## 60-1125 - Life Tabernacle, Shreveport, LA (Paragraphs: 73 - 84)

L-74 No one moving, real quiet, real reverent now. If anyone wants to come here and take my place, if you don't believe this is truth, come here and try it. You're welcome to the pulpit.

How many in this building here that's sick, and you know that I do not know you, know nothing of you, raise up your hands? There isn't a person that I know of. How many has a desire on their heart for some loved one or something? You know I don't know you. Or in need of anything, just believe it.

Before God, before the Holy Spirit, I'm going to look and see if I know anybody in this building that I actually would know. There's a man setting here that I'm looking at. I don't know his name. He come here with those missionaries. I--I forget your name. I was introduced to him the other day.

L-75 This man here waves at me once in a while, but I don't know him. I don't know who he is. I'm just looking to be sure that I... I know Sister Schrader setting here, course Jackie, Brother Moore's daughter, and there's my daughter-in-law, Loyce. And isn't this the lady here from up at Hot Springs that I talked this morning, Sister Humbard. What say? Hombard. I know her. Outside of that I don't know anyone out there. I'll catch the platform maybe tomorrow night...?...

All right. Let's see. The Bible said, "Prove Me, saith the Lord." Is that right? Now, you be sincere and you pray. Let me turn my back and see if God keeps His Word. If the God that dwelt in that flesh down there of that Man, that Theophany, or whatever it was... The God that dwelt in Jesus Christ Who Jesus... Everybody thought He talked double, but sometimes it was Him talking, sometimes it was a Spirit talking. [[Psalms 26:2](#)]

L-76 Now, remember Jesus was God. We're not God. He had the Spirit without measure. The Fulness of the Godhead bodily dwelt in Him, but we have the Spirit by measure. Well, now if I took a spoonful of water out of the ocean, that would be comparison. You'd never miss it. Well, that's the Holy Spirit that's on me and on you, but remember if I... And Jesus had the whole ocean was in Him, all of it. But if I took a spoonful of water out of the ocean, the same chemicals that's in the entire ocean is in that--that spoonful. Ever chemical in the ocean's in there. It's in the water. It's the same Spirit, but not as much of it; but It'll act the same way, 'cause He promised it.

I'm just asking you to say this. Lord... Be sure you put a Scripture. "It is written in the Scripture that You are now our High Priest that can be touched by the feeling of our infirmity. I have a need. Lord, to confirm Your Word to me, let me be able to touch your garment. I wish..." Now, I--I don't say that He will do it. Remember I don't say He will do it. I'm just taking Him at His Word. [[Colossians 2:9](#)], [[Hebrews 4:15](#)]

L-77 Now, if You'd say, Brother Branham heal me." I--I wished I could. If Jesus was standing here, He couldn't do it. He's already did it. He's just trying to get you to believe it. If He will do this, to you people out there, that's just setting out there, will it shove away every doubt and you'll believe with all your heart? All over the building, will you raise your hands to God, and say, "It would just make me believe it." All right. Pray.

Now, Lord, this is not for a show. This is to confirm Your Word. You keep Your Word. I believe every one. Now, there's men and women out there just in need, like the people was the day that You were on earth. Like the woman that touched Your garment. You are in Glory tonight setting at the right hand of the Majesty, and You are a High Priest, You said, that can be touched by the feeling of our infirmities. We cannot heal. We know we're not healers, but You make Yourself known, that You're still God. Let someone, Lord, have faith enough to touch You at this time. I pray that. That You'll let me, Your

unworthy and unprofitable servant, be able to relax myself and get my ownself out of the way, that You might speak Your mysteries to Your Church to confirm it. [\[Hebrews 4:15\]](#)

**L-78** Father, Moses wasn't worthy of going down to Egypt, but You chose him. Peter, the fisherman, wasn't worthy to be apostle, but You chose him. We are not our own. We are bought. I'm not worthy to be Your servant, but You've chosen. None of us are worthy, but You have chosen.

Let it be tonight, Lord, that the hard part of Your Word will be performed, that the people might know that You are God, and I'm telling them the Truth. Now, the people are looking and they're wondering, and the Bible has plainly said, "If there be one among you, who is a prophet, I will speak to him; what the man says is the truth, comes to pass, then hear him." Father, I'm saying this that they might believe the message that I'm preaching to them. I pray that You'll confirm I spoke of You. Now, speak, Lord, that I've told the Truth. Grant it, Father, as I wait on You for a pull of faith from somewhere in the Name of the Lord Jesus. [\[I Corinthians 14:37\]](#)

**L-79** There's a lady, and I see her before me. She's suffering with arthritis. Here she sets right here, hand up like this. That's true. You were praying that God would turn me around. Now, He has. Your arthritis is gone. I don't know the lady. I've never seen her. Are we strangers to one another, lady? I don't know you. You don't know me. That you might... you believe me to be His prophet, I mean His servant. That word stumbles a lot of... Look on me and believe.

What about that boy? Do you believe God can tell me what's wrong with the boy? If I could heal him, I would do it. I can't but it... Jesus can't, but God is in our flesh now. That boy's got rheumatic fever. If that's right, raise up your hand, or he did have it. He doesn't now. If thou canst believe...

