ear is it? You believe that He will give you hearing in it? If you'll believe it, He will do it. I'm--I'm trying to stop and line now the miracles, oughtn't to do that. You see? Woman's deaf in her left ear. How long has it been since you heard out of your left ear? Forty years since she's heard out of her left ear. How many believes God can put the hearing back in that ear?

All right. Just bow your heads just a moment. Now, be real reverent if you will, just a moment.

Now, blessed heavenly Father, I only understand now why that You're doing this, but I ask You once more: this woman here's suffering with arthritis; she is deaf in her left ear. For forty years that ear has been deaf. Thou art Christ. I pray that You'll heal her, Lord. And we don't ask for a miracle. But could we find favor, Lord, that the people might know this: when You were here on earth, they seen You as You

you said. And I'm a perfect stranger to you. And you told my wife the truth."] Can you hear that? All right. [\[Matthew 28:7\]](#), [\[Acts 3:15\]](#)

**L-52** Now, my friend, you're here, my brother; and you're for something too. Now, may the Lord Jesus help me to understand. Now, if it's healing you need, I'd be glad to do it if I could, but I'm not the healer. Christ is the Healer Who has already done it. And if it's for financial troubles, He has the cattle on a thousand hills. If it's for domestic, whatever it is, He knows and can take care of it. Only, I don't know. Now, you know that. I'm a stranger to you. You--you... I'm a stranger. All right. May the Lord have mercy and help me. Yes, I see the woman standing by your side. That's right. She is your wife. And you are here for me to pray for you, for something wrong with your shoulder. And that was caused by a accident, a motorcycle, that you had a accident. And the shoulder never went back to its place just right till then. It's over now, and you can go on your road, rejoicing, and be well. God bless you. Amen. It's all over. [\[Psalms 50:10\]](#)

**L-53** Do you believe with all your heart? See how simple it is? Just have faith. Now, what is it? I never seen those people. I have nothing to do with their healing. Christ made them well. I believe the man said something about Moody, or Moody church, or something. Moody church, is that right?...?... church. All right. The Lord bless.

Now, all right. [A brother says, "Brother Branham, this woman, this lady can't come up the steps--Ed.] This lady right here, the next one. All right, you don't have to come up here, lady. Do you believe me to be God's servant? You believe Jesus Christ to be the Son of God? If God (and us standing many feet apart) will reveal to me what's your trouble... I couldn't heal you. But your trouble, that's up... God can do that. If He can reveal it, you'll accept your healing, will you do that? All right, you look at me then just a moment. Just believe with all your heart that Jesus Christ is the Son of God,

and I be His prophet, or His servant. Now, if the audience can still hear my voice, I see the woman going. She's very nervous about something. Her nerves are torn to pieces. I see her going into a room, a little room. It's a bathroom. And there she fell upon her chest. And she bruised her chest about a year ago. And she's never went to a doctor to see about it. She's trusted God. And that is the truth. Is that right, lady? All right. Go to your seat and be well then, in the Name of the Lord Jesus Christ. God bless you now. Don't doubt no more, and go on your road and be well. Amen.

**L-54** You believe with all your heart? I ask you out there in the audience. I challenge your faith to look this way and believe. Just believe that Jesus Christ has raised from the dead, and I'm His servant standing here. Not in...?... I'm just His servant, His witness. All right.

Lady, we're strangers to each other. I don't know you.

Now, something happened in the audience. Somebody believed, somewhere. It's a lady setting, looking over another lady's shoulder, right here. She suffers with headaches. A little lady, kind of black-headed, she was looking this a way, praying. She said, "Lord, have him to call me." You been having headaches, tremendous headaches. That's right. Raise up your hand, setting right here. All right. It's over now. You can go on your road, and rejoice, and be made well, in Christ's Name.

The lady setting behind you, kind of raised her hands because she's had arthritis, and she's been wanting to be healed of that. That's right, isn't it, lady? That's right.

See, you couldn't hide your life if you had to. None of you could. Amen. Oh, I'm happy that He's raised from the dead: Jesus Christ, the same yesterday, today, and forever. [\[Matthew 28:7\]](#), [\[Acts 3:15\]](#), [\[Hebrews 13:8\]](#)

**L-55** Now, lady, you're not here for yourself. It's for your son. And he's mentally... That's right, a mental condition. I see him raising, walking. You believe, do you, sister, that God will

platform rejoicing. Watch, she's walking by herself. Let's say, "Praise the Lord." Everybody. [Congregation says, "Praise the Lord."--Ed.] Let's bow our heads now and thank Him.

Heavenly Father, we thank Thee tonight. Thou art--does restore sight to the blind. And now, Lord, we realize that this little woman... May these eyes continually... As that spirit left, and sight begin to creep into her eyes again, it elated her, Lord. It made her happy. It makes us happy. I pray that it'll continue to grow, her sight in her eyes, until she's perfectly normal again. I ask in Jesus' Name, and thank You for what You've done. Amen.

