60-0309 - Madison Square Garden, Phoenix, AZ (Paragraphs: 63 - 76)

L-64 Now, the Bible said, now let's see, "As the days of Sodom," let's hold on that. Usually it's touch His garment. Let's a--let's think this, "Lord tonight for the sick people, let's take it as the days of Sodom, the Angel of God, that was in that flesh gave a sign of Abraham that the time was at hand, if the Sodom, the world was going to be destroyed." How many remembers the story? Sure you do in Genesis.

Now, Jesus, over in the New Testament, said, "Just before the end time, the coming of the Son of man, that same thing would re-occur. As it was at Sodom, so shall it be at the coming of the Son of Man." See? [\[Luke 17:29-30\]](#)

L-65 Now, I want you sick people, out there... Now, I do know there's somebody setting here tonight that I know. That's Brother Williams setting right here. And--and these three fellows setting right here, I know them. These three men from Arkansas, and right in here. These three man. Outside of that, Brother Gene Goad setting here, which him and Brother Leo are my associates. But out in there, as far as I could see, it's hard. Any of these ministers will tell you, that to even recognize anybody out in there (See?) from here. But let's pray, and let's just ask the Lord if He will help us, and let His mercy be upon us.

Now, the prayer cards, we don't have any of them, because they're... We taken them up, and they don't--we don't--and give out... And Friday night is going to be the prayer line again for everyone. We're going to give out a whole group of prayer cards. Anybody that wants them, bring them right across the line like we did the other night. See? Therefore, we get everybody prayed for. But now, you don't need that prayer card. You don't need it. The only thing you need to do is have faith that I've told you the truth.

L-66 God--when He said at Samaria, when this woman received this sign, what they going to do, if they didn't believe it? What's the Jews going to do when Nathanael said, "You're the Son of God, the King of Israel."

He said, "Because I told you where you were at? Or told Peter who he was and so forth, you believe?" See? "Then you'll see greater things than this."

And you people who will believe His message, and His Spirit today, will see a greater thing, 'cause you'll see a resurrection someday, and will see the Lord Jesus. [\[John 1:49-50\]](#)

L-67 Now, I'm going to turn my back to you, while you pray. I going to talk to Brother duPlessis. I just want--that's all right, you're...?... You have a nice meeting up there today.

Looking at Brother McAnally setting back here. A--old friend. There--I'm... And as you as ministers I want you to pray for... Right now. You watch. Somebody in this audience is coming in contact with the Holy Spirit, behind me. Back in here. That you might know... Now, I want every sick person to be praying. Every one of you, sick, praying. Now, I can... I feel, in my own make-up that the Holy Spirit, somebody is touching Him. Yeah, there's plenty of them now.

L-68 There's a woman setting in this direction, right here, over here, that just contacted the Holy Spirit. She's suffering with a heart trouble. She's setting right down there. She's having trouble with taking salt in her food and things. You believe with all you heart, lady? Stand up. That's true isn't it? Now, it's all over now. You can go home, be well. Tell me what she touched? What did she touch? The Holy Spirit. Do you believe now? If thou canst believe.

I'll turn my back again to the audience. You pray. See, see brother, you don't have to be looking at people.

Standing here now, I see a woman; she's praying. She is wearing glasses, and she's praying for her eyes. Yes, 'cause they're getting dim. Here she is setting right here. Right back in here, glasses on. She's been healed once before in my meetings. That's right. That is right. Now, you... That's true what's she was praying about. All right. Now, you can go home, believe with all your heart, and be made well.

L-69 Now, I look in this direction. There's a man setting here praying, but it isn't that man. There's another man standing up here before me... He doesn't. If I can see him, he's got a bronchial trouble in his throat. He's setting way back there in the back, kind of a reddish looking shirt on, a praying. There sir. Now, you believe on the Lord Jesus Christ now? You should. All right, you can go home, and be well now, sir. Your faith makes you well. Have faith in God.

That lady setting right down here, has had the same thing, bronchial trouble and so forth too, setting there. Mrs. Metsine or something like? You want... you believe? That's your name. All right, stand up on your feet. I don't know you, do I? That's right. If that's who you are, there's your trouble. Your faith has made you well. Go home.

L-70 You believe with all your heart? What about somebody back in this way now? You pray. Father, this is You--has to be You, 'cause the Angel of the Lord, He had his back turned to the tent. Let it be known that You're still the same God, that they can touch You, just--You know all things. I'm looking at a man, and he's--looks to me like he's Spanish. And he's got something wrong with his side; he got a poison in his body that he got from a work that he's doing. He's also--he's got a message on his heart or something on his heart. He wants to preach. His sympathy is for the sick and afflicted, especially on hospitals. His name is Mister Lee. If you'll believe with all your heart, Mr. Lee, there you are. Jesus Christ gives you what you ask for. See, See? I do not know you. Is that right, sir? I'm a stranger to you. That's right. Go, receive what you ask for now. Jesus Christ makes you well.

L-71 Around the building, do you believe His Presence is here? You believe the Angel of the Lord? Now, there's the Word, there's the promise; there's a reaction of it; there's a promise fulfilled. Now, how many wants to get saved and filled with the Holy Ghost? Come stand here, just a minute now. If you really interested and want the Holy Ghost, and want to be saved, come up here now, and stand around the altar. God bless you. Come on up. If you want to come, I don't care who you are, just come up here. This is the time to get things right. Then we'll have prayer for the sick, the rest of them just the same, but I felt checked by the Spirit, that's enough. If it was these three, wasn't it... Oh, it was more than three wasn't it? Three's a confirmation. That's the way I like to see people come, with no altar call, you know, no--no singing or nothing, just rise up and say, "I'm a--I'm aware that God is present. I come. I come because I--I'm aware of God's Presence. I want to be right. I--I'm going to be asked for a reason someday, and I'm coming now to confess my faith in God, and believe that I'm going to receive it, right now."

