L-46 How many in here that's suffering, have a heart something that you know that only God would know how to reveal, that you'd just raise your hand and say, "God, let me touch Your garment. Let me touch the border of Jesus Christ's garment." Wherever you are, whoever you are.

As knowing... I can only see two people that I know right now. And that's Brother Pat Tyler and this little fellow here from--that's a friend from Brother Pat's community up there. In the audience, that's all I can see at this time that I know. Unless... I see Sister Waldrop here awhile ago, here somewhere. Sister Hattie Waldrop, I seen her somewhere in the building; yes, right down here. As far as I know, that's all that I know in front of me. You pray.

L-47 Does the Bible say... Now, look. I could stand here and preach; you've heard that all along. But the Bible said that in the last days right at this time, before the coming of the Lord, that there'd be a spirit come on earth veiled in human flesh--man, like it was at Sodom and would be able to discern the thoughts of the mind, like that Angel did there, as it was in the days of Sodom. How many understands that, just raise up your hands, that you--you caught it, you know. See? That's

exactly. Now, Who was that? That was Christ in that man. Now, He was a man; He wasn't a theophany. He--he was--He wasn't a myth. He wasn't a myth. He was a man. He eat flesh, drinking milk, and eat bread.

Now, I'm not that Man. But the Spirit of Jesus Christ is here, and you can be that man, or whoever He's chose to be that one, that He can work through. I'll... "He that'll overcome (overcome himself, overcome his own thoughts, overcome the world, overcome all things), then I'll give him the morning star to reflect the light." What light? The light of the approaching Son.

L-48 Now, if you got a--if you got an infirmity, does the Bible teach... I'm going to ask these ministers that and you all. Does the Bible teach that right now Jesus Christ is our High Priest that can be touched by the feeling of our infirmities? Does the Bible say that? All that believe that, raise your hands. Is that right, ministers? Now, if He's the same High Priest that He was then, only His corporal body sets at the right hand of the Father God, but His Spirit is here working in His church. Do you believe that? And the church, the morning star is reflecting His light. Now, when does that star shine? Just... Not through the night, just at daylight, just before day. That reproach--that approaching sun brings forth that light.

L-49 Now, it's never been since that time until now, because Jesus said it would not be. That's right. But now we're here. Now, let the God of heaven, Who wrote this work, let the Son of God Who died and rose again and His ever living Presence, let that High Priest, that is the Son of God, come to me and speak and use my body, use my lips, 'cause the only lips He has is yours and mine. See, His body's at the right hand of God, will not return. When that returns, it's all over, but His Spirit is here working. He said, "I am the Vine; you're the branches." The--the vine doesn't bear fruit. It only gives life to the branch to bear fruit. Now, it'll bear the same kind of

fruit that's the life is in the vine. And if Jesus is the same, yesterday, today, and forever, it'll produce that life. [[John 15:51](#)]

L-50 Now, if He's the High Priest and you can touch His garment... You'd say, "Oh, I believe I can touch Him." Yeah, yeah, I believe... Now, He didn't act like that when He was here. That woman touched His garment, and He turned around and called her. Is that right? If He's the same High Priest, He will act the same way, if Jesus is the same yesterday, today, and forever. Now, you pray. Let the God of heaven, our precious heavenly Father, give... And if He will do it, how many will be happy over it and love Him? Just raise your hand, say...

See, we got to have something... I--I haven't been... I've just been preaching. A few nights we'll get into this. Let me say this to you, friends, this ministry here will continue on, but there's something that men who know me, know this is truth, that something happened a few weeks ago that's so great, I won't even say it in the audience, but there's--there's men setting here that know it, right here. It's already done. See? That's right. It's true. It's far beyond...

Remember when I come first, telling you and talking what would come? That thing happened, then come told you another, this discernment would come and He said... Now, that's happening. Now, I tell you; this is already come. It's just waiting the hour, just before the breaking of the day yonder. It'll approach forth and then the end will be. May the Lord bless.