What did she touch with my back turned? She touched the High Priest. Do you believe now? Pray somebody. Believe. Have faith. There's so many of you, so many. [\[Mark 9:23\]](#)

**L-80** Do you think she'll be healed of that cancer? Your aunt. Do you believe that she'll be made well? All right. She's not here, but you were praying for her, an aunt that's got cancer. Believe and she'll be well. Just have faith. Don't doubt. Believe with all your heart. God answers prayer. Do you believe that? Have faith in God.

Somebody through this section, somewhere. No matter where you are, pray. O Jehovah-jireh, Jehovah-rapha, the God of visions, the God of power, the God Who we know in Jesus Christ, let it be so, Father Yes. [\[Genesis 22:14\]](#)

**L-81** Now, let's see if I can find the person. I'm looking at someone back there that seems to be near. Ted Dudley. Is that Ted setting there? Thought it was. Right in here is a Ted. It's right behind you. A lady back there... Yes, see, it's not her sick. She's praying for her son. That's right. It's an elderly lady. He lives in Mississippi, a sinner that you're praying for to be saved. I never seen her in my life. Is those things true, lady? Raise up your hand. Is God still working in human flesh? What about you all back in that part? Do you believe back in there? Pray with all your heart. He Who knows all things...

I pray Thee, Lord, knowing the heart of men, and not that men might be known, as You spoke in tongues this morning, but the message said there's prophet's in the midst. We know that is You, Lord. Who would You speak to back there.

**L-82** Yes, a young man, wearing a shirt that's buttoned up and no tie on. It's a sport shirt. Here. I don't know you, young fellow. I've never seen you in my life. Do you believe me to be His prophet? You're from away from here, from a school. Have faith. You're praying for your little brother. He's a spastic. You're in Texas at this time, but your little brother's from a country that's got mountains in it. It's Idaho. Your name is Mr. Hunt. Believe on the Lord Jesus Christ and receive what you've asked for.

O the Rose of Sharon, the Lily of the valley, the Morning Star, the Alpha, Omega, the First and the Last, the Root and Offspring of David. [\[Revelation 1:8, 11\]](#), [\[Revelation 22:13, 16\]](#), [\[Song of Solomon 2:1\]](#)

**L-83** Man setting there with a double hernia, rupture. Been operated on twice for it. Mr. Finland from

Mississippi. I don't know you, but that's the truth. Do you believe? Have faith.

Miss Farmer, never seen you in my life. Do you believe God heals your throat trouble? You can go to Mississippi too and get well. Miss Boyd, next to her, you're from Shreveport. I don't know you, but you have bursitis, neuritis. Get well. I challenge you to believe on the Lord. I'm not He, but He's here.

Wiping the tears from your eyes, laying here on a bed dying. There was three lepers set at a gate one time, and they said, "Why do we set here? If we set here, we'll starve to death." In the city they were eating one another's children. Say, "Why set we here? Let's go do something about it. If we go to the camp of the enemies, if they kill us, we'll die anyhow. We're going to die anyhow, but maybe they'll save us." And on the basis of going to an enemy's camp, God rewarded them.

**L-84** If God will tell me what your trouble is, lady, you're shadowed; there's a dark shadow over you dying. If He will tell me what your trouble is, will you rise and not go to an enemy's camp to take a chance but come to the house of the living God where you're expected? Will you believe me as His prophet? You have cancer on the spine. You've been in bed for weeks. Rise up. Receive your healing. Go home in the Name of the Lord Jesus. You believe? How many. There she is...?... cancer. Let's give God praise.

*I will praise Him, I will praise Him,  
Praise the Lamb for sinners slain;  
Give Him glory all ye people,  
For His Blood has washed away each stain.*

*I will praise Him, I will praise Him,  
Praise the Lamb for sinners slain;  
Give Him glory all ye people,  
For His Blood has washed away each stain.*

Let's bow our heads.

*I will praise Him, I will praise Him,  
Praise the Lamb for sinners slain;  
Give Him glory... (What we said...?... )*

### **60-1126 - Life Tabernacle, Shreveport, LA (Paragraphs: 75 - 93)**

**L-76** There's many here tonight, Lord, that's walked with You through the years, and still they don't realize that how You've kept them from accidents and the different things that's happened: let them be alive to be here tonight. And while we're shut in like Cleopas and his friend was, do something like You did then. When You did something just like You did it before You were crucified, they knowed that You were the same Jesus. For no one done it that way but You; and they run quickly and told others, "Truly the Lord has risen."

Now, Father, do tonight in this audience like You did in the days when You were here on earth, because it's just exactly with Your promise. Speak, O God, while we humble ourselves and submit our lives into Thy hands. If You'll only do it once, Lord, once more, then the people here will be asked for a reason why they didn't follow the prescription of the Bible, for they see that truly God is working through His Church and through His people. May I humbly ask this, our kind, loving Saviour, in the Name of Jesus Christ, I ask it. Amen. [[Matthew 27:54, 64](#)]

**L-77** All right. You can raise your head. I'm looking right down this a way at a woman, got her head up praying. I do not know her. I've never seen her in my life, but right over her hangs that Light, the Pillar of Fire. And I'm watching It as It's moving. The woman was praying for me to turn and call her, and she's suffering with a rectal trouble. If you believe with all your heart, you may be healed.