L-72 Don't doubt. Don't have a doubt now, if you doubt one bit that you're not going to receive what you come for, it won't do you one bit of good. See? You've got to come believing. But right now, in the Presence of God, in the Presence of the Holy Ghost, that's here to confirm the Word, come because that you know He's here, and you know that He will give you the desire of your heart. That's what He's here for is to give the desire of your heart. Will you come? That's good. That's fine. That's right. I'm going to wait just a second longer to see what the Holy Spirit would do, whatever He would call. See? It seems to me, friend, if you were here with one speck of doubt...

Now remember, I'm going to look at you, and you're going to look at me one day for the last time. And the next time you see me, and I see you, will be in the Presence of God, then there'll never be another chance. You only get one; that's this. And if you've got one speck of doubt about your experience, or if you're not a Christian at all, or you're doubting your experience, why don't you come now. See? If a

enemy, like I spoke on last night, the too many voices, if the enemy's trying to say, "You're too tired, oh, I won't get it." Tell him he's a liar. Tell him that you're going to get it tonight: "And I'm coming and go to-- I'm going to determine I'm going to get it tonight." That's the way to do it.

L-73 Now, how many full gospel ministers are here, or a Presbyterian, Baptist, whatever you may be, that believes that people can receive the baptism of the Holy Ghost today, as well as they did back there, and the prescription is for them? Raise up your hand, Ministers. I know you're interested in souls. Come stand along here with them now, that you might help lay hands on them. Come right up. Stand right along in there and lay hands on them. That's good.

Now, what did I tell you? Is there no balm in Gilead? Sure. Is there no physician there? Look at the physicians coming. These physicians of the Word, they certainly believe it. Look at them. Isn't that wonderful? Look at the ministers, here in this little crowd of people, of three or four hundred people here tonight, look at the ministers: Twenty, thirty, forty ministers standing here, Ministers who believe it. Now, you--you doctors of the Scriptures, do you write--you prescribe the prescription that was give on the day of Pentecost? Do you prescribe that? Sure, it's a double cure, double cure.

Rock of ages, cleft for me, (Come up here...?...)

Let me hide myself in Thee;

[Brother Branham hums--Ed.]

Be of sin the double cure, [Brother Branham hums--Ed.]

With our heads bowed now, quietly.

ages, cleft for me...

L-74 Oh, in the hour of your death, in the hour of your death, how you long to hear that.

Let the water and the blood,

From Thy flowing wounds supply,

Be for sin a double cure,

Safe from wrath and make me pure.

You're here to die now. The only way you can be borned again is to die first, so that you can be borned again. We're going to offer prayer for you...?...

L-75 Now, our heavenly Father, I bring these people sweetly, and humbly to You in the Name of Your Son, the Lord Jesus, to be sure that my prayer is offered for them. To be sure that I have did all that I know how to do, that they will receive You, being that You have been so good to take these old, frail bodies of ours, and to let the Holy Spirit speak through them, it certainly taking a sanctifying grace of God to do it, because we are sinners, and of no good at all. But the Holy Spirit has taken the Blood of Jesus and cleansed our hearts, and sanctified our lips like You did the prophet at the altar. And now, the Word of God, spoken Word of God, flows forth to vindicate His Presence to this generation before it shall pass into eternity to give an account.

Many have come tonight around this altar to receive the Holy Spirit. Father God, we pray that not one of them will leave here until their filled with the Holy Ghost. May they be filled, every one of them, with the power and the resurrection of Christ. Grant it, Lord. And may the sick and afflicted in here, be healed. Whatever is wrong with the sick and afflicted, may the power of God come and heal each one of them. I offer this prayer to You sincerely, with all my heart. In the Name of Jesus, and for His glory.

L-76 I--I want the ministers to walk up close now, laying hands on them. Now, brothers... Brother David, and you brethren, come right down here along the altar. Now, there's no need of just playing with this; there's not a bit of need of that. You're here to get the Holy Ghost. Are you? Do you want it, really want it? Well now, it's for you. All right, if you've never received Christian baptism, will you promise God to be baptized if you haven't done it? Will you promise God that you'll let Him just use you in any way, no matter what comes or goes, you'll take His Word for it?

Now, how many believers are in the building? If they're going to receive the Holy Ghost, raise up your hand, you believe they're to receive it? Raise up your hand.

60-0310 - Madison Square Garden, Phoenix, AZ (Paragraphs: 77 - 84)

L-78 Do you believe that something is appearing on the platform? Oh, I wish I could explain this. I must turn. I see a woman that has a skin irritation; you touched Him. It'll leave you, 'cause it's all Light around you. "If thou canst believe, all things are possible." Now believe.

So that you'll see it's not psychology reading your mind, I'll turn my back to you. How about up in this section? This was done once in the Angelus Temple, sister. Brother David, you remember. I'm just... So that you'll see, I'm talking to you, that shows that I have no contact with people there. Surely you--you under... I know you understand. See? But I'm asking the grace of God to do something that the people might know.

L-79 Yes, I see a young person, young girl. She's from away from here; she isn't from this country. She's from a country that's rainy and got a lot of trees and moss; she's from Oregon. She's got epileptic fits. She sets out there. Do you believe that Jesus Christ will make you well? Do you accept it for her? Stand up, sister. Go home, and I rebuke the devil. Do you believe with all your heart? All right.

L-80 In the center aisle here, someone have faith. Don't doubt. I'll talk to you, Brother Schultz, so that you can see that I'm talking to you. I'm letting someone there... There's no prayer cards, so it's just--it's just simply not to bring anyone up, but that they might see.

Yes, there's a thin-like woman; she's got cancer. She was due at the hospital today. She's setting in the front here, kind of a thin woman. Her name is Miss Peterson. See? All right, lady, have faith in God. May the God of heaven kill that devil till it won't even be seen by no one else. Do you believe on the Son of God? You believe Him with all your heart? Just have faith in Him; that's all you have to do.