Now, pray. Say, "O High Priest of God, oh, let... [Blank.spot.on.tape--Ed.] [[Hebrews 13:8](#)]

L-51 It... Here, you may raise your heads just a moment. I thought it was that lady at the end. It's this--this lady setting here. She's praying for a trouble she has, which is dropsy. That's right. I don't know you. God knows you. But that's what you're praying about. Now, you feel a real strange, sweet feeling around you. Isn't that right? Would you just

Do you believe with all your heart? How many in here...

L-65 Let's stand to our feet. Oh, my. What more could He do? Do you love Him? Raise your hands to Him. I--I will praise Him. I will praise Him. Give Him praise...?... sickness are healed.

*I love Him, I love Him
Because He first loved me
And purchased my salvation
On Calvary's tree.*

I want to tell you, my friend; if that part of the Word of God is right, the rest of It's right. How many believers are in here? How many wants the Holy Ghost in here? Wave your hand. How many wants healing for your body? Raise your hand. All right. I'm going to quote you His Scripture.

L-66 I'm no more than you. I'm littler, smaller than you. Many of you here had the Holy Ghost 'fore I was born.

Listen. Jesus said it with His own lips. Go back to the beginning. "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." They laid hands on each other to receive the Holy Ghost.

Now, turn right around to somebody and put your hands on them. And let's pray together, and believe that God's going to pour out the baptism of the Holy Ghost, He's going to heal all the sick and afflicted, He's going to get glory to Himself. That's it. Turn yourself loose. The devil's defeated. [[Mark 16:17-18](#)]

you right there, would you take my word for it? Go on your road, and be made well. Jesus Christ healed you.

Stomach... Go eat. Jesus makes well. Have faith. Hallelujah.

You believe your back trouble and everything is going to leave you now, and you're going to go home and be well? Go on, rejoicing, saying, "Thank You, Jesus."

You love Him with all your heart? If you love Him...

What if I told you you got healed, coming up the steps, would you believe it? Just go on your road and rejoice, then, saying, "Thank You."

Study too much. That's what's made that peptic ulcer condition in your stomach. Now, go eat your supper. Jesus Christ makes you well. All right.

L-63 You're nervous, caused you have fluttering in your heart. Go, be well now. Go, believe the Lord Jesus.

Well, now, if you'd believe with all your heart, that back trouble will leave you. You won't get up like that the next time. You'll be all right. Go, believe with all your heart. Have faith.

Nervous, lady's trouble and heart trouble. Do you believe that God can make you well? Go on your road, and say, "Thank You." All right.

You believe? What if I told you you were healed, standing there, would you believe it? Go, and believe it. Be well.

You believe with all your heart?

L-64 What about you, lady? If I told you that you was going to get well, would you believe it if told you? You want me to tell you what's wrong with you? Would it--would it help you if I told you what was wrong with you? All right. You got hay fever. You got a tumor; supposed to be operated on, for it. You're not from this country. You're from this... You're from this state, but you're from Flagstaff. You got a boy up there. He's unsaved, and he's sick. That's right. Your name is Mrs. Earl. Go back home and be well, in the Name of Jesus Christ.

stand up to your feet just a minute? Is that true, what I said? It's the truth.

Here, wait just a minute. There's something else about the woman. I see her shadowed. And she was... Death was over her. Yes, you've been in my meetings before. You had at that time, a cancer, and the cancer was in the lungs. And I prayed for you, and the second day, you coughed the cancer out of your mouth and been well ever since. That's THUS SAITH THE LORD. Are those things true? There you are. All right. All right, you may be seated. You have what you asked for. God bless you. You just have faith in God. Now, what could do that but Jesus Christ?

L-52 Here, I see a little woman setting right out here. She's praying. She's a burdened hearted person. I don't know her. I don't know whether she'll get it or not. Yes... Here's her name. Her name's Mrs. Sand. She's praying for a daughter that has mental trouble. Do you believe the Lord Jesus will heal that woman? If that's your name and that's the truth, stand up on your feet, believe with all your heart. All right. I do not know the woman. I've never seen her in my life, as far as I know. But whatever was said, is that the truth, lady? If it is, ra... See? All right. Go home. I pray that God will give you your desire. Just have faith. Don't doubt; believe.