Little lady is from... She might know who it is. She's from Fort Smith, Arkansas. Stand up to your feet, little lady, with the little shawl on your back there. Your rectal trouble has left you, hemorrhoids by

name. Now, I solemnly hold my hands. I never seen the woman in my life to know. I... You don't have a prayer card, do you? 'Cause there's no prayer cards. I do not know you. If that's true? We're strangers. Raise up your hands so the people might see. I never... Is what He told you, was it the truth? Wave your hand, if it's the truth.

**L-78** I want to ask the audience something. Who did the woman touch? She raises her hands; she's never saw me, and I've never saw her. And yet the Spirit of God is here to go back to her, the same one. She had faith like the woman that touched the hem of His garment. She never touched me. Look how far she is from me. She touched the High Priest. That proves that He's here.

The lady setting right behind there on the end, the little feathered hat. She's praying too. Do you believe me to be His prophet? You're suffering in a back from an accident, a wreck. That is right. Besides that, you have arthritis. That's correct. Complications... You have a loved one that you're praying for. A son, nervous break. You have a husband you're praying for. He's an alcoholic. That's THUS SAITH THE LORD GOD.

Do you accept Jesus Christ now? If those things are true, raise up your hand so the people will see? If I do not know you and you don't know me, wave your hands. I have no way... Do you believe with all your heart now? Then go receive what you've asked for. Here she is. If thou canst believe, all things are possible to him that believes. If you believe, you have to believe first. [\[Mark 9:23\]](#)

**L-79** See? Now see, I... Only way I'll ever know what I've said to the woman is on the tape. That wasn't me talking. That was Him, but there's something still hanging with the woman. She's wondering. Oh, it's a--it's a her--that... A boy, nervously. No. Here it is. It's an evil spirit that caused the boy to have a breakdown, and it's on this fellow over here. He's just had a breakdown too. He's from Georgia. He's a minister: Rev. Farrell, your breakdown is over, sir. Your nervousness is gone. Jesus Christ makes you well.

Now, to this--to this man, I never seen him in my life. We're totally strangers to one another. Ask him. Was those things true, sir? Wave your hand if that's true. Ever what He told you was the truth? I do not know you. No, sir. Now, who's here that knows him? Christ, is that right? Say, the man setting by you there, also that you might believe and know that I am His servant, not me. You're praying for your wife also from Georgia. Have a good courage, it'll be all right. If thou believe, if you can believe. Do you believe? If thou canst believe, all things are possible. [\[Mark 9:23\]](#)

**L-80** Little lady setting here praying with a--a spinal condition in the neck right over here. You're from Baton Rouge, Miss Horn. Stand up. Receive your healing. I don't know the woman, never seen her in my life. We're total strangers. If we're strangers, wave your hand, sister, so that they'll know. You have faith and believe.

There's that Angel standing right back here. See that Light? Can't you see that? It's a woman's got a spiritual problem. Mrs. Haynes, her name. Mrs. Haynes, you believe with all your heart. He will be all right. You accept it now? I don't know you. I've never seen you.

A lady setting by you there praying also. She has a bowel trouble. Do you believe God can tell me who you are, lady? Miss Jackson, you believe with all your heart. I challenge your faith.

Here if you people up in the audience back yonder in the back. Can you hear me, you colored people? Raise up your hands. Way up. Third from the end out here, that colored lady's suffering with a kidney trouble. The one setting next to her suffering with kidney trouble also. You accept your healing? Raise up your hands if you accept your healing. All right. Go home. Christ makes you well.

**L-81** Have faith and believe. Don't doubt. God is here. You people in those chairs and things. I can't heal you. I... You... I know what... I can tell you what's wrong with you if you'll believe it: spastic, polio, right in your back. If you'd believe with all heart, you could move your chair, and go home, and be well if you'd believe it. But you have to believe it with all your heart.

Who is this laying here on a cot? That man? Yes. That's caused from an operation: run him blind. That's

true. Tumor operation on the brain, paralyzed him, made him in that condition. I can't heal, but the Holy Spirit is here. Do you believe the Angel of the Lord is in the midst of the people? Do you accept Him as your Healer?

**L-82** Our heavenly Father, as I ask these people to lay their hands on each other and pray. I ask that You'll confirm Your Word further to say this: You said, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." I pray Thee, Father, just now while Your Divine Presence is with us, may each and every person that's in Divine Presence as I feel myself weakening, may You, Father, heal every one of them. Let them know that It is Thee. "Be not afraid; It is I," saith the Holy Spirit, the only Resource of help in the time of trouble.

Come, everyone, receive the balm of Gilead. Be inoculated from all fears and doubts. Receive the Lord as your Healer and Saviour in Jesus Christ's Name I ask it. Amen. [\[Mark 16:17-18\]](#)

**L-83** I charge every man in here, and every woman, boy, and girl in the Name of Jesus Christ Whose Presence is here that knows that no mortal man could do these things on earth... That's right. It's absolutely got to be the Spirit of God, and I charge any clergyman to deny that the Bible doesn't promise this will happen just before the end time. See? And the Bible is fulfilled tonight. Jesus Christ, the resurrected One, the One you call the third Person, is the same Person, that's in our midst now working in our flesh, as He--as God worked in the flesh of His own Son, Jesus Christ, is working in the flesh of adopted children through Jesus Christ as He promised.