L-81 All right. You all ready to believe over this a-way? Let me talk to this minister here. Do you believe with all your heart? I hope somebody over there does too. That you might know that I'm talking to you. But, see, the power of God overshadows all mental things, goes into the spirit of realm--realm of spirit. Yes, behind me is a--a woman, and she doesn't know what's the matter with her. She is a... Oh, that poor woman, she's had one, two, three, four, five operations. They don't know what it is. The doctors don't know what it is. She's been sent here to Arizona for a rest. She's from Louisiana, her name is Mrs. Pearson. All right, Mrs. Pearson, somewhere behind me, raise up, look at me. Do you believe me to be God's prophet? I don't know you. If that's right, wave your hand. We--we're strangers to one another. What was said is true. Is that right? The doctors don't know what's the matter with you. It's your nerves. Get real quiet, have faith, and you'll go home well. Have faith in God. Do you believe the Son of God raised again?

L-82 Now, what about somebody in this section? You all ready to believe back here? Pat, are you glad you're a Christian? Isn't it wonderful to get out of the life that you was living and be a Christian? Here's a lady. It's a woman, a man, and a child. The lady is contacting God. She's behind me. And she's got some sort of a stomach trouble, and she's--she has a weakness afterwards. She's not from here either; she's from a desert-like country, but she's from Kansas. Her husband is a minister. That's her setting right there. I don't know you. If that's right, lady, wave your hands like this. All right, sir. All right, go home; believe on the Lord Jesus Christ, and get well. You believe on the Lord?

L-83 All around the building now, do you believe on the Lord? Sure, He's here: Jesus Christ, the same yesterday, today, and forever. The same God Who could show Elijah where that widow woman was; the same God can show me where you're at, setting praying, because it's the Spirit of Jesus Christ, the same yesterday, today, and forever. Do you believe it? Then every person in here put your hands on one another while I pray for you generally right here, and believe, so that you'll know that you've got

something in it, each one of you. You are believers, aren't you? If you are, say "Amen." [Congregation says, "Amen!"--Ed.] In the Presence of God, in the infallible proof of the resurrection of Jesus Christ, put your hands on one another and pray for one another.

L-84 Our heavenly Father, I give to You this waiting audience. May all these people who's repented of their sins find a good church home. May those, Lord, who are sick be healed. May the power of Satan be broken, over their lives right now, as I rebuke the devil and ask that the power of Jesus Christ will come upon this audience and take every sickness, every disease, every affliction, every doubt, drive it from them, Lord, and heal them. In the Name of Jesus Christ, the Son of God, I ask it.

60-0311 - Madison Square Garden, Phoenix, AZ (Paragraphs: 56 - 77)

L-57 Here it is. There's a woman setting right here, looking down praying. She raised her head and look at me; she's suffering with headaches. You believe the Lord Jesus will make you well, lady? Setting there--second woman in from the line--in the back of the line there, you believe that He will make you well? You believe those headaches will stop? If you do, raise up your hand. All right, they'll leave you now. You believe with all your heart?

Here, this man setting right here with his head down praying, suffering with oppression. Do you believe that God will heal you and take that oppression away from you? If you do, raise up your hand. All right. You had more faith then you thought you had, haven't you? Now, the devil's been lying to you, and you know that. But he's left you now. Go on and be happy, and sing, and rejoice.

Have faith in God. "If thou canst believe, all things are possible." You believe that? The Bible said so.

[\[Mark 9:23\]](#)

L-58 This man here, setting here believing too. But it--it isn't him. There's somebody else that's a believing. It isn't the man. It's a colored woman. She's suffering with heart trouble; she has oppression also. God will let me know who it is. Her name is Mrs. Hagwood. Where you at, Mrs. Hagwood? Your faith has healed you; go home and be well. Jesus Christ heals you.

He remained the same yesterday, today, and forever? Now, I do not know those people; I've never seen them in my life; they're just people setting there. Now, you believe, all of you, with all your heart; have faith in God. [\[Hebrews 13:8\]](#)

L-59 We're strangers to one another, sir. We're two men that's met. Just like one time, there was a man by the name of Simon came to our Lord. And now, being that you're first here in this line, if Jesus Christ will tell me what your trouble is, will you believe me to be His servant? You will. You know we're strangers, aren't we? So the people will know, let's raise up our hands so that they'll know that we're strangers. I've never seen the man, know nothing about him. Now, he--he--he--he had a prayer card, I suppose, he's in the line. He had a prayer card, the rest of them without prayer cards. See? That you might know the prayer card has nothing to do with it.

Now, be real reverent now if you can, and real quiet. Don't move around. See, each one of you's a spirit; you know that. All right. Now, you can put your hand down and look here. If Jesus is the same yesterday, today, and forever, then He will do the same. Would it help you if I was able by the Holy Spirit to tell you what your trouble is? Would that help you? Not knowing you, I'd have to have some way of knowing this. You believe it would be Christ, just by a gift? It wouldn't heal you, but it would help you have faith to be healed, because your healing's already done. No matter what I say, it still wouldn't heal you. But it would raise your faith, because you know that we don't know one another. [\[1 Peter 2:22\]](#)

L-60 Would it help the rest of you all out there to believe? The man suffers with a blood condition: diabetes. That's right. Now, you believe? Would it help you if God would tell me who you are? You know I don't know who you are. Would it help you? Forrest Claire. Would it help to tell you where you're from? Gilbert, Arizona. Return home now and be made well. That help you? God bless you; go believing.

L-61 Have... You believe God? Now, let's pray. Now remember, all you people in the prayer line out there, pray now. Now, don't--don't get up out of your seats, please. Be seated, just keep real quiet, pray. You don't know what God might do here tonight. Now, the anointing of the Holy Spirit's tremendous here right now, so just... I'm looking for something really to take place now. And now, look here, all you people in the prayer line, this whole church is pledged; they're going to be having faith and praying for you.

Now, just come now as I pray. Now, come sister. Our heavenly Father, with this church I pray the prayer of faith over my sister, in Jesus Christ's Name. Amen. Now, go believing, having faith.