**L-101** Let me explain something to you. See, being blind, the blind spirit turned loose of those--of those sight, that the--the vision. And when the spirit left...

Look here. Watch here. What if a transparent band was around my hand, cutting off the circulation? Now, you don't have to take my fingers off. Now, what does a doctor do? He operates on anything that he can see or feel. That's the only senses he can work with, what he can see, what he can feel.

Now, if it's blind, those nerves went dead in the eye. Now, what happened when the nerves went dead? They didn't go dead all over the body. What in that little boy's ears, awhile ago that was deaf? What about in the vocal chords of the mute that couldn't speak? They say it went dead. They can't see what to operate on. There's nothing there to operate. They say the--the nerve went dead. Well, why didn't it die all over the body? Why did it just die there?

**L-102** Now, what it is, the Bible said that it's a blind spirit. How many knows that? The Bible said, "It's a deaf spirit, a dumb spirit." Is that right? Why, the spirit has cut off the circulation. Now, remove that, 'course it'll be sore a little bit, but circulation starts back. If nature's not hindered, it'll work perfect. The devil hinders nature. And when it does, there it is. Then move the cause; the cure is sure. Is that right?

Now, when the blind spirit went out, she could see; that's all.

As I look at her gentle kind looking old motherly face, God only knows what she's gone through. I looked down at this poor little wrinkled hand. No doubt it's patted little babies on the cheek, and washed clothes for them. No one knows the sorrow that's passed over her brow, but Christ alone. But as a mother and as a woman, I'm asking Christ to do something. O blessed God, Who made heavens and the earth, cursed be the blindness on this woman's eyes. And may she this night be healed, and may that spirit of blindness that's on her eyes begin to move back, and may the sight begin to break into her eyes this very hour.

Blessed Father, Your humble, unprofitable servant prays this prayer of faith to the best of my knowledge for this gentle, sweet-looking little woman standing here. Now, I ask for sight in her eyes in Christ's Name.

Now, keep your head bowed just a moment. I'm not asking that this has to be done for sign, but I'm asking if Christ will just do a little something here to encourage her. A blind person always seems to be so, oh, so tore up or something, just setting in a dark world.

Now, everybody just be silently and in prayer with your heads bowed. Now, do you have your eyes over the lids--the lids over your eyeballs? Now, hold that way just a moment. And now, I want you to look directly at me, in Christ's Name. Can you see me? You can see me? Wonderful. Touch my nose. Well, bless the Lord. Open your eyes, everybody. She can see. The Lord has healed her. Just touch my nose. Amen.

**L-99** Let's say, "Praise the Lord" everybody. See the light right in here? All... Why, she's count them...?... down and show me. Just go along with your fingers and saying, like pointing to them, so they can see... ["The lights?"] Yes, uh-huh. ["There, and there, and there, and there."]

Let's say, "Praise the Lord." [Congregation says, "Praise the Lord."--Ed.] Amen.

**L-100** What happened? God bless you, mother. Go right off the

heal the boy? Let us pray. Blessed heavenly Father, we ask that the devil will leave the boy, and may the boy be healed. O eternal blessed Father, we ask it in the Name of Thy Son, the Lord Jesus Who died these things to be made true. Amen. God bless you, my sister. Go and re-find it just the way that you have believed.

Now, have faith. Don't doubt. Just believe with all your heart. Something taken place just then, but now, be real reverent. Now the... Blessed be the Lord. Let's be... Just every one be reverent, real reverent. Just pray now.

**L-56** How do you do, lady? Is this the next lady in the line? I guess we're strangers to one another. I've never seen you. Oh, His blessed Presence, how that we don't have to guess any more. Heaven is real. Christ is real. He's alive tonight. Now, lady, that won't hurt you. All right. Now, be real reverent. Look and believe. Now, lady, I suppose that this is our first time meeting. We're strangers to each other. I don't know you, never seen you. We were born, perhaps, miles apart and years apart. We just meet the first time. That's right. But God does know you. If God will reveal to me what you're here for, will you believe Him with all your heart? Will the audience do the same thing with all your hearts?

You're here for growths that's on your nose. That's what you want me to pray for. That's right. That growth... Now, that is true. Now, 'course the growth is visible, but that's what the lady wants me to pray for.

**L-57** Now, look. See, it takes the strength from you, so much. How many knows what visions does to you, you know what the Bible said? My, it's... One made the Lord Jesus say that He got weak, virtue went from Him, what do you think a sinner like me would be when it happened? Now, if you just... More I talk to the woman, more would be told.

Let's take the lady for a minute. She is an elderly lady. Let's--let's just ask, just talk to her a little bit, and see just what the Lord would say. Now, whatever it was. What was it? The

growth on your nose. All right. Now, you just look this way and believe with all your heart. [\[Mark 5:30\]](#), [\[Luke 6:19\]](#), [\[Luke 8:46\]](#)

**L-58** Yes, I see it move right back again. Looks like they keep coming. There's more than one. No, it--it comes and then goes away. It falls off and then comes back somewhere else. You got one now on your chest. That's right. That's true. You believe the Lord will heal you of it?