L-53 Here's a man, setting right over here. He's praying. I don't know him, never seen him in my life. But that Light's hanging over him. Something's happened just in the last moment. The man has a burden on his heart. He's got some kind of a vertebrae trouble in his back. He's got lung trouble also. And he--yes, he's praying for a--also a mental case, a daughter. Mr. Langfar, something like that. That is right, sir. Stand on your feet and accept it in the Name of the Lord Jesus. God bless you, sir.

See what happened? From this woman to that man, both of them praying for the same thing, that evil spirit... Now, remember, I don't know you, do I, sir? None... I don't know

none of you all. That's right. But see what the Holy Spirit is here... See how that devil was trying to get that connection and break it up, but the Holy Spirit run it right over there. As soon as you seen what happened to her, you caught the same thing. If that's right, wave your hand. Like that. The... Who is... The man was called... All right, that's it. How... I'm not reading his mind. I don't know him. But that's exactly what is the truth.

L-54 I cannot heal, but you cannot hide your life now. The Holy Spirit's here. It's a gift. If you will believe with all...

Now, here, I see a woman setting right in here praying. Just a minute, the Light of the Holy Spirit, that Pillar of Fire is over the woman. Well, that's a strange thing. She's got a burden on her heart. She's praying for another woman, and that woman has a disobedient son that she's praying for. If you'll believe with all your heart, he will get right.

A little woman setting right back here with her head bowed, she's got eye trouble she's praying for. She was healed once before in one of my meetings; I see her in the prayer line. If you'll believe with all your heart, you can have what you ask for. Amen.

L-55 Back there you with--the lady... You're worried about so... Oh, it's--it's about the prayer--a prayer cloth, a handkerchief that you've got laying up here, or you've brought up here; and you're wanting to leave tomorrow. You have to leave. So you have to take the handkerchief--these handkerchiefs to them people that you prayed for. You believe it'll be healed? If you believe it with all your heart, you can have it. Amen.

L-56 What is it? The Holy Spirit. What about you? You believe me to be God's prophet, His servant, you here, laying on this stretcher? I could not heal you, lady. You're seriously sick, very sick, sicker than you've been told. But if I'll tell you what your trouble is, or where it's at, will it cause you to believe

right, just go on all right, say, "Thank You, Lord Jesus, thank You."

We are strangers to each other. I--I don't know you. God does know you. Do you believe God could reveal to me what your trouble is? Would it make you believe? Now, you see it's making me weak. But I just want to talk to you now.

Something what... In the church somebody was healed then. A great healing taken place somewhere. You might not know it right now, but you'll find it out. You felt it. See? Yeah. You saw light. Well, that's about when it left you and come back. She saw the Light when it left and come back. That's right. It's standing right between us right now. See? You see that? All right.

L-61 Here you are. You are--you are suffering. You've had a... Yes, you've had an operation too. And it's caused something wrong in the tissue. It's in between the--about the kidney and the bladder. And the doctors want to operate again. That's right. You believe you're going to be all right. You believe God knows who you are? Mrs. Gray, you can go home and be well. Jesus Christ makes you well. Have faith in God.

We are strangers to each other, sir, I suppose our first time ever meeting. But God knows both of us. You believe He's the same God, that when Simon Peter came up before Him, He knew him, told him all about it. Do you believe it's the same Jesus?

Now, you're suffering with an ulcer. That is right. Besides that, you got someone you're praying for. It's a child, a daughter of yours. She's got some kind of knots on her chin. You're not from here either. There's something strange about you. I see my friend, Mr. Norman, from... You're from Tucson. That's right. Mr. Jogman, you can go back home, and be made well. Jesus Christ makes you well.

This guy is connected to a friend of mine, was here, Mr. Norman, somewhere in the building, somewhere.