All right, come. All right, you believe now with all your heart? You believe that God will cure the heart, and the baby, too? All right, then you can go and be made well. Believe with all that's in you now.

L-62 All right, bring her along. How do you do, sister? Do you believe Jesus Christ will make you well? Our heavenly Father, I pray for our sister along with this church, that You'll heal her and make her well through Jesus' Name. Amen. What's the Scripture say? "These signs shall follow them that believe." You--you know what it's about. You believe He healed you now? Heart won't bother you no more, and that thing will go off your face, and all those troubles will be--be all right now? Go on your road rejoicing; saying, "Thank You, Lord Jesus." And be made well.

Now, you're an awful young woman to be nervous the way you are, but you believed and you were healed right there. You know? All right, just go on your road, say, "Thank You, Lord Jesus." And believe with all your heart.

L-63 Do you believe with all your heart, sister? Our heavenly Father, I lay hands upon her. My hands represent this whole church; may she be healed, in Jesus' Name. Amen. Have faith, now.

If I don't say one word to you, yet you believe you're going to be healed. See, that discernment would kill me just in a few minutes; I can't go through all of it, you know. Our heavenly Father, I pray that You'll heal the woman, and make her heart to be well, in Jesus' Name. Amen. Lord bless you.

You believe, sister, He will make you well? Our heavenly Father, I pray for our sister, that You'll heal her and make her well, in Jesus' Name. Amen. Now, go rejoicing saying, "Thank You, Lord."

And you know you must believe, sister, or die. In the Name of Jesus, I condemn this devil that's killing my sister. May it leave her, in Jesus' Name. Amen. God bless you, sister.

Come, brother. Father God, in the Name of Jesus Christ, I pray that You'll heal our brother and make him well. Amen. Now, have faith. Don't doubt; believe with all your heart. [\[Luke 10:8-9\]](#), [\[Matthew 21:20-22\]](#)

L-64 Now, you know that I know what's wrong with you, don't you? You--you know that; but if I don't even say nothing, I want to encourage them. See? But your arthritis will be all right. O heavenly Father, I pray that You'll bless her, and heal her, and make her well, through Jesus' Name. Amen. Go, believing now; and you'll never be crippled up.

Our precious Lord, the Bible said, who--who's Writer is present, said that, "These signs shall follow them that believe: If they lay hands on the sick, they shall recover." These people are believers; I'm a believer; this church is believing. We're laying hands upon them in Jesus' Name, for their healing. Amen. Go, believing now. [\[John 14:13\]](#)

L-65 If you can believe... Are you... You see, I say this one thing with all my heart; I wish I would've never introduced them visions to the people, just kept it in my own heart. See? If you ever see it one time, every person thinks that they have to do that or they're not healed. See? Makes it bad... He's still here; He knows all about that. Don't you believe that? Certainly He does. Just...

You believe that, sister? Sure you believe it. All right, being that you believe it, I'm going to tell you that if you'll believe God with all your heart... You know you're--you're the shadows of death. That's right. [The sister asks, "What's the matter with me?"--Ed.] Cancer on the liver. You have cancer on the liver. That's exactly right. Mrs. Randall, you go home and believe with all your heart, and you'll be well. You

believe that with all your heart? All right, go home and say, "Thank You, Lord Jesus."

L-66 Our heavenly Father, I pray that You'll bless this man, and heal him, and make him well for Your glory, in Jesus' Name. Amen. Bless you, sir.

Our heavenly Father, I pray that You'll bless our sister, and make her well, in the Name of Jesus Christ. Amen.

Father God, I pray that You'll bless our sister, and heal her, in the Name of the Lord Jesus Christ. Amen. Now look, sister, you're going to be well. When you go away from here...

L-67 When you... When you people come up here, when you're prayed for, you've met the requirements. Was you here last night when I said, "When requirements is met, hang on." God's there to answer; just keep believing.

Come, sister. Father God, in the Name of Jesus Christ, I pray that You'll heal her. Amen. "These signs shall follow them that..."

Oh, sister, you'd want... You want to dodge that operation? You do? You believe that God will take that tumor out of you? Go, and believe with all your heart.

O Father God, I pray that You'll heal her and make her well, through Jesus Christ's Name. Amen. Have faith; believe with all your heart.

L-68 Now, you've coughed and went on with that asthmatic condition nearly for years and years. You believe He's going to make you well now? Does that help you? All right, that's it. Go and believe, through Jesus Christ. Heavenly Father, I pray that You'll help her and make her well, in Jesus' Name. Grant it Father.

[Sister speaks to Brother Branham--Ed.] Sure will. God grant her request in Jesus' Name.

God bless our sister standing here; I pray that You'll heal her, in Jesus' Name. God bless this one here that's bringing her, in the Name of Jesus Christ. Amen.

The Lord bless this, my brother, and as this church is praying for him, may the power of God be upon him and heal him, in Jesus' Name.

Our heavenly Father, I pray that You'll heal our sister and make her well, in Jesus' Name.

L-69 Have you accepted the healing? Believe that you'll never have it no more, and you'll be all right? You do? Then you can go back up to your home, and believe that you'll get well, in the Name of Jesus Christ. Amen. Go, believing.

Heavenly Father, I pray that You'll bless this man and heal him, in Jesus Christ's Name. Amen.

Come, sister dear. Our heavenly Father, I pray that You'll heal her and make her well. In the Name of Jesus Christ, I pray. Amen. Now, believe it. Just--Just raise up your hand, sister, say, "Thank You, Lord God." Are all you all praying? Everybody believing with all your heart?

L-70 What about you in the wheelchair, you believing? What about you over here, you believing? You're believing, are you, sir? You know, we talked about back there your trouble. Here, here's the man. Come here. See this man? I don't know him; he's a stranger. Is that right, sir? We're strangers. Is that right--let's raise up our hands so the people can see that we're strangers. You believe God can tell me who you are, what you are, what you've done, or something wrong with you? You believe that? Would it help you?