"A little while and the unbeliever will see Me no more (not till the end of the world), but ye shall Me, for I will be with you, even to the end of the world." Here He is tonight. I wonder tonight in the Presence of this great holy One, how many of you would like to have the prescription said over you? Would you like to come and accept Him as your Saviour? Rise and go downstairs with us and be baptized. Would you do it while we sing a song? If you will, "I Love Him." [\[John 14:19\]](#), [\[Matthew 28:20\]](#)

**L-84** I wonder if you'll rise and come up here and stand where I can pray and lay hands on you, that you might receive the Holy Ghost. That's how you receive the Holy Ghost is by laying on of hands. The Bible says that. Are you aware that Christ is here? Raise your hand. "What does hinder us?" Philip said to the eunuch or eunuch said to Philip, rather, "What hinders us? Here's water."

Peter said on the day of Pentecost, "Repent, every one of you, and be baptized in the Name of Jesus Christ for the remission of your sins, and you shall receive the gift of the Holy Ghost." That's the One that you see working here. "For the promise is unto you and to your children, and to them that's far off, even as many as the Lord our God shall call." Follow that correctly and find out what takes place. That's what I did, and that's what took place. You do it, and it'll take place with you.

I love Him, I... (With our heads bowed now)

I...  
Great Holy Spirit, Your Presence is here, healing all over the building. Now, may those, Lord, who are without You, that doesn't know what this great Holy Spirit means, doesn't know even the forgiveness of their sins, may they come forward now, Lord, in the Name of Jesus I ask. [\[Acts 2:38-39\]](#)

**L-85** Won't you rise now and come here in the Presence? God's going to ask you at the day of judgment, "I appeared in Shreveport on that Saturday night. I preached the Word through a uneducated person. I preached My Word. I showed Myself alive to confirm My Word." And you'll be asked to give a reason, why didn't you accept it.

God bless you, my brother. Come right here. God bless you, my sister. Someone else? If--if a person has never been baptized yet in Christian baptism, there's no other formula in the Bible, no place at all...

If you are a sinner, come forward. If you're a church member, come forward. If you've never been baptized by the prescription that Peter laid out in Acts 2:38, I charge you before God and the Angels. Why is it you will doubt me as a prophet when I stand here and tell you the truth, and know that the prophet has the Word of the Lord. That's his Divine office. I tell you the truth. I ask in Jesus Christ's

Name that ever one without water baptism. You've been sprinkled or whatever way, come and be reconciled to God. Follow the prescription. "Upon this rock I'll build My Church. The gates of hell will never prevail against it." [\[Matthew 16:18\]](#)

*I love Him...* (Rise to your feet now and come, will you?)

*I love...* (Won't you?)

*Because He first loved me*

*And pur...*

**L-86** Come now. Why? Why are you not coming? Why? Say, "My church believes in sprinkling; my church believes something else."

I'm asking you why by the prescription that God gave. There's not another prescription in the Bible contrary to it. If there's anybody can show me a prescription contrary to that for salvation, come do it. It's not there. It's God's prescription. Why will you not...? Is there anyone here that has followed God in this order? Raise your hand. How many here has followed God in this order? Maybe all of you have.

If you haven't, then you're going to be asked at the judgment. Remember the same God that is upon me, the same Spirit telling me to ask this, and to make this challenge, says to me now, "He will ask you at the judgment which you may come before morning, why didn't you do it?" THUS SAITH THE LORD.

**L-87** We can't play church no more. God is in our midst. You feel that terrible awe? Are you aware of what that is? It's the Holy Spirit calling, moving, trying to move in. Once more so I'll be sure that no blood will be upon my hands at the day of judgment. Remember I charge you before God: come.

I-I love Him...

[Congregation continues singing. Brother Branham moves away from microphone and prays for the people, the words not always distinguishable--Ed.] God, in Jesus Name...?... In the Name of Jesus Christ, may she be healed. In the Name of Jesus Christ...?... In the Name of Jesus Christ...?...

**L-88** Almighty God, Your promise of Your Word, may it be manifested in this my brother. May he receive the Holy Ghost in Christ's Name...?... Father God, in the Name of Jesus Christ...?... Fill my sister...?... Fill them with the Holy Ghost, Lord...?... In the Name of Jesus Christ...?... In the Name of Jesus Christ...?... as he's coming for his baptism,...?... water...?... In Jesus Christ Name...?... on my brother. May my brother receive the Holy Ghost, his faith is in You until death takes him...?... Father God, in the Name of the Lord Jesus...?... You Who are present now, may You send the Holy Ghost upon them...?...

Come, sister dear. Come, come right up. Each--each one now. Right up here so... Yes, sister. Our heavenly Father, by the anointing of the Holy Spirit, may our sister receive the Holy Ghost. As Peter went down, and prayed for them, and laid hands on them, and the Holy Ghost came on them, I pray that while she receives her water baptism, may the Holy Ghost come upon her. I pray in Jesus' Name.