You're not from this country, from this city. You come from somewhere else. You come from the west coming east. You're from Alberta. Edmonton, Alberta. Your name is Pearl L-e-n-n-o-x, Lennox. Miss Pearl Lennox, from Edmonton. That's right. That's exactly true. Your life could not be hid. Now if you'll go, believe with all your heart, you'd get well. You believe it? Then go on your road and rejoice. And I bless thee, my sister, in Christ's Name. Amen.

**L-59** You believe? You believe God can heal heart trouble, make you well? Then just go rejoicing, saying, "Thank You, Lord Jesus, for--for healing me of the heart trouble." All right. All right.

Can't hardly get up at morning, can you? If you'll believe with all your heart, the thing will leave you, go away, and be made well. You believe with all your heart? All right, go, rejoice, and be made well, in Christ's Name. The Bible said, "If thou canst believe!"

Now, be real reverent. Don't move, you see. Just a moment and they--I'll--I'll go, if you'll just set still just a moment. See, everybody is a spirit, and when you move, that interrupts. You say, "Brother Branham, is that psychology?" If it is, Christ used it. He put everybody out of the house to heal Jairus' daughter, and led a man outside the city, out of the crowd. How many knows that to be so? And be real reverent. If you'll set still, just--just a moment or two longer. All right. All right.

When I mentioned heart trouble a few minutes ago, had a funny feeling, you were at the same time. Now, if you go,

with all of her heart that You'll heal her and make her well. I ask that this pressure drop in her blood, and may she be made well, and live a normal life from now on. Grant it, Father, in Christ's Name, I pray. Amen. God bless you...?... Your...?... In your feet. You believe, mother, that God will make you well?

Blessed Saviour, I hold my hand upon the hand of this dear woman. And her legs and feet are giving away. But may tonight she lean over on the everlasting arms. And may the God of heaven, Who sent Christ and died in our stead, that was wounded for our transgressions, and with His stripes we were healed, may it be applied to her case tonight, as I pray this prayer of faith, in Jesus' Name. Amen.

God bless you, sister. Not with any excitement or anything, but I believe that you are going to be well...?... Is that your husband? You... [\[Isaiah 53:5\]](#)

**L-97** What's your trouble? Asthmatic. Makes you breathe and cough. You believe that He will make you well? Your spirit feels that you're a Christian. So you--you believe Him with all your heart and you'll get well.

Dear heavenly Father, as I hold this little Canadian Indian by the hand, I pray that You'll heal her. God Almighty, Who raised up Christ from the dead, grant to her the healing. There's no medicine for this. The doctors can't even find nothing, not even a remedy. But, Lord, we're not coming tonight to a remedy; we are coming to a cure, Christ, the Son of God. Cursed be this asthma on the woman and may she be made well, in Jesus' Name. Amen.

God bless you, sister. Now, go and be made well in Christ's Name. All right.

**L-98** Of course we can see the woman is blind. I just a preaching awhile ago about blind Bartimaeus. Mother, you believe that Christ will heal you? I can only pray; Christ does the healing; we know that. Let's bow our heads just a moment.

**L-94** Let's just raise our hands and give God praise. Heavenly Father, we thank Thee tonight for Jesus the Son of God, Who heals the sick. And we don't ask for miracles, Lord, but You're so good to show us that You're here, through signs and wonders of the living God. And we thank Thee with all of our hearts. And we show our appreciations the best that we know how in giving Thee praise.

Oh, receive us, Lord Jesus, and bless us. And we ask it in Jesus' Name. Amen.

**L-95** All right. Your trouble, my brother? Heart trouble. Are you a Indian? I thought so. I was seeing you setting down there. Well, I could say lots now. But did you know God gave you this country, your people? In my country the Indian got a raw deal: little pension. I picked up some of them from Canada the other day in Maine. I realize you don't get enough money. You have to work, make your living. That's political, the nations, but there's Somebody here now Who loves you, Who will give you the right kind of deal. That's your Saviour, Christ.

Just as certain as I'm standing here, I believe He's going to heal you of this heart trouble.

Blessed Jesus, as I hold this native of Canada by the hand, the real Canadian, the one that You gave the land to... And I pray for him, dear God. And he's our brother. And he's here with one of the most dangerous diseases there is, heart trouble. But he's a Christian, and he believes You. And I ask with all my heart that You will heal him and take away this heart trouble. May it never bother him from this hour on. I curse this enemy of his body, called heart trouble. In Christ's Name, may it leave him, and go into outer darkness, and never bother him again. Amen.

Bless you, my brother. I believe it will be over now.