Would it help you, sir, to believe that you can go back and get well, and come out of the hospital? You're feeling better. Now here's what makes you feel better. The very God in heaven that can use me to say the things to this man that the Bible promised would be said. Here we are, both with our hands before each other; before God we've never met before in life as we know of anywhere. Now, look at me just a minute.

All right, you have some kind of a itching all over you; it's bothering you. You've had an operation; that was cancer. It was on your face, come back again. You got your wife with you. You believe God can tell

me what's wrong with your wife setting out there? Would you believe it? Constipation. That's exactly right. You believe God knows who you are? If He will tell me who you are, will you believe Him? David Wood. Go home and be made well, in the Name of Jesus Christ. Did that help you...?...

L-71 Our Heavenly Father, I pray that You'll help and heal her, in the Name of Jesus Christ. Amen.

Our heavenly Father, I pray that You'll help and heal her, in Jesus' Name.

Our heavenly Father, I pray that You'll heal her, in the Name of Jesus Christ. God bless them, and make them well in the Name of Jesus Christ. (Now, don't worry, don't worry. It'll be... I know, it'll be all right, just wait.)

Our heavenly Father, I pray that You'll bless this young man, and heal him and make him well, in the Name of Jesus Christ. Amen.

L-72 Come, my sister. Our heavenly Father, I pray that You'll heal her and make her well through Jesus' Name. Amen.

Come, my brother. In the Name of Jesus Christ, may the great Holy Spirit heal him. Amen.

Come, my brother. In the Name of Jesus Christ, may the Holy Spirit of God heal him and make him well. Do you believe you received it?

You believe Him? "If thou canst believe, all things are possible." Is that right?

You believe Him, young fellow? That tummy ain't going to bother you no more now; you can go home...?... be all right.

L-73 All right, sister. We don't know one another. You're not from Phoenix. No, you're from away from here. You're from another state, and your state to the west of you faces a large stream of water--it's Lake Michigan. And you go and believe now with all your heart, and that roaring in your head, that tummy trouble and things... You believe that God will make it well? You--you believe it'll be all right? You've got a loved one you're praying for. It's a daughter; she's in a mental institution. That's right. Now, I see things. There's no secrets before God. Go, believing and be made well.

L-74 Our heavenly Father, I pray for the woman that You'll heal her, in Jesus' Name.

Come, my brother. In the Name of Jesus Christ, may my brother be healed for God's glory.

Come, sister dear. In the Name of Jesus Christ, may my sister be healed. Amen.

Look at the people praying for you, sister. In the Name of Jesus Christ, may you be healed.

Come, sister. In the Name of Jesus Christ, may you be healed.

Come, my brother. In the Name of Jesus Christ, may you be healed.

L-75 The Bible said, "These signs shall follow them that believe." Our heavenly Father, I pray that You'll heal our brother, in the Name of Jesus Christ. Amen.

Come, sister dear. In the Name of Jesus Christ, may this, my sister, be made well for the glory of God. Amen.

Come, sister; believe Him with all your heart. Heavenly Father, I pray that Your merciful care will be with this woman as I lay hands upon her. May the devil that's bound her all this time, leave her in the Name of Jesus Christ. Go believing. [\[Mark 16:17-18\]](#)

L-76 Oh mercy, a blind man. Bow your heads just a moment. You believe the Lord Jesus will help you and give you your sight? you believe that God can tell me what your trouble is? Blindness, weakness, that--so forth, is that right? Now, let's bow our heads, and ask Him to help you. Our heavenly Father, in the Name of the Lord Jesus, give this man back his sight. May the weakness leave his body, may he be strong, may his sight come to him. We don't ask for miracles, Lord. You said, "A--a weak and adulterous generation seeks after such." But Lord, we know that You perform miracles. And I pray that You'll give sight to his eyes, through Jesus' Name. Amen.

Now, look this way. You can see me now, better than you did? He can see; he has his sight. Put your hands on my nose, and show the people that you can. All right, feel stronger? All right, go off the

platform, you're going to be well, made well. [\[Matthew 12:39\]](#), [\[Matthew 16:4\]](#)

L-77 You believe with all your heart? What about some of the rest of you out there, you believe? You setting in that wheelchair, you believe God? You been looking at me here for a long time; you been thinking in your heart, "That man's right." Is that what you been thinking? Raise your hand if that's true. It is. You believe right now that I know what's wrong with you. You do that? If I will tell you, will you rise up, and go on home and forget about it? Them allergies and things will leave you then. Rise up and go on home. Believe it with all your heart? Stand up and believe God; take your wagon, and take it home with you, in the Name of Jesus Christ.

Do you believe the rest of you? There he goes, from the wheelchair. God bless you, all over. Go home and be well. How many more of you want to believe? Stand up on your feet, raise up and believe it. I don't care, it's you setting there, whoever you are, in the Name of the Lord Jesus Christ, raise up your hands and give God praise. God bless you each one. The Holy Spirit makes you well if you believe it. God be with you.

60-0312 - Madison Square Garden, Phoenix, AZ (Paragraphs: 54 - 61)

L-55 I'll turn my back that you might know that the Word of Jesus... When that Angel come down there in Sodom and went to the... Now remember, can you see it today? The intellectual group doesn't receive it. It isn't even sent to them. Where's it at: The called out group, the elected group.

That's where it was Abraham's group, called out, separated. There was believers, Lot and his group down there. There was unbelievers. And two ministers, Angel ministers went down there with Spirit of God in them and preached to them, called them out, "Get out of it." But they wouldn't listen; just a few come out.

Same way it is now. But the Angel had stayed back to talk to Abraham, the elect. Watch what kind of sign He gave.

Said, "Abraham, where is your wife, Sarah?" How'd He know she had--he had a wife? And How'd He know her name was Sarah?

Said, "She's in the tent behind You."

He said, "I'm going to visit you, Abraham." A man eating calf's flesh, corn bread, drinking milk, said, "According to time of life, and you're going to have that child that I promised you twenty-five years ago."