**L-89** Would you come forward now. Just stand real lovely and quiet just a moment. All right. Heavenly Father, as this strong looking young fellow stands here, may as the water covers him, may the Holy Spirit fill him. May he be used to Your glory, Lord. It's Your promise in Jesus' Name. Amen.

Have I missed one, someone? Laying hands on them, that's the promise. "Repent, every one of you, and be baptized in the Name of Jesus Christ for the remission of your sins, and you shall receive the gift of the Holy Ghost; for the promise is unto you, and to your children, and to them that are afar off, even as many as the Lord our God shall call." That's the prescription. Is there another before we offer this prayer and go to the pool, that's never been baptized?

Heavenly Father, under the unction and conviction of the Presence of the Holy Spirit, this man comes with bowed head and heart...?... As he receives the water baptism, may he be filled with the Holy Ghost, in the Name of Jesus Christ.

O God, Creator of heavens and earth, Author of Everlasting Life, and Giver of ever good gift, send Thy blessing upon my sister. May she receive this blessed Holy Spirit, as she goes to the water to obey Your commandment, through Jesus Christ I ask it. Amen. [\[Acts 2:38-39\]](#)

L-90 Oh, what a solemn moment. The--the awe of the Holy Spirit. It just seems like somebody's grieving It. I don't know, I... Maybe it's me. See? 'Cause I--I trust it's not, because I made an awful statement just a few moments ago not knowing. Even heard myself say it, charged this audience before Jesus Christ that they'll answer why at that day. No excuse (See?) because He has done manifested Himself by His Word, through His Word, in His people, and He's here. Show me anywhere else. Is that all now? Another? Oh...?... I'm so glad to know that you...?... Lord God, she cannot let...?...

Our heavenly Father, the wait was worthwhile. I pray that You'll bless my sister now. Fill her with the Holy Spirit as she's obeying and coming down. She wants to be inoculated from the fears and cares of life. May the Holy Spirit, the great Serum of God, that takes away sin, may It come into her life and guide her throughout her journey in Jesus' Name.

Just remain right there just a moment. Is that finished? Everyone now? Remember everyone feels now that...

L-91 Just think of it friends. I'm sure if we could really... just had some kind of a something we could pinch with our hands and realize what's taking place here now... We're--we're unaware of it. I--I say these things. maybe in riddles to you. Maybe you--you do not understand it, 'cause you... I could only let you have what I--I know now, what I feel now and know what's present. A great hour of decision, this church has come to its hour. It comes to its Mount Transfiguration in this fellowship.

Things has took place that wasn't even ever thought of, but was prophesied a long time ago would take place. This is the hour of decision for many. I'm so happy that these come. Think of it. The great Holy Spirit of God, that met Father Abraham out there, has come down into our midst, working in mortal lives (each one of us walking through this building), just exactly what He said He would do.

L-92 We see the great meetings and conferences that was spoke of twenty-five hundred years ago just take place a week or two ago. We see the atomic age.

I was quoting last night a prophecy that was given me back in 1933 of seven things that'd take place: Germany, the Sieg--Siegfried Line, and the president election, and all these other things. Five of them has already taken place, two left--the coming of the control of a woman in the United States to take over, maybe a church to take over to rule... Watch. It's THUS SAITH THE LORD.

And then I seem them create an automobile that didn't need a steering wheel in it. I seen that Maginot (Maginot Line, it was instead of the Siegfried)--the Maginot Line eleven years and told the people. It's wrote on paper. He's never one time... I charge any person in Divine Presence, or in the world, to ever tell me one time that the Holy Spirit ever spoke and said these things that it didn't come to pass. See? That's right. Oh, what an hour that we're living in. What a moment right now. A hush like a death somewhere. See?

L-93 Now. Is there another? Is there someone else that would like to come at this moment, would like to walk up here and say, "I have never received the Holy Ghost, Brother Branham? I--I--I'm a church member. I've never been baptized in Christian baptism. I've been sprinkled, or poured, or whatmore, but I--I want to come according to the way the Bible tells me. I'm not ashamed. I--I want Christ. I'm coming right now."

I'm just going to say... One more time we'll sing, and remember then till tomorrow morning then. Then we'll take these audience here right downstairs. I think everything's ready, and the baptistery is filled, and we're ready to go into the baptism just... Here's one more person. God bless you, sister. I like to lay hands on you because the Bible...?...

Heavenly Father, may she receive the blessings of God. She's walking down now...

## **60-1127e - Life Tabernacle, Shreveport, LA (Paragraphs: 84 - 114)**

L-85 Now, I'd like to say this to you. Now, how many knows that there's no man that can heal you? How

many knows that healing is, Divine healing is a finished work of God at Calvary. See? And it's based upon whosoever will may come and accept their healing by faith; you believe it. Is that right? By faith you believe it.

Now, some people has gifts; like a real good preacher, he can make--take that Word of God and just lay it out there like that, some good theologian, and can... That's the gift of healing. They can make you see it through the Word. Now, I can't do that, because I--I'm just not that much of a preacher. So then I--I can't do it that way.