**L-96** Your trouble, sister? You believe that Christ will heal you? Blessed God, this dear woman standing here, believing

believe with all your heart, you won't have to fool with it no more, and be well. You believe with all your heart, be made well. All right.

Come now, lady. Without an operation, God could take the tumor, make you absolutely well. You believe He will do it? All right, if you'll believe it, the tumor will leave you. Will you raise your hands, say, "I now accept Christ." In Christ's Name, may it be so. Amen. May the Lord grant it.

Would you like to eat again like you used to, get rid of that peptic condition, ulcer in the stomach and things, make your-be well? Would you like to? Yeah? You will? You accept Christ as your Healer? Then go on your road and be well, in Christ's Name. [\[Mark 9:23\]](#), [\[Luke 8:54\]](#), [\[Mark 8:23\]](#)

**L-60** Let's say, "Praise the Lord." Insulin is a good thing for diabetes, but a transfusion from Calvary's better. You believe God will give you that transfusion tonight? All right. Go on your road, and rejoice, and be happy, and bless the Lord.

Let's say, "Praise the Lord," everybody. [Congregation says, "Praise the Lord."--Ed.]

Now, just a moment. There's a lady praying. She's dark-headed, wearing glasses. She's setting right in front of me, right straight where that lady right behind her. If you can believe for that throat condition, Jesus Christ make you well. If you can believe it, God will heal you and make you well. Do you believe it with all your heart? You accept it with all your heart? If you do, raise up your hand like this, and say, "Praise the Lord." Little lady with her... That's right. All right. Go and be made well.

Let's say, "Praise be to God!"

You believe with all your heart, lady? What if I told you you was healed, standing there, would you believe it? Then go on your road, and rejoice, and be made well, in the Name of the Lord Jesus.

Them tired feelings, late of the evening, getting weak, speaks one thing. But what was the first thing Christ heal with TB,

make well; do you believe that Christ will make you well, and heal you? Come here, just a minute.

O eternal God, I bless this woman for her healing. And may she be made well, through Jesus Christ, God's Son. Amen.

God bless you, lady. Have faith now, and go, believing.

**L-61** Would you come, lady? You believe with all your heart? You're a great deep thinker, worrier too, always crossing bridges 'fore you get to it, like that. And thinking that, and studying all the time, and planning things that never happen, it's caused you to have stomach trouble. And that's right. That's what your trouble is, stomach trouble. That's right. Now go, and believe with all your heart, and quit studying and thinking. The price is done paid, and Christ healed you. Go, believe it and get well, and eat your supper; feel good. God bless you. Amen.

You believe with all your heart? What about you, lady. Do you believe? The Bible said, "If thou canst believe..."

The young lady setting back there with a purple hat on, looking this way towards me, way back, you got varicose veins, don't you, lady? And you know, also I see you got pains in your legs, have pains in your legs, second person setting in, right back there. That's right. You have a rectal trouble, which is piles, that cause you trouble. Got teeth, trouble with your teeth also. Stand up, lady, so that the people see who... No, right here she is, right here. All right, lady. Raise your hand again. Bring... The little lady that just raised up. There's where that Light's a hanging. Yes, the lady with her hand up. All right. Go home and be made well, if you believe with all your heart. Amen. [\[Mark 9:23\]](#)

**L-62** Respond quickly, while He... I'm watching a Light. How many ever seen the picture of that Light? They've already got it is Wa... Have you ever seen it? We've got some here. I guess if the boys want to give them out. And it's right out over you right now. If you can just believe...

Now you, lady, are you the last one in the line? All right. You

well, and may it not bother him no more from this night henceforth; in Jesus' Name, I pray. Amen. God bless you, my dear brother, make you well. [\[Mark 16:17-18\]](#)

**L-92** All right, sir. I see you have the palsy. You believe that Christ will heal you? You accept Him as your Healer?

Dear heavenly Father, I pray for this dear man. He's shaking now with a palsy. And we know that only You can do this. And I pray that You'll grant it, and may his faith look right away now into the heavens, and believe You, and may he get well, come back showing us that he's well and normal; in Jesus' Name, I pray. Amen.

Now, believe with all your heart? All right, sir. Go and receive your healing.

**L-93** All right. My. Little crippled boy? All right. Look here, sonny, just a moment. The little boy has cerebral palsy. Now, I want you to bow your head while I pray for this little lad. Blessed heavenly Father, in the Name of the Lord Jesus, I pray for this poor little boy. Without vision, without looking back into his life, I just ask for You to be merciful, and grant, Lord, that this little boy will start to walking by himself and will be made well. Oh, may each hour his people see that he's getting better, and may he get completely well. We ask in Christ's Name. Amen.

Now, I'm going to ask you to bow your heads just a little bit. I'm going to check with the little boy just so... Is his parents here, with his folks or someone who's... His mother's standing down here. All right. Now, I just want to check you. Now, everybody with your head bowed but the mother.