L-62 You believe Jesus Christ? What if I told you He healed

appear in the same country you're from, a sick friend in Canada, who you're praying for. You'll find them well, if you'll believe.

Is Jesus Christ the same yesterday, today, and forever? Praise His holy Name.

L-58 We are strangers to one another. God knows both of us. I do not know you. And perhaps you don't know me no more than by name. But Christ does know you. Do you believe He is able to reveal to me what your trouble is? Would it help you to believe? It won't heal you. But it will help you to believe. All right.

Now, if you know I don't know nothing about you, then if God reveals it, it'd have to come from some spiritual resource right here on this platform.

Think of it, church. Surely you won't turn the alarm off. No. I trust that the little buzzer will just buzz in your heart, the Holy Spirit now, and say, "Be not afraid, it's I." See? See?

L-59 You had an operation: a goiter. It wasn't too successful. The goiter operation was all right, but you had a bad aftereffect. That's right. And the operation caused you to have some kind of a--a aftereffect that settled to your stomach. You got stomach trouble.

And you've got something wrong with your arm. That is right. That's true. That you might know that I be His prophet, His servant... No more to be His prophet than it is His preacher or His teacher. I'm not ashamed of Him.

You believe you husband's going to get well too? You believe God can tell me what's his trouble out there? He's got an allergy. That's right. Go, and take that little thing you got in your hand, and put it in his pocket, and the allergy won't bother him no more if you'll just believe. Return, and be made well, for Jesus Christ makes you well.

L-60 Well, what if I told you that the heart trouble left you setting there, if you'll just believe it. Do you believe it? All

God and accept Him as your Healer? That's the only hope you have, is through Christ. It's in your blood. That's right. Seriously too... If I tell you who you are... You believe I'd know who you was by the Holy Spirit? You've got a contact with God. If you can believe it Miss Smith, you can rise up and go home. You believe it? That thing's true, isn't it? Then get up on your feet, take up your bed, and go home, and be made well in the Name of Jesus Christ. He will give you strength. Rise up from there, and take up your bed, and go on home; believe it. Are you believing on the Lord Jesus Christ? Don't be afraid. He will provide the strength if He... God is beginning to act on what they... All right.

L-57 You believe now, all of you? How many of you in here wants to be healed just now? How many believes that the Holy Spirit's here? Is that exactly what He said would be in the evening time? It shall be light. What kind of light? The same High Priest that come in the east is shining in the west, the same God, the same power. "Watchman, what of the night?" Oh, morning stars, every one of you that's believers raise your hand. Now, put your hands on somebody next to you. Let me quote His words to you. Let me tell you what He said. "These signs shall follow them that believe; If..." Who said that? The same One that's here, the same One that's proving Himself. "These signs shall follow them that believe; If they lay hands on the sick, they shall recover." Is there any more wheelchairs, any more cots, stretchers? Where they at? All right. Lay your hands on one another. [\[Mark 16:17-18\]](#)

L-58 Our heavenly Father, we bring this audience to You as morning stars to reflect the faith of Jesus Christ that said, that, "Whatever the Father shows Me, that I do." They're laying hands on each other, believing for their healing. Let them shine just now, Lord, as the Holy Ghost shines forth and has proved Hisself here. He is the Son that's shining on the stars. May they receive the light of the power of the resurrection of the Lord Jesus and be healed just now. I

condemn every sickness in this building, in the Presence of the Holy Ghost. In the Presence of the Angel of God, Who's here now, I condemn every sickness. Oh, you devils, that's trying to hold these morning stars, trying to smoke up their life... They're rising, filling their lamps, and trimming them, setting them afire with new faith. May they burn through every sickness. May the light shine. May they rise and shine and trim their light. Clean out the chimneys that the light of their testimony of the resurrection of Christ might shine through.