**L-86** God seen my ignorance of that, so then He gave me another way to let you see it. He gave me a gift to manifest the resurrection of His Son Jesus; through that, you might believe. That's a good way isn't it, to believe on the Son of God. Isn't that right? And when you do that, then you'll--you'll--you'll be healed. Now, if He can prove that He's here... How many understands that now? Let's see.

I'm just looking for something to happen in this prayer line tonight. I don't know why. I just--just feel real good, that I--I feel that something will take place.

Yes, the people that's crippled, or anything, just set them right along here like the chairs and so forth. I'll--I'll come down and pray for them. Sure.

**L-87** I want to lay these up here. I like to feel the anointing of the Spirit first, before I--I pray for these cloths and things.

Now, I want you to be real reverent. And just... Now, I don't... When I mean reverent... See, when the Holy Spirit's a speaking. Now, all these people in this prayer line is strangers to me. I don't--I don't see a person along there I know. Is Brother Babbs in there? Yes, Brother Babbs is back there. I know him.

I guess... You see anybody in there I know. A lady is nodding her head there that I knowed her, so I... Do I know you there lady? I... Oh, I've prayed for you. I mean... Well, I know this: I don't know nothing what's wrong with you. I have no idea of knowing what's wrong with you, sure. But God does know, doesn't He? So that's what we're thinking of. [\[Acts 19:12\]](#)

**L-88** Now, in the audience... I guess all the prayer cards is standing here in the line. You in the audience that hasn't got a prayer card, and yet you believe that God will heal and make you well... How many believes that?

Now, may God grant it. Now, let's not be in no hurry; everybody reverent. Now, for this prayer line, it'd probably take about twenty minutes to get the prayer line through. And then when we do, I want to not just pass them through laying hands on them; I want to pray for them. I--I--I--I believe that that's the way if I... God will let me do it. But I want you to know now, without any discernment, the Holy Spirit's here anyhow.

**L-89** Here not long ago there was a man in a certain meeting just didn't believe in my teaching on the Bible. And he goes to a meeting, a certain fellow did, and not knowing that I'd know about it, 'cause he's no more than saying it, and I seen it in a vision in my hotel room. I don't see how some people can do that, and come up, and say these things, when you know you know better. See?

So he said, "Now, Brother Branham is a prophet of the Lord," he said, "but don't listen to his teaching, because he's wrong."

The same Holy Spirit that preached the service tonight, the same Holy Spirit preaches all these things is the same Holy Spirit that discerns the thoughts of the heart. Certainly. [\[Hebrews 4:12\]](#)

**L-90** What is the mark of a prophet? He's a divine interpreter of the Divine Word. That's exactly. The Word of the Lord came to the prophet. That's who it came to, not the theologian, the prophet. Do you know what "prophet" means? Take the dictionary, and look, and see what it means: "An interpreter of the Divine Word."

And then come and say such as that... See how... People just got so churchy, till they don't know God no more. That's it. That's what makes us so mulely. Uh-huh. It's just... You want to get back to that stage of

real genuine Holy Ghost faith.

Yeah, I see one man I know, this Baptist brother sitting over here Brother Daulton. I want to say something. I'm expecting, Brother Daulton, you see why I'm lining him up there about. How many heard the story the squirrels and things? You all did down here, I guess, and so forth. [\[Amos 3:7\]](#)

**L-91** A new ministry's taking a hold in my life. That's what I got these here for tonight to try it. I seen it happen about three or four times. The first time it ever happened on a mortal being...

The second time it happened was to this Baptist brother setting over here. He's standing there at the church, his children teen-age reckless as they could be. And he'd been... We'd been praying for his children; all at once that same Jehovah-jireh turned around; I said, "I give you your children in the Name of Jesus Christ."

I think every one of them is saved now. Every one of them, all of them saved, every one of them. The brother setting right there from Willow Shade, or Somerset, isn't it Kentuc... Somerset, Kentucky. Somebody in here... Some of you Baptist want to see a Baptist preacher with the Holy Ghost? Stand up just minute, Brother Daulton. There's a Kentucky Baptist preacher with the Holy Ghost. Isn't it wonderful? It sure is. All right.

**L-92** Now, let's be real reverent. Brother Brown, are you... Or some of you help from this side of the platform. Now, you without prayer cards, be real reverent, just be real quite now, everybody.

Now, if the Lord does something and you want to praise Him, all right, but (See?), just keep your position. Keep waiting; keep under expectation. You out there now, that doesn't have a prayer card, maybe the Holy Spirit would say, "Turn around..."

How many never was in one of these meetings before? Let's see your hand, never was in a... Well, my, my, I guess it's... Do you still understand the meeting, my ministry, it's... Haven't never been in one, but yet you understand it, raise your hand. Well, that's--that's okay then, you--you haven't... You understand.

**L-93** See, it isn't me. But Jesus the Son of God is the High Priest of our profession, confession, the same thing, setting at the right hand of the majesty of God, setting there making intercessions upon our confession. Is that right?