Now, sonny boy, you believe if you'd go... Jesus going to let you get well? I want you to walk with Brother Branham. Just make your foot yourself, step right out like this with your foot. That's it. That's a boy. Amen. Now, audience, you can raise your head. Now, come on, walk with me. There he is. Let's all praise the Lord. Praise the Lord. He will be all right.

walked before this audience to confess his faith. May he be healed; I ask in Jesus' Name. Amen. God bless you, my brother.

**L-90** All right. All right, brother. What you want God to do for you? Cancer. Well, it's a black thing. But Christ is the Healer. Now, look; don't look at cancer; look at what God said. God said, "I'm the Lord Who heals all your diseases."

Now, blessed Lord, we look away tonight from cancer. We look away from any symptoms. We look to You, Lord. Jonah in the belly of the whale said, "Once more will I look to Your holy temple." And now, once more we look to Christ, laying hands upon this sick man and cursing this demon called cancer, and asking for his life to be spared, through Jesus Christ's Name. Amen.

God bless you, brother. I believe that you'll be well. You believe it, too? God bless you. Then you can have what you ask for. [\[Psalms 103:3\]](#), [\[Jonah 2:4\]](#)

**L-91** You believe that Christ will make you well, brother? Now, look. Did you see what He'd do--does here in the meetings? You know that has to come from some supernatural power. It ain't in man to do that. No. You got a murmur in your heart, flutter, that's worse when you're laying down than you are standing up. See? That's right. See, it's right here before me. I see you laying on a bed trying to hold yourself like this, is the reason I was--said that. Now, that's right. See? He's present.

Now, He can tell me what's your trouble, and all... If I look up here a moment, it would just go right on. But the thing of it is, I can't heal because He's already done it. It's to make you believe that He has done it and is here now, wanting to heal you. Oh, isn't it wonderful? "These signs shall follow them that believe; if they lay their hands on the sick, they shall recover." That's what He said.

Blessed Lord, Thou art no respect of persons. I pray that You'll heal this man from the heart trouble and may he get

believe with all your heart? I don't know you, never seen you. Christ knows you. You believe that He will grant... If He will tell me what you're here for, will you believe that it's Him speaking through me? 'Cause you know I don't know you. You'll believe it? Will the audience believe with all their heart? Now, there's a doctor connected into it, something about an operation. You had an operation, and the operation hasn't healed up right. And you been going back to a doctor, and adhesions has set in, some kind of... It's adhesions, growth, and he wants to cut them out. That's the truth. Is that right? All right. You believe with all your heart? Then go, and may God make you well, in Jesus' Name. Amen.

**L-63** You believing? What do you think about it, setting there, the--this man right behind there, an elderly-like man setting there, glasses on? You're suffering with your throat. That's strange, isn't it? Your wife's setting next to you. That's your wife. If I tell you what's wrong with your wife, will you believe me to be God's prophet? Will you accept your healing? Your wife don't understand what's wrong with her. She... Her hands goes numb, gets numb. That's right. It's poor circulation. That's all. That right, lady? Raise up your hand if that's right. They won't be numb any more now. You've believed on the Lord.

How many believes with all your heart, out there, that right now Jesus Christ is in the midst of us?

Now, lay your hands over on each other. Just put your hands on each other while we pray. With your heads bowed, I want to ask you something: Could you doubt any farther?

Yeah, I see a little lady setting back here had female trouble, setting there. She believed when she bowed her head. That's good, sister. It's over now.

Now, if you'd just believe... See, He's perfect. He doesn't fail. Now, the resurrected Lord Jesus, that's the same yesterday, today, and forever, is right here in this building right now. He's right where you are. He loves you. He wants to make

you well. Now, if you'll believe with all your heart, God will hear my prayer from right here; not only hear my prayer, but He will hear your prayer, your prayer. Pray one for the other, and as you got your hands on each other. [\[Hebrews 13:8\]](#)

**L-64** And I know, people, you're like myself. You're a poor people. You don't have very much of this world's goods. But there's one thing you do have; you have the privilege tonight to have Christ by you. And what... I'd rather have that than all of the money the world ever did have or ever would have. To know that I'm standing here now in the Presence of the Lord Jesus, the Redeemer, and His loving grace has reached out to us.

Here He is, standing here tonight, doing the same things that He did when He was here on earth, working through you and through me. Well, if He just worked through me, and didn't through you, it would never work. It's your faith that does that. You people up here with your prayer cards in the line, you out there without prayer cards, you sitting in the audience, why, it's Jesus Christ. It's your faith that's a doing it. I don't know you, never seen you. And your healing is already done. You're already healed. Christ healed you back yonder. The only thing that keeps you from receiving your healing right now, is because of unbelief. Let's pray that God will take it away from you now. I'm not praying for your healing; I'm praying for unbelief to leave you, so that you will receive it. Let us pray.

