## **63-0115 - Church Of All Nations, Phoenix, AZ (Paragraphs: 262 - 303)**

L-263 Before I make the altar call, I'd like to say this. I feel led to do this. Is there sick people in the house? Raise up your hand.

L-264 I'm going to ask you to please be just as quiet, set still, just a minute longer. Now, we'll be out in five more minutes, if you just be real reverent.

L-265 Now, see, you, when you're disturbing, you're disturbing somebody.

L-266 I've got the whole thing under the control of the Holy Spirit. I must have it, in order to do this. God made the promise. It wasn't me. It was Him that made the promise.

L-267 Now, as far as I know, there is some people here that I know. There is some I do not know. I can actually see about, I suppose, about four people that I know. And one of them is Brother Williams here, and Brother Rose. I know them. And Mother Sharritt is setting over at the door. I, course, I know her. Here is Sister Williams setting here. I know her.

L-268 And this lady setting right here, about two rows in front of me here, she works at a dry goods store, and is a friend to the family. I don't know her name, but I believe she's a member of Brother Outlaw's church up there. I think that's right.

L-269 And then I see Brother Dauch and Sister Dauch, from Ohio, setting here. I heard Brother Sothmann, way back there somewhere, say "amen," a while ago. I watch. That's about all that I see and know in here.

L-270 How many of you that's sick, and knows that I do not know you, raise up your hands, that knows I know nothing about you, raise up your hand. All right. You just have faith now and believe.

L-271 Now, if I have told you the Truth, God is obligated to vindicate that Word to be the Truth. Is that right? It's right. Now, that will be the provided way then, according to what I've said tonight. That's God's provided way to tell you, "This is the Truth."

L-272 Because, anybody knows that it's totally impossible. It would be a miracle that science cannot explain. You can't explain a miracle. It's beyond explaining. And if God should speak in here, tonight, to one person that would know that I was a stranger to them, and tell them what they'd done, or what they ought not have done, or what they will do, or what they ought to do, or something, just like Jesus did when He was here on earth. He made Hissself known to the public that that was the Messiahic sign. How many knows that, say, "Amen." [Congregation says, "Amen."--Ed.] Then, the church believes it. That's the only way. The people, when He did that, they...

L-273 The woman touched the hem of His garment. He turned around, said, "Who touched Me?" Physically, He didn't feel her, but it was her faith that did it. [\[Matthew 9:20-22\]](#)

L-274 Now, you can have that kind of faith if you will just pray and say, "Lord Jesus, take away every doubt from me. Take away my doubts, and let me believe this. I'm desperately in need. And I'm coming, tonight, for the Bible says that Jesus Christ is the High Priest that can be touched by the feeling of our infirmity." [\[Hebrews 4:14-15\]](#), [\[Matthew 21:21-22\]](#)

L-275 Did you know, this sign, this miracle, has not been done in history since the death of the last

apostle? That's right. I've just come through the--the... all the history books that I know of, Hislop's Babylons. I come through the Foxe's Book of the Martyrs. I come through the pre-Nicene fathers, the Nicaea Council, and the post-Nicaea. I come through all those books. Not one place have I seen it, in the history of Martin Luther, John Wesley, the first revival, the Welsh revival. They been crying, shouting, praising God, finally dropped into speaking in tongues. And then this was supposed to be the last sign. That was the last thing that Sodom saw before she burned.

**L-276** And remember, He didn't reveal it to Sodom. He revealed it to Abraham, the chosen and elected. And the gift is not going to the worldly churches out here, if you notice. It's going to the elected Church. That's the ones that's being benefited by it. They're the ones that will receive it.

**L-277** If it would be done out there, they'd say the same thing they did when He performed it, "He is Beelzebub, a fortuneteller." And anybody knows about fortuneteller, knows that's--that's a crazy thing to even say. They don't know the first principle of telepathy or fortune-telling. That's a work of the Devil, trying to copy the work of God. [\[Mark 3:22\]](#)

**L-278** God shows a prophet; the Devil has a medium. The two are pretty close together. Jesus said it would almost fool the Elected, if possible. It's true. We got lots--lots of impersonation. He said, "As Jambres and Jannes withstood Moses, so will these men of corrupt mind, reprobates concerning the Truth. But their folly will be found out." [\[Matthew 24:24\]](#), [\[III Timothy 3:8\]](#)

**L-279** Now, in the Name of Jesus Christ, the Son of God, I take this audience under my control, but for the Holy Spirit, by the Holy Spirit, in the Name of Jesus Christ.