First, we have to confess He's done it, then He starts making intercession. And He's the High Priest that can be touched by what? The feeling of our infirmities. Then if we can touch Him with our infirmities, and He's the same High Priest yesterday, today, and forever, wouldn't He act the same way? Is that right? Then how did He do when a woman touched Him. He turned around, told her about her blood issue, and told her her faith had saved her. Is that right? [\[Hebrews 13:8\]](#), [\[Mark 5:25, 34\]](#)

**L-94** How many out there thinks you got--that's sick that thinks you got faith enough to touch Him? Let's see your hands, everywhere, that you're sick. God bless you.

I--I believe... Let's... All right, let's just have one, so we can get started that anointing. If it's just one person you all won't say nothing; you just go ahead. Is that right? I want to find the anointing first, so that people will realize...

This woman here, I suppose we're strangers to one another, are we, lady? We do not know each other. All right. Here's a lady that's a stranger to me. We were born miles apart, years apart, and this is our first time we've ever met in life, as far as I know. She says she's a stranger, and God knows I don't know her. There's something the woman's here for, maybe domestic trouble, maybe financial trouble, it may be sickness, it may be for somebody else; I don't know.

**L-95** But this is a sign like Saint John 4 to make it Scriptural to you, a woman and a man meeting for their first time on earth. Jesus talked to the woman just a few minutes to find out, to catch her spirit. How many knows that? He got to talking to her about segregation. She said, "It's not right for you to ask me the Samaritan, but have any dealings with each other."

But when He found her trouble, He said, "Go, get your husband and come here."

And He told her. And she said, "I... Sir, I perceive that You are a prophet. Now, we know that when the Messiah cometh, Who's called the Christ, when He... We know He's coming, when He comes that'll be His sign." How many knows that, that the Bible teaches that? Well, if that was the Messiah sign yesterday, and He's the same yesterday, today, and forever, wouldn't it be the same sign today? Here we are, two together, never met before. [[John 4:9, 16, 19, 25](#)], [[Hebrews 13:8](#)]

**L-96** Now, if He will tell her what has been... Now, she'll know whether it's true or not, what's wrong with her, or what she's here for. Something I don't know, ever what it is, then she'll know whether it's true or not. Then surely, she would know it. Everybody would have to know it would be from some spiritual power. Is that right? 'Cause there's no way for me to know the woman; I've never seen her; she don't know me. And here we stand... And you out there, I don't know you, but God knows you, and He promised to do this.

He's not doing this because He--He just wants to show you His goodness; He's doing it to fulfill His Word. Jesus healed the sick, not because He had to, but because He wanted to fulfill the Word. That's exactly. That's why He did it, that it might be fulfilled which is spoken of the prophet. And this is it might be fulfilled which was spoken by Jesus, that He'd do it in these last days.

**L-97** Oh, we ought to tear the building down, look like, with joy. See? But we're still shaking the little bells and staring. You see?

Oh, glory. Just that... When that comes up, you feel it. It's just something, I don't know. You say, "You don't feel that." You just think I don't. I sure do.

All right, sister, just a word with you, just to talk to you a minute. One of these days we're going to meet God. We're going to have to give an account of all the things that we've ever done in life. If the Lord God will reveal to me something that you're here for, or something another in your life, well, you'll know whether it's right or not, won't you? And then if He does, will you believe then... You know I couldn't to do it, because I don't know you. If He will do it, then you'll believe it's His power, His Spirit that's a doing it? You sure would; that's fine.

**L-98** I'm doing this, just merely to--to--to catch her spirit. That's exactly. We're here, two human beings, and this is the first time meeting, and you're a spirit, and I'm a spirit. The Holy Spirit's here trying to find the trouble.

Yes, sir. I see what the woman's wrong with her. She's got a cancer. And the cancer is on your hand you got covered up to keep me from seeing it, but He knows it. That's right. All right, sir. You got high blood pressure, complications. Is that right? Raise up your hand. That's right. Now, do you believe? Then I condemn all your ailments in the Name of Jesus Christ, for the glory of God. Amen. Go home and be well now. Jesus Christ make you well.

**L-99** I'm a stranger to this woman. We was born probably miles apart, and years apart. She's a lot younger than I, and this is our first time meet... Oh, wait I wasn't to have that discernment, but I was just going to go on, but... Oh, I started, might as well go ahead on the... All right.

Now, lady if I will be able, through the Holy Spirit, to tell you something about yourself, something that you know that I do not know, then would you accept me as His servant and believe that that Spirit is the Christ, the Son of God? You would believe that?

It's really not you. It's someone else. It's an elderly woman; it's your mother. She has a tumor. And I see you looking in a showcase window in some place; I've seen it before. It looks... It's Arkansas, Fort Smith. Your mother has been in my meetings somewhere; she was healed before. That's right.

**L-100** Your husband has something wrong with his eyes, doesn't he, setting out here? He's going to be all right now. You're Mrs. Medcalf. Now, you just return back, believe on the Lord Jesus Christ, and be made well.

Some of you out there without a prayer card now, you believe with all your heart. Do you believe?

Elderly lady, you don't have a prayer card; 'course you don't. If... I can't heal you, mother. It's your daughter. You believe that God will reveal to me what's wrong with you, you'll accept it? It's heart trouble. That's right. If that's right, raise up your hand. Be healed in the Name of Jesus; go home and receive it. Have faith in God. Don't doubt; believe all things.