**L-65** Blessed heavenly Father, Thou looks down upon this meeting. You seen those hands go up awhile ago for salvation. And now, those eight or ten people, that raised their hands, now can rejoice because that Jesus has proven to be alive. And just as He's alive, their salvation is perfect by Him. "He that heareth My Word and believeth on Him that sent Me, has Everlasting Life; and shall never come to the judgment, but's passed from death unto Life. He that eateth My flesh and drinketh My Blood, has Everlasting Life, and I'll

man, he could speak.

And Thou art God. And we pray that You'll, not as we ask signs, no, Lord. We believe Your Word. We seen You stand here. You know the secret of every heart. And right at this minute You could reveal anything to people in here, because Thou art a Revealer of the secrets of hearts of men. Daniel claimed that. And the Bible claims it. And we know that it's true.

**L-88** Thou knowest the secret of the heart. Ten or eleven years ago You let me tell this same audience that that would come to pass, and they are living here today to see it's come to pass. That's enough for us, Lord. We believe.

And now, just that it might be said that the little boy, who is so small he can't have faith, hardly, for himself, let the speech come clear to him now, Lord, that he can speak. I ask in Christ's Name.

Now, with ever head bowed, everyone in prayer. Want to take the little lad... What's his name? Philip.

Philip, one time a man named Philip went and got a man named Nathanael. And he brought him. If Jesus could heal you, maybe you could get some other little boy, if you could talk to him. I want you to say what I say, Philip. Now, I want you to believe now, honey.

Say, I [The boy says, "I."--Ed.] love ["Love."] Jesus. ["Jesus."] Now, say it out loud. I ["I"] love ["love"] Jesus. ["Jesus."] All right. Raise your head. Philip, say, I ["I"] love ["love"] Jesus. ["Jesus."] Praise ["Praise"] God. ["God"] Amen. It's over, brother.

Let's say, "Praise the Lord," everyone, for His goodness and mercy.

**L-89** Your trouble?...?... Your stomach bad. All right. Blessed heavenly Father, we thank Thee that the curse can be moved in a moment. Thou art Christ, the omnipotent, omnipresent God. Take this stomach trouble from this our brother, who stands confessing that he is sick and believes in You. He

Name, I ask it for the glory of God and curse this deaf spirit. Amen.

Now, I believe you're going to be all right now. Walk over there just a minute. I want you to turn around and look back here at me just a minute. Can you hear me now? Can you hear me now? Can you hear me now? You're well. Praise the Lord.

**L-86** It's just that simple. Where's the little girl was prayed for? I want her mother to check her just in a few minutes.

What's your trouble, sir? Oh, you believe that God will heal you and--and He will put this part in your body that would take the place of the capsule? You believe that God would do that? You believe sometime, if we ask God, God will make it so you won't have to take them any more? Wouldn't that be nice? Doctor say, "Why, you're well. You don't need them any more." Wouldn't that be wonderful. He'd be happy about it too, I believe.

Now, heavenly Father, I pray for this dear man. And I ask that Your Spirit do this which is--cannot be done by mankind. Take away this trouble from him, and may from this day on, may he begin to get well, and may he be strong and healthy again. I ask it in Jesus' Name. Amen.

Nothing I can show or nothing, but we'll believe. Will you believe with me? God bless you, brother.

**L-87** All right. Here's a little boy that's just speech. Let's just bow our heads just a moment, will you? Everybody bow your head. He is a little baby boy. You his father? All right. You believe now, with all your heart.

Blessed Saviour, this little chap standing here, and what would it be to be like this? And maybe the little fellow is too little to have any conception of knowing what real faith would be, but just as papa would promise him a--a little suit or something, he'd look forward to getting it. And maybe... We pray that he's looking forward right now for this healing of his speech. And the Bible said when the dumb spirit left the

raise him up at the last days," saith the Lord Jesus.

And here they stand tonight in this audience, the Presence of God here. Even a little handful of people in this arena, but yet You've come from glory to manifest Yourself. You come all the way across a stormy ocean one night to heal one maniac over in Gadara, returned back without a revival in that country. O God, You'll come any time or any place that people will call on You. You went plumb down to the belly of the whale in the bottom of the ocean to deliver Jonah when he turned himself over and begin to pray. You went into the lions' den with Daniel, into the fiery furnace with the Hebrew children. You're in Saskatoon tonight in this meeting, the same Jesus: the fourth Man of the fiery furnace, the Angel Who was with Daniel, the Spirit of God with Jonah in the belly of the whale. You're here tonight. [\[John 5:24\]](#), [\[John 6:54\]](#)

**L-66** You're looking at these hands as they're laying upon each other. They're poor Canadian people, Lord, who's harvested, and worked, and struggled, and many of them stricken and downed by the devil. And I ask tonight that the power of Satan will turn them loose. I resent Satan and his achievement. I resent it, because he's nothing but a bluff. Christ died at Calvary to liberate us from the things of the world and to heal our sicknesses. And we take that stand tonight by His blessed Presence to prove that He's here. And may he let these people go. And from this very hour, may they start mending and getting well, coming back to the meeting, testifying, giving God glory. We ask him to leave, in Jesus Christ's Name. And may God receive the glory. Amen.