Satan, you are defeated. You're exposed. Why they're anyone with any common, ordinary human intelligence would know that man cannot do this. It takes the power of Holy Ghost. And that's His promise; that's His Word. And He's fulfilled it, and you're defeated, Satan, come out, in the Name of the Lord Jesus. Go from these people. May they go and be well. For I ask this to be in the Name of Jesus Christ, the Son of God. [\[John 5:19\]](#)

60-0305 - Madison Square Garden, Phoenix, AZ (Paragraphs: 48 - 80)

L-49 Now, one word from Him will be more than thousands that I could say. Now, that you might know... Now, those people out there, wherever they were, had no prayer cards, you just keep praying, keep praying.

Now, here's people with prayer cards. To show you the prayer card has nothing to do with it, show you that the Spirit of God is here, I'd just like to say a word to this man.

L-50 This man, as far as I know, I don't know him. I know nothing about him. He might've seen me, been in the meetings, and looked at me and so forth, and I might've seen him somewhere. I--I couldn't say that. I don't know. But to look at him in the face, to look at him that way, God knows my hand, I've never saw him before in my life, just to know him, 'less I'd seen him and wouldn't know him.

forever, then He will act the same yesterday, today, and forever.

Now, go back to the beginning. What was the beginning, how He made the people know that He was Jesus Christ, the Messiah? He told the secrets of their heart. By that, they believed. Is that right?

The woman at the well, said, "Come... We know that when the Messiah cometh, He will tell us these things; sign of the Messiah." Said, "But Who are You. Are You a prophet?"

He said, "I am He."

She run into the city, said, "Come, see a Man Who told me about myself. Isn't this the very Messiah?"

And they believed. They had a revival after that when Philip went down there, 'cause they were believers. [\[John 4:25-26\]](#)

L-57 If the Lord will tell me what's your trouble, then you'll believe me to be His servant? That I... Just a gift that He has to... If you... Now, I couldn't do it unless you believe me. That's the reason I'm questioning you. But it will help you, and it'll help the audience. Will it, audience?

Now, looky here. Here's the Bible. Here's the woman. Here's my hand; as far as I know, I never seen her. I don't know her. She does the same. We don't. She don't know me. I don't know her, no more than just name. but she knows... I don't know her name, of course not. But I--I just know she's a woman standing there. She might know that I'm Brother Branham, by being in the meeting.

Now, real reverent... Now, is Jesus the same from the beginning now? Now, the Bible says He is. Is that right? Now, is He, is the next thing. Now, if He is, He will do the same.

Your trouble is in your kidney. No wonder you didn't know me. You're from away, away from here. You're not from Arizona even. You're not from the United States. You're from Canada. Mrs...?... you can go back to Canada, and be made well. Jesus Christ... Another thing, I seen somebody else

Praise Him. Keep your hands in the... If you believe you're healed stand on your feet. I don't care how crippled you are. Stand up. Believe Him. Take Him at His Word. Stand up, everywhere. Believe that Jesus Christ has made you well. Everyone accept your healing, stand up. Now, raise your hands to Him. Say, "Thank you, Jesus. Thank you, Jesus. Praise the Lord God. The great Jehovah God for His goodness."

I turn the service back to the pastor...?...

**60-0306 - Madison Square Garden, Phoenix, AZ
(Paragraphs: 54 - 66)**

L-55 Get them all in a line. All right. Now, the Lord bless. Oh, my, that just sounds so good. Are you ready? Let's just stop for a minute with some of these people.

Are we strangers to one another, lady? We are.

I--I just feel so full of the Holy Spirit tonight. I just feel like bubbling over. It's just--just... Oh, I wish it would stay this way. May it never leave. You're believing. This is a night that anything can happen.

Now, if I could heal you, and wouldn't do it, I'd be an awful person. But I cannot heal you. But if--if Jesus Christ, the Son of God, which has healed you... If you're sick, I don't know. But if He has healed you, and will come here and prove that He's standing here working through my flesh, through your flesh for you to believe that He sent this Message, and He's here to confirm this Message, and will do something here, like He did the woman at the well, would it make you believe Him? Would there be not a shadow of doubt then? If He knows what you have been, He surely know what you will be.