And Sarah, being nearly a hundred, ninety, and Abraham a hundred, she laughed within herself...?...
[Brother Branham laughs--Ed.]

He said, "Why did Sarah laugh?"

Jesus said, "That will return again. That'll be the Holy Spirit that was in a Man... "That same Holy Spirit will return back in the flesh of My Church at the end time and show the very same sign. As it was in the days of Sodom, so shall it be at the coming of the Son of Man."

Look at the group it come to. Look at the group that received it. What would they have said in Sodom of something like that. See? God knows where to send it. [\[Genesis 18:9-10\]](#), [\[Matthew 24:37\]](#)

L-56 Pray now. May the Lord of heaven help them. Just around the building, you just pray. Open your heart. Be real quiet; set still; be reverent.

I see a woman, real nervous, that's praying. I can't place where she's at. Just a minute till I find her. Yes, she's setting right down here. The lady on this side of her looking at me has heart trouble. She has nervous trouble. If you believe with all your heart, both of you lay your hands on one another there and believe with all your heart. Right there, that's right; uh-huh. All right, God answered prayer. You're both healed now. You can go home and be well.

Isn't He wonderful? Now what did they touch? I don't know those women. If that's right, raise up your hands, ladies, if I don't know you. That's right, all right. But God knows them.

L-57 Now wait. There's someone behind me praying. It's a man. He has kidney trouble. He... and a lot of complications... He's wearing a brace. Mr. Balrich, do you believe with all your heart? I don't know you, do I, sir? You don't know me. Was what was said is truth, if that's right, raise up your hand. All right, you're healed now. Your faith makes you well.

Now you believe? Have faith.

There's a lady setting right out here looking towards me, praying. That Light's over her. The Light that led the children of Israel, the Pillar of Fire that was made manifest in flesh, said, "I come from God and went--go to God."

After His death, burial, and resurrection, Saul of Tarsus, on his road down to Damascus, was stricken down by a light that put his eyes out. For a season he was blind. That same Light was Jesus Christ, which is the Light of the world.

"Saul, Saul, why persecutest thou Me?" [\[Acts 9:4\]](#), [\[Acts 22:7\]](#), [\[Acts 26:14\]](#)

L-58 The woman is not praying for herself, but she's praying for a man. He's got heart trouble and unsaved. He lives in this city, but the woman is from another city, from Tucson. You believe with all your heart that he will be healed? If you do, raise up your hand. I don't know you, do I, lady? Never seen you in my life. That's what you was praying. Is that your prayer? If it is, wave your hand like this.

Does thou believe with all your heart? Have faith in God.

That Indian boy setting out there on the end, God be with you, my brother. I don't know you, but I certainly have a respect for you. You want God to heal two sick children. That is true, isn't it? You believe He will do it? You believe that He will do it? Your mother's setting right down below you there a little ways. Maybe that'll make you understand what I'm talking about. You believe God can tell me what's wrong with your mother? She's got lung trouble. God bless you, real American.

L-59 There was a man setting right here, looked over at that Indian and had a great respect, setting down the line there. Got a child he's praying for. Child's had an operation on some kind of a nerve of the brain, a balance nerve or something. That's right, sir, from California. I believe a Mr. Works, or Weerts. Have faith, the child will be all right.

You believe? You with your hand up, you said you believe, do you? Just as you said that, something struck your heart. You had heart trouble; it's over. You don't live here. You come from north of here. You're from a city called Globe. I don't know you, but that's right.

There's a little fellow setting back that's suffering from asthma, just about gone, arthritis also. His name's Jordan.

L-60 You believe on my Lord? When He knocks at your heart, do you believe He's here? Now, if you believe He's here, why don't you obey me as His servant? Put your hands over on one another if you're believers. See what the Scripture says?

Jesus said, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover."

Now, you pray for the one you got your hands laying on. Don't pray for yourself.

And a little lady setting down here from Chicago that's been bothered so much and got the menopause, and the tubes a bothering you, have faith now. You're going to be well. Don't be scared no more. Go home and rejoice, because you're going to get over it. There's the Light of God hanging over you. It's got to happen. Don't doubt; believe. [\[Mark 16:18\]](#)

L-61 Every one of you, the whole place is filled with the Holy Spirit right now. The Angel of the Lord, the sign that He gives, the knock is coming on your hearts' door [Brother Branham knocks on pulpit--Ed.]. "I'm the Lord, thy God, that heals all thy diseases. These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." Pray in your own way.

Almighty God, Author of Life, Giver of every good gift, I stand as Your servant to claim for these people

Your Gospel, that the devil is bluffing them. Jesus Christ has healed them. Come out, Satan. I rebuke thee in the Name of Jesus Christ. Leave the people that they can go and be made well.

60-0313 - Madison Square Garden, Phoenix, AZ (Paragraphs: 70 - 86)

L-71 Now, you pray, and I want you to be honest. And if God will do and act right here tonight, exactly like He did when He was in flesh here on earth, acting through our flesh, perform the same signs, the same wonders, then I want you to do this: stay a hold of the cross until God places you positionally where He wants you in the body of Christ. God, grant it.

It's behind me. The lady is setting on the end of that row there, you--you're wanting God, aren't you? If God will explain to me your trouble, will you believe me to be His servant? You will? You had heart trouble. That's right. If that's right, wave your hand. Now, I don't know you; have you a prayer card? No, you... 'Course you don't. All right. Now, do you believe my... You believe that's true? You believe that would be the same Spirit that told the woman she had five husbands? You believe it with all your heart, then you've got to be healed. See? I don't know you, never seen you. You touched something, and He's a High Priest that can be touched by the feeling of our infirmities. If the High Priest could be touched by the feeling of our infirmities, wouldn't He act just like He did then if He's the same High Priest?

L-72 That's thrilled that woman setting next to you. It was you that drew the Spirit of the Lord. Do you believe, lady, that God knows what's wrong with you? If I tell you from here what's wrong with you, will you accept your healing? Would it help you? A growth on your ear, your praying about. That's right, isn't it? You have faith? Believe now.