**L-67** Now, every person in here under the sound of my voice that believes that Jesus Christ makes you well, raise your hand and say, "Praise the Lord." Amen. All right. Will you stand to your feet then, just for a moment? You know that old song, "Take The Name Of Jesus With You"? How many knows that grand old hymn, "Take The Name Of Jesus With You," raise your hand. Let's sing it through a couple times, a couple

stanzas. All together now.

*Take the Name of Jesus with you;  
Child of sorrow and of woe;  
It will joy and comfort give you,  
Take It, everywhere you go.  
Precious Name, oh how sweet!  
Hope of earth and joy of Heaven;  
Precious Name, O how sweet!  
Hope of earth and joy of Heaven.*

**57-0518 - Saskatoon Arena, Saskatoon, SK  
(Paragraphs: 73 - 108)**

**L-74** [Blank.spot.on.tape--Ed.]... deprive the people. I would just call the people up, and I just take a vision to each one, comb it down, see if there's anything in their life... And you've been in the meetings. How many has been in the meeting and hear people, tell they were sinners and living with somebody else's wife or vice versa, and evil things they'd done and hadn't cleaned their life up? How many has been in meetings and heard that, raise your hand. Why, sure. See? It'll bring it right out.

And in that people's even scared to come to the platform, and things like that. 'Cause It never one time failed. Whether it was Africa, India, ever where it was at, It's perfect every time. One time being discerned, tens of thousands would fall at the feet of Jesus. But here, we've been taught you got to lay hands on the people. And that's what He told me to do: "Pray for the people." Over there, when it's done once, I just make one massive prayer; they just empty up every wheelchair seat and...

Well, at Durban, South Africa, they took seven big cattle trucks full of crutches, and wheelchairs, and things off the ground from one prayer.

**L-75** How many knows F. F. Bosworth, let's see your hand? Nearly all of you. That godly saintly old man, he estimated

little heart. Like real weak eyes? You believe Jesus will let you get well? I want to tell you something, sweetheart. Did you know Brother Branham, a long time ago, wore great big thick glasses, and they had to lead me around? I couldn't see? And one night, Jesus made me well. Now, think of that. Now, you know why He made me well? I got a little girl at home named Sarah. She's just about your size. She was crying the other day when daddy left. She said, "Daddy, you always leaving. Why don't you stay home with me?" But Jesus knew I must come up here and pray for you, that you'd be well. See? And that's what I come for. And you're a sweet little girl, and I believe God's going to make you well.

Now, blessed heavenly Father, as I hold this little child in my arm, and I think of my little Sarah and Rebekah at home... But O God, You said, "He that won't forsake his own and follow after Me is not worthy to be My disciple." Oh, it's such a little thing to do, to think that You did so much for us. And I bless this little child. And O God, may this bad eyes, may they be normal. May the sight come to them good and may she be well. And may, before this meeting is over, may she be showing it that she can see good. Grant it, Father. I curse this thing in the Name of Jesus Christ, this blindness of her eyes. Amen.

Bless you, sweetheart. Believe you're going to be all right. You believe it too, honey? You shall...?... [\[Luke 14:33\]](#)

**L-85** Your trouble, brother? Hearing. Which ear is it? Both. Just hard of hearing? Quite a... You read lips, I suppose then. Yes, yes, yes. But you can hear me speaking now? Well--well, get a ways from, you can't hear me. Will you believe that God will give you your hearing?

Heavenly Father, the man stands hearing. The Bible said when the deaf spirit went out of the man, he could hear. I ask it in Christ's Name, that You'll give him his hearing. He says he can't hear at any distance away. I pray that You'll restore him this night and make him well, through Jesus Christ's

Christ will make you well? You believe it with all your heart? Dear heavenly Father, I look standing here with this man, setting here with this pair of overalls on. I think of my own daddy, would probably be about this age. O God, I pray that You'll help him. Take from him the evil and make him to be well. Grant it, Lord. Forgive him of ever sin and trespass, and may from this night on that he will be made well, in Jesus' Name. Amen.

Now, you got some habits, that smoking and stuff. You stop that now and go on and live for God; you will get well. Amen. God bless you. That's hurting your stomach and everything, doing that, swallowing that. All right.

**L-82** You believe God will heal you of your heart trouble and make you... I already said it. You believe me? All right. You believe that He will do it?