L-56 Now, this woman and I never seen each other, I suppose, in life. This is the first time I ever seen her. And she says that we are strangers one to another; I say the same. That's right, isn't it? We're strangers. All right.

Now, if Jesus Christ remains the same, yesterday, today, and

But now, the man's standing here for some purpose, for some cause, I don't know. But it seemingly that he's in a desperate condition.

L-51 But if the Holy Spirit will tell me just something, just something another, so that the other people down along this line can see that that Spirit that knows everybody in here has me anointed. And the Bible predicted that it would be just that way in this day. Surely, it would make them have faith. Would it make you have faith, if the Lord could tell me what your trouble was, like He did the woman? Would it help you? Would it help the rest of you people in the prayer line? Would it help you? All right.

Would it help you, out there, to believe? I'm just going to take a moment and talk to him.

L-52 Now, sir, we're perfect strangers. Just like Philip that found Nathanael, you come tonight. You come here just a man, walked in here, and somebody give you a prayer card, and here you're standing on the platform. I don't know you and know nothing about you. But the Holy Spirit is here, Who does know you. Now, if God can reveal to me something that would show you, that--tell you the truth. You know whether it's the truth or not. You'll know that much. If It's told you something that has been, you'll know whether that's true or not. Then if He knows what has been, surely, He will know what will be. If you--if you know that's right, then whatever He says will be, it's got to be right. See? That's truth.

Now, if I'd said, "Praise the Lord, hallelujah, you're sick." Sure, you're standing on the platform. You're here for something. You might not be sick. I don't know, but if--if I'd say, "Praise the Lord, are you sick?"

You'd say, "Yes sir."

"Hallelujah, the Lord says you're going to get well."

You'd say, "Praise the Lord." walk away. That could be true. That could absolutely be the truth, but how much greater is it Who can go back down in your life and tell you what you have

been, then come here, and tell you what you have been, and what you will be? See? That's--that's the infallible part. And you're the judge of this, at least five or six hundred people here tonight. And you know that it would--that that-- whether that's the truth or not.

L-53 Now, will every person, in here, believe, you said? May the Lord grant it.

Father God, I can't have no contact with the man. It's up to You, Lord Jesus.

There's so many of you out there praying. Makes it hard for the one on the platform. You have to kindly hold back, or if it'd just be a burst over the plat--out in the audience. Now, he is. He's aware now that something's taking place. That's right, isn't it?

L-54 A man's actually shadowed to death. He doesn't look it, but he is. It's cancer. That cancer is a stomach cancer. It come from an ulcer that's been on for sometime. And it's growed worse, until it's come into a cancer, without hope now. And you have just--you've accepted Christ, but you have one time been a Christian, and backslid, then just back to God recently. That's right. Yes. That is true.

And you've got a burdened heart for somebody. You believe God can reveal to me, who that somebody is? Would it help you? Would it help you to believe? It's your mother. You believe God can tell me about her? Something wrong with her hip, and she's in a hospital. She's a great woman. She was healed in one of my meetings before. **THUS SAITH THE LORD.**

Come, let us pray. Our heavenly Father, laying hands upon the man, with this audience of people, condemning the evil, may he go and be well, in Jesus' Name. Amen. God bless you...?...

L-55 Come, lady. If I don't say one... You know I know what's wrong with you, don't you? But if I don't say one word, it's all

believe with all your heart? It'll leave again, go see and preach the Gospel, in the Name of the Lord Jesus.

L-78 Do you believe with all your heart? Are you going to believe? Would there be a sinner here, that doesn't know God, would like to come up and be prayed for now? A sinner who doesn't know God?

How many in here is sick, and hasn't got to the platform yet, how many... And you believe that Jesus Christ, the Son of God, is here? Oh, sure He's here. Do you want to be healed now? Do you want...