What about out in the audience here? That man setting there, head in his hands a praying, that's got gland trouble and nervousness, if you'll believe, sir, it'll leave you, you can go home, be well. You accept your healing? Believe with all your heart? All right. You was praying then; that's right. Jesus heals you.

L-73 That woman right behind him there, do you believe God could tell me what trouble is? Believe your feet would get well? You do? Been bothering you for some time. You believe God knows who you are? Miss Hershey? That's right. All right, you can go home now and be well if you believe it. Raise your hand, say, "I praise Him for it." All right. Have faith in God; believe.

What about somebody in through here, some of you people, so you... There's a man setting right here praying. I don't know him, never seen him. Got arthritis. That's his wife setting by him; she has arthritis too. Believe you're missing it. Mr. Rinehart, believe with all your heart. Raise up and be healed, you and Mrs. Rinehart; Jesus Christ will make you whole. Amen. Believe now. Amen. M-m-mp... Glory! Oh, God, why can't people see That? Don't think I'm crazy; I'm not. Why...? Looks to me like that would set a place afire somewhere! Can't you see that? It's the living God making Himself real.

L-74 That little Indian woman setting back there, high blood pressure, believe, sister, be healed. You believe? Pink dress on, looking at me... All right. You believe the high blood pressure's gone? All right. Wave your hand if you believe it's gone. All right. God bless you; God loves you.

That thrilled another Indian girl setting back there, to see the other woman. You...?... God take that back trouble away from you, sister, with the little white... back there. You believe He'd take--make your back well? The Indian setting next to her has lung trouble; one next to her has back trouble too. You can't... See, God knows all about you. You believe God will make you well, each one of you, setting back there on that back row? Can you understand English? All right, just believe with all your heart then; be made well.

L-75 Where's that woman somebody pointed out to here? Is this the lady standing here? Look here, lady. Do you believe me to... Is that the woman in the line? Oh, I...?... see her... Can't get up, all right. Look here, if God will reveal what's wrong with that woman standing there, will the rest of you in the line

believe it so we can pray for all the people? You believe Him with all your heart now? How many believe that that's real? How many believe that's just as real as it can be? Bless your heart; that's good. Now, you keep that Spirit right on you like that; keep that anointing. You too, sir.

L-76 Well, you're really not so much praying for yourself. There's a question in your mind that you're praying for which is greater than for yourself. That's right, isn't it? That's true. I don't know you; far as I know, I've never seen you in my life. But God does know you. If God will reveal to me what that deepness is... It seems like your spirit keeps moving back. If God can reveal to me what that is, would you accept, if you get it, whatever you ask for? Would the rest of the people, join in with her?

It's for somebody else she's standing for. That's a woman, much younger than she is... Oh, it's her daughter. The daughter is shadowed for death; she has cancer. The cancer, she's been operated on for it, and the cancer, it was--it was unsuccessful; they couldn't stop it. The cancer is in the blood vessels; there's two of them. And you are kind of a cripple. You... The reason you couldn't come up the steps, you walk on a cane, or a stick, or... There's something you walk on; I see you trying to get off the street. That's right. You have been in my meetings before. You were prayed for once in my meeting and you had something wrong with you that... it was... you... hard to breathe--asthma. And the Lord healed you of it, that's THUS SAITH THE LORD. You believe with all your heart? Or do you really believe?

Now, you know I don't know you. I don't know what I said; it's on that tape down there. God knows; with my hand right on my Bible, as far as I know I never seen the woman in my life. Do you believe God can tell me who you are? Mrs. Schaeffer, you can go home now. Jesus Christ will grant you your request. Say, "Praise the Lord" Don't you believe?

L-77 Now you realize lady, I would know what was wrong with you. But whatever I'd say or whatever, that wouldn't do no--no more good than just what you'd just--just be prayed for and that would do it, wouldn't it? But do you think you're going to be a cripple? You think God is going to heal you, and the arthritis and things is going to leave you, and you're going to be well? You do? That's all you have to know. Just believe with all your heart.

Would you come? Now, you know I know what's wrong with you. I don't; God does; but I could tell you. Do you believe that God could reveal it to me? Would it help you? Are you Spanish? You're Spanish. Would that help the Spanish people, you think, if I tell them what your trouble was? You think it would? Spanish believing people, would it make you believe? This is your sister, my sister too. Would it? Well then, the diabetes will leave you; you can go home and be well. You believe that? All right, then you can go on your road and rejoice.

L-78 How do you do? All right, do you believe that all the white people out there'd believe if God would tell me what your trouble is? Then your nervousness will leave you; pretty near all of them out there's suffering with it anyhow. See? And it'll leave you can go home, be well. God bless you now. Have faith; believe. Do you believe with all your heart?

Oh my, that old asthmatic condition, you believe God's going to make it well? All right, in the Name of the Lord Jesus, go and be made well.

Now, to the Indian, here's your sister. The Indian people... How many Indians are in here can understand English? Raise up your hand, Indians. All right, here's your sister, my sister too. I never met her in my life, know nothing about her. If God will tell me what's wrong with her, you believe It's the same Spirit that told the woman what her trouble was? Will you believe it, Indians? You understand English all right? Your heart will be well; go. Amen. Believe.

L-79 Your trouble's in your back. Go, believe and be healed. Have faith; don't doubt.

You got arthritis for one thing, gland trouble and arthritis. Believe with all your heart; go, be healed.

A nervous condition, go; be healed; have faith. Do you believe with all your heart? All right, let us say, "Praise the Lord."

You're awful bothered about something. You're afraid something's happened, haven't you? You believe

the Lord Jesus can make you well of that rectal trouble? You're praying for someone else. I seen him rise before me just then. It's your brother. Your brother's not here; he's in California. You believe God can tell me what his trouble is? Asthma. Go on and believe now. Yes, sir. Go believing. Yes, don't--don't...?...