**L-101** That man setting out there with fistula. You believe Jesus Christ will make you well? If you can accept it, all right, sir, raise up your hand, white shirt on. Kind of surprised you to have that much faith, didn't it?

The lady setting back there, a little hat, having headaches, aren't you, sister, migraine? Have faith in God, God will heal you.

Now, you see you don't have to be up here. You have to have faith in God. Isn't that right? Have faith in God; that's all. You believe with all your heart? Don't doubt; believe; have faith--have faith in God.

**L-102** I don't know this man; he's a stranger to me. Is that right, sir? If God will reveal to me your troubles, will you believe on me as His servant, and believe on Christ as being the Son of God? You will? You have asthma, asthmatic condition. Here's another thing's wrong: the big thing is wrong with you; you're not a Christian. You need Christ to be your Saviour, 'cause you're shadowed in blackness. You accept Jesus as your Saviour? Will you accept Him as your personal Saviour now? And He will heal you, and make you well. Will you receive Him? Raise up your hand to Him, say, "Lord, I believe you."

**L-103** If you'll do it right now, and with all your heart He will heal you of your asthma. The decision is yours. Come over here, and set down, and think it over just a minute. Believe it. You accept Him? Then I pronounce you healed in the Name of Jesus Christ. Go, be baptized in the Name of Jesus Christ calling on the Name of the Lord.

You believe? You believe He'd heal you of that nervousness? All right, go ahead, be healed.

Come. You believe He will heal you with that diabetes? Go, and be healed; be made well.

You believe your arthritis will be gone, and God will make you well? Go, and be healed in the Name of the Lord.

Believe God will heal that cancer? Go, be healed in the Name of the Lord.

You believe He will heal that cancer and make you well? Go, believe in the Name of the Lord and be made well.

**L-104** If thou canst believe... Do you believe with all your heart everybody? Everybody believe? What if I don't say a thing to you, and just lay my hands on you, will you get well lay... In the Name of Jesus Christ, go, and be healed. Amen. Believe.

You believe with all your heart? See, you're already healed when that man back there got healed with that rectal trouble, fistula like. Go, believe, Mr. Allen, be made well in the Name of Jesus Christ.

Come. You got stomach trouble, or you did have. Go, eat. Jesus Christ has... You believe now? Everybody have faith; believe with all your heart.

In the Name of the Lord Jesus, go, be made well. You said you knew me out there, and that's the reason I didn't say anything. You may go, go, having faith.

Father, God in the Name of Jesus Christ, may our brother be healed. Amen.

These signs shall follow them that...

**L-105** God will heal your kidney trouble, honey, and you'll get well. In Jesus Name, go, believing with all your heart.

You Who could put the fruit in his daughter's womb, and give her a lovely children, You can also put healing in his body. In the Name of Jesus, grant it. Amen. Go back, and be well, my brother. God bless you, Sister Moore. Go, believing now. I truly believe that.

If thou canst believe, all things are possible. Do you believe that?

**L-107** O God, in the Name of the Lord Jesus, I pray that You'll bless our sister. Heal her, I pray in Jesus' Name with this great mighty church setting here under the anointing of the Holy Ghost seeing the signs that Solomon did. And a greater than Solomon is here: the Lord Jesus Himself in the form of the Holy Ghost. May these people never doubt; I pray in Christ's Name. Amen. Believe now.

If they lay their hands on the sick, they shall recover." You promised it, God; I'm believing it, and I know, that we are anointed now with the Holy Ghost. Amen.

Eternal God, bless my Sister Schrader. I pray God that You'll give her strength like she's never had before. May she go from here tonight in the power and Spirit of the Holy Ghost, and serve You all the days of her life. Get glory out of her, Lord, but she has to have strength. Strengthen her, Lord, and this nervousness that's doing this evil to her, I condemn it in the Name of Jesus Christ.

Sister Schrader, in the Name of the Lord there's nothing wrong with you but your nerves. I say that in Jesus' Name. You haven't got one speck of TB or nothing. It's your nerves and it's getting you down. Rebuke the thing, and walk away, and be well. God in the Name of Jesus Christ, I pray that You'll heal her in Jesus Name. Amen. [\[Mark 16:17-18\]](#)

All right, I'll come and lay hands on you if you believe. These here too. Do you have a card? Right here? Yes. You don't have one? Kidney trouble left you anyhow, so just believe with all your heart.

**L-114** Huh. Strange, kidney trouble too. See that devil try to get between them two women there just then? One warned the other one. Just as soon as I mentioned you, it went right to that woman there, come back and forth, and I seen that dark streak leading over, and I seen what her trouble was. Come right back, and you got the same thing. Frankly, you haven't got but a half a kidney. You're left one's gone, your right one is only half. That is true. Do you want to go back south from here, and go well? You do. You will? All right, Mrs. Dobbs, you can go back home and be healed then if you believe with all your heart.

In the Name of the Lord Jesus Christ I lay hands upon my brother, asking for his healing through Jesus Christ our Lord.

Eternal and righteous God, upon the head of my sister I lay my hands, and ask in Jesus' Name for her healing.

Merciful and Almighty God...