O God, our heavenly Father, I pray that You'll heal the woman and will make her completely well and take from her all this trouble, in Jesus' Name. Amen. God bless you, sister. Go, believing now. The Bible... What did He tell me? What did the Bible say? "The prayer of faith shall save the sick. They shall lay hands on the sick; they shall recover." Amen. That's His Word. [\[Mark 16:17-18\]](#), [\[James 5:15\]](#)

**L-83** What's your trouble, sister? Intestine trouble. All right. You believe that God will make you well?

O blessed God, as this dear woman stands here, first time meeting her in life, but she's come to this platform to believe on You, to stand before this audience to confess her faith in You. She's bothered with this intestine trouble. Thou knowest her, Lord. And I now curse this disease, as Your servant, that Your Presence is here, and ask it to leave her and may from this hour she begin getting well, and it'll all leave her. In Christ's Name I pray. Amen. God bless you, mother. Go, and may the Lord bless you. All right sister.

**L-84** You believe that Jesus make you well, honey? Bless your

twenty-five thousand outstanding healings with one prayer. And a year later, the Durban paper wrote it up. He said they'd brought, I forget how many loads of firearms, and watches, and things, from the Shangai tribe, that had been brought back since the--the meeting. The people absolutely... the hea... Their salvation stayed with them.

Now, I'm in a mixed audience. I'm talking just a moment for a purpose so I can get this crowd to get through here. I'm going to tell you something. Now, listen real close. Now, Methodist friends, Baptist friends, Presbyterian friends, and Pentecostal friends, you're all my friends. You're God's children. I want to tell you something. Setting at Africa, in Africa, there come those women up there, just as nude as the day they were born: young women, just a little clout hanging in front of them. And they had tags on them; they was Christians. What if they had a tract passed to them?

**L-76** And right while they were standing there, and when that man was healed, standing there, and I said, "Now, how many would accept Him?" Fifteen different interpreters it had to go through, then thirty thousand raised and accept Christ at one time. They thought it was maybe a--just for physical healing. Brother Baxter, I believe, your own Canadian boy, a wonderful man of God, he--he said, "Brother Branham, I believe they meant physical healing." Said, "Take it through again." And we said, "Not physical healing, but accepting Christ as Saviour." And when it was said through the again, they even broke their little idols on the ground and everything. And thirty thousand received Christ at one time. You know what?

**L-77** Now, listen. It's a mixed audience and you listen to a doctor. I'm your brother. Those naked women, five minutes before that didn't know they were naked. And as soon as the Holy Spirit struck that bunch, them women folded their arms and walked off the ground. Now, you mean to tell me in your modern churches, you let your women strip themselves off

out here half naked before men, and tell me that is Christianity? It's worse than heathens. Certainly is.

A heathen can realize and accept Christ; they'll cover up their nakedness, and you're trying to expose yourself to be modern. I don't mean to be rude, but, brother, one of these days I've got to stand before the Presence of God and give an account for everything I say. And I'm not going to hold anything back; I'm going to say it. Instead of becoming civilized, we're becoming idiots. That's right. Civilization is broke.

**L-78** How could people... You mean to tell me, you women can walk out here at them little bitty straps around you and call yourself living in a modern civilized world? When heathens is dressed that way and get right with Christ, try to cover themselves up till they get some clothes on them. Looks like you're going back to heathens instead of coming to civilization. Now, you know that's the truth.

And just another little thing. I don't see it in this building, but lot of you women that wears this here paint, and you know, and black stuff over your eyes and everything. You know where that come from? That trait is heathen. That's exactly where it come from. They've had them great big bones in their ears for earrings, and take mud and paint their faces and all over like that. It's a heathen trait. Then we permit it in our churches. "Sure, it's all right."

**L-79** "Oh, it ain't what you do this way; it ain't what you do that way." No, I know it ain't. But you get right with Christ one time, and you'll wash your face. That's exactly right. You'll put on clothes and act like a lady. And you'll throw that cigar out of your mouth if you are a deacon or something in the church, and act like a Christian too. That's exactly right. I know that is awful harsh, friends, but that's the truth. It takes strong medicine to do you good sometime. It's exactly right.

Now, you're standing in the line. I'm not a healer; I'm your

brother. I'm bringing to you a message that Jesus Christ raised from the dead. He's here now. He's present. He's right here at the platform. He's out there where you are. The only thing I can do is a commission to pray and lay hands on you. I'll do that as your brother and your--and a servant of Christ. Will you believe that God will heal you and go off this platform, not looking at any symptoms, but believing that you're going to be well? Will you promise God to do that? Raise your hands if you will. God bless you. You're bound to see something happen in that line. You just got to. I just feel in my heart tonight as the servant of God, that something's fixing to happen.

Dear God, as I stand with this fine looking stout great big man here and the devil trying to break this Christian down... Satan, you are defeated. In Jesus Christ's Name, leave him and may he be well. Amen. I believe just as sure as we're men standing here, shaking each other's hands, you'll be well. Amen. God bless you, brother.

**L-81** All right. What's your trouble, dad? In the kidneys? In the--in your throat? Dad, some of them might say, "Well, you're an old man. That don't make any difference. Abraham was seventy-five before God called him. You believe that