Can God heal heart trouble? Yours? All right, then go on, believe. Let's say, "Praise the Lord!" Everybody...?...

L-80 Now, how many of you'll join with me with all your heart now, and pray now while we pray for these people. It's making me so weak; you're becoming like, you're just a shadow dancing around in front of me. Let's pray just a little bit, you pray with me now. Come, sister.

Our heavenly Father, in Jesus' Name, I pray for our sister, that You'll heal her. "These signs shall follow them that believe."

In the Name of Jesus Christ, may our brother be healed, Lord, in Jesus' Name. Father God, I pray that You'll heal our sister. In Jesus' Name may she be healed.

Father God, I pray that You'll heal sister. God, she's been healed so many times; I pray that You'll grant it again, in Jesus' Name. (Okay, sister.)

Heavenly Father, I pray for our sister, that You'll heal her in Jesus Christ's Name.

God, I pray for the little boy, that You'll heal him in the Name of Jesus Christ. Amen.

God, I pray for sister with this great church tonight, laying hands upon her as believers, in Jesus' Name. Lay hands upon her, and ask that the devil depart in Jesus' Name, Amen. You understand what I mean?

In the Name of Jesus Christ, may our sister be healed.

Come sister, you believe Him now? In the Name of Jesus Christ, may my sister be healed. Amen.

In the Name of Jesus Christ, may my brother be healed. Amen.

In the Name of Jesus Christ, may my sister be healed. Amen. All right.

L-81 You're worried? You're afraid of that operation for that tumor, but it'll leave you if you'll believe. You believe it? Then go rejoicing, saying, "Thank you, Lord Jesus."

Do you believe, all of you? See? I just do that for a little rest just a minute. You just... God knows every heart, but Jesus, when one woman touched him, He said virtue went from Him. Is that right? How many knows that's strength? Sure it is.

Would it help you if I told you what your trouble was? Would it help you? All right. You're here for somebody else--your mother. She's almost dead. She's got cancer and heart trouble, so weak she has to take shots. That's true, isn't it? You love her; God loves her. May you find her in the condition that--that you want her to be, is my prayer. God of Heaven heal her in Jesus' Name. Go and touch that handkerchief, be for her. Go, believing now.

L-82 Come, my sister. In the Name of Jesus Christ, may she be healed. Grant it, Lord.

Come, sister, here. In the Name of Jesus Christ, may she be healed. Amen.

Oh, eternal God, I bless this woman and child. May the power of God come upon them and help them, in Jesus' Name I pray. Amen. God bless you, sister; believe now.

In the Name of Jesus Christ, may you bless my brother, Father, as this great church prays for him.

Come, sister. In the name of Jesus Christ, God, may you bless my sister and heal her. Amen.

Come, sister. You believe? In the Name of Jesus Christ, I touch this woman's hand, ask that she be healed.

Come sister. In the Name of Jesus Christ, I pray, God, that You'll touch her and heal her, in... Now, don't be worried about those hands, sister. Don't--don't--don't be worried, just go on believing; it'll be all right.

L-83 You believe God will heal you? [Sister speaks to Brother Branham--Ed.] Glands are bad, they're cancerous. Will you believe God will make them healed and make them well for you? Then, heavenly Father, I pray that You'll heal her and make her well, and so that she'll... can be well again. I rebuke

this devil in the Name of Jesus Christ. Amen. All right.

You believe that God will make you well, make your stomach well, make you to walk and be good again? God, I pray that You'll grant it in Jesus' Name. Amen.

Come, brother. God, our Father, I pray in Jesus' Name, that You'll heal him.

Come, little lady. You believe the Lord Jesus will make you well? Fine. Lord Jesus, I pray that You'll heal this darling, little Indian girl and make her well, in Jesus' Name. Amen...?... healed? You believe on Him.

Heavenly Father, I pray for our sister, and pray that You'll make her well, in Jesus' Name. Amen.

God bless the little boy. I pray, Father God, that You'll heal him and make him well, and so that he can go and play and be like other boys, in Jesus' Name. You know Jesus can make you well?...?... That's right.

L-84 Heavenly Father, I pray for my brother and ask that You heal him, in Jesus' Name. Amen.

Come, brother, dear. Father God, I pray that You'll take the infirmities and crippledness out of my brother, and make him well, in Jesus' Name. Amen.

You believe, little lady? In the Name of Jesus Christ, may the Holy Spirit heal her and make her well. Amen.

You believe now, sister? In the Name of Jesus Christ, may you be healed and well. Amen.

You believe, sister dear? In the Name of Jesus Christ, may my sister be healed. Amen.

In the Name of Jesus Christ, may my sister be healed. Amen. Lord God...

L-85 [Blank.spot.on.tape--Ed.]... are? You believe that He can make you well? Got a bad ear, can't hear good out of it. Had a accident, long time ago, hurt your head, your chest. That's right. You believe that God can make you well, make you hear in your ears again, good? All right, you do. Let's pray; bow your heads just a minute.

In the Name of Jesus Christ, I rebuke this devil. Come out from the man. How long have you been this way? How long? 1944? See you're hearing out of both ears? Hear me? Hear me? Now you can raise your head. Look here. Hear me, hear me? You're healed. I see you got something you've been trying to overcome a long time, a habit. Go, give them up tonight. Believe in it. Cigarettes won't bother you no more. [Blank.spot.on.tape--Ed.]

I love Him, I love Him

Because He first loved me

And purchased my salvation

On Calvary's tree.

L-86 With our heads bowed just a moment, if you will, I wonder now: Is them here that would like to come up around the altar and say, "I believe, God, that I've seen the real Holy Spirit moving among the people." Would you like to do it? While we bow our heads and sing again... Everyone please, if you will bow your head and let's pray and sing. (Brother Borders, lead this for me. I'm getting hoarse.) Come up around the altar here, and stand here for prayer. Will you do it? You who raised up your hand and wants to find the God that knows the secret of your heart. That's the way, ladies, that's the way. Let's bow our heads now, while we sing.

I love Him, I...