Can you see now? He's walking by himself. When I seen him in the vis... Look at him going along there, a blind man walking along seeing. Let's say, "Praise the Lord." That's fine. His sight coming to him. A diabetic. Blessed be the Name of the Lord. That's it. Now... Amen. He's going along shaking hands with people. How wonderful.

L-79 Now, do you believe that I'm telling you the truth about Jesus? Well, here's His own Words, "These signs shall follow them that believe: If they lay their hands on the sick, they shall recover."

Lay your hands on one another. All the way around the building, everywhere, right now, while His Presence is here. Up in the audience, all around the balconies, and everywhere. This sister here...

Lay your hands on one another. If God can make a blind man see, if God knows the secrets of the heart, how much more does He know your condition being here? Lay your hands on one another. Don't pray for yourself. Pray for the next man you got your hands on. [\[Mark 16:17-18\]](#)

Your trouble is in your throat. That's right. You believe God can tell me what kind of trouble it is? It's a cyst in your throat. Is that right? Do you believe God knows who you are? He does. Mrs. Brown, now you can go home and be well, in the Name of Jesus.

The curse will leave her.

If God will reveal to me what your trouble is, you'll believe me to be His prophet, or His--His servant? You do? You...?... That's fine. I think you're a lovely person. You have trouble with the liver for one thing. And that was caused from a fall that you had. Let's have your hand. I want you to look here. That's my boy. There's nothing wrong. See? Ain't my hand just ordinary like this hand? All right. That's all right, Billy.

Now, I want to put your hand on there. Now, what a difference. See, it swell and them little white things running over it? That's vibrations. Now, watch here, I put this other hand on it. It's not there now. No swelling or nothing. Now, change hands. Why, there it is. Now, you're just as much human in this hand as you are in that hand. But see? All these people here in the audience, remembers that when the mission was given me, fourteen years ago by an Angel, He said, "You have the people to give you their right hand. That's pledging their faith that you're sent." My left hand to them, and my right hand to God.

L-65 Now, lay your hand on here and watch something. Now, there it is. See it swell, puff up, look up my sleeve here. Now, it just feels like I got a hold of something moving. Now, here's what it is. I--I don't know at this time... Now, you just look here. Kidney trouble. That's right. Uh-huh. See? Now--now, that is by... Now, that's that gift. Now, watch. Now, just raise up and kindly pray to the High Priest for somebody, for something or other. Yes, you are praying for somebody. They have ulcers. That's right. See? That's discernment. Believe now. L-67 Heavenly Father, I pray for our sister, as this great, mighty church of the living God here is praying tonight. Hundreds of prayers are going to You, right now, for these people. You can't turn them down, Lord. I pray that You'll heal her, in Jesus' Name. Amen. All right. Are you believing? What was it? Somebody... Is this little girl here to be prayed for? L-69 Look up here sister. Do you believe? You speak Spanish? Uh-huh, uh-huh. Do you believe that the withering away of them muscles and things will be all right, and then you'll be well? You've been seeking God lately, haven't you, for a closer walk?...?... If you believe with all your heart, that curse will leave you. I curse that devil that's done this to this little girl. In the Name of Jesus Christ, Lord you said, "Say to this mountain to be moved and don't doubt. But believe that what you said will come to pass, you can have what you said." I curse the enemy that put this little girl and done her this way. May she start from this very hour, and be made well. You doubting...?... Believe it; she will get well. God bless you. Are you believing? Real reverent. See? All right. Are you the next person? You believe me to be His servant? If I--if I could heal you I would. I cannot heal you, but God can heal you, for He's God. But if--if the Lord will reveal to me what your trouble is, then will you--you'll know then that I don't know you. And if I don't know you, and the Lord will reveal it, that'll show His Presence. Now, it's upon what faith that you have to believe for your healing.

L-70 Something happened in the audience, just a moment. Lost it somewhere. Someone right in this section here, somewhere. I seen... I follow a Light. How many seen the picture of It? Pillar of Fire. They got it here. See? It left here and went out in the audience, right along in there somewhere. See? Now, just a moment. The rea... Now, don't doubt with the little girl. See?