**L-280** I ask you, as believers, don't you move. Set still. And you believe that Jesus Christ is the same yesterday, today, and forever, that I'm here to make known His works and His ways.

**L-281** I been very reluctant on these things, the fifteen, sixteen years I been on the field. But there's an hour coming now when something is fixing to take place. The Message will go to another nation, another people. But while we are in the Presence of His Holy Being... The Church in America, I believe, is just about called out. She's finished, She's washed, She's ready, the real Church. Hypocrisy still remains on. But the true Church was a true Church, to begin with, the born again, the predestinated to the call of God.

**L-282** If you believe with all your heart, I ask you to pray and say, "Lord Jesus," in your heart, "let me touch Your garment. And how will I know that You're still the same High Priest? Speak to me through the lips of Brother Branham. And if he has told me the Truth, which, I believe he has."

**L-283** Be sure to mention that in your prayer, 'cause He told me, "If you get the people to believe you." That's the only... you... He couldn't do many mighty works, because they didn't believe Him. Don't believe me as Him, but believe that He sent me. And I'm here to manifest Him. He proved that He was. May God help me to prove that He is raised from the dead, the Messiah, same yesterday, today, and forever. [\[Acts 2:22-24, 32\]](#)

**L-284** Now just be in prayer. I'm watching and waiting. Just pray. And if the Lord will grant it, and will prove to you that this is the end-time sign, will you walk in the Light? Will you believe Him, have faith in Him? He is no respecter of person. Just have faith, all along, everywhere. Now, while you have your heads bowed, I'm thanking the Lord. [\[Acts 10:34\]](#)

**L-285** Here is that Light that you see in the picture. He is right here in this room now. And I see It right by the side of a woman who is setting to my right. She's praying for a son that's in trouble. Just don't doubt. Have faith.

**L-286** To my left there is a woman, and she is scared. She's afraid that she's got cancer. She's very much shook up about it. I hope she don't miss it. The woman has tried, for a long time, to press her way in. She's afraid. She isn't from here. She comes from another city. And the city is a smaller city than this,

though it lays south from here. It's by the side of a mountain. It's Tucson. The lady's name is Mrs. Bach. You believe? Will you accept your healing? All right. Don't be scared of it no more. Your faith makes you whole.

**L-287** A lady by the name of Mrs. Hushey. Don't forget. God can prove that son innocent, if you'll believe with all your heart. Don't doubt. Have faith. Believe.

**L-288** A lady setting over here on the side to my right, she is suffering with a heart trouble. Her name is Mrs. Cloud. If you'll believe with all your heart, accept your healing, the Almighty God will make you well. Will you believe it? All right. You believe with all your heart.

**L-289** A lady way back here to my right, in the right-hand row, dark dress on. Mrs. Yates, believe with all your heart, and your back trouble will go from you. Oh, my!

**L-290** You love Him? [Congregation says, "Amen."--Ed.] You believe Him? ["Amen."] Is He the same yesterday, today, and forever? ["Amen."] Now, if He proves that, and you see that it's right, and those people will bear record I've never seen them in my life. [\[Hebrews 13:8\]](#)

**L-291** But, look, now, if you will take my word for what I'm saying, if you will believe with all your heart and lay your hands on one another, you'll be healed if you'll just believe it with all your heart. It's a sign of the end time. [\[John 14:12-14\]](#), [\[Mark 16:17-18\]](#)

**L-292** Now put your hands over on one another, you that's going to pray for each other. If you're a sinner, confess your sins. If you're a backslider, confess that you're wrong. If you're sick, confess that you want to be healed, and say, "I believe You, God."

**L-293** Now, the Bible never said, "Just the prayers of William Branham will do this." But He said, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." Do you believe that? [Congregation says, "Amen."--Ed.]

**L-294** Now, how many times, how long have I been with you, Phoenix? This is about seventeen years, I been coming here. Have you ever seen it proved wrong one time? Has it always been just exactly the way the Holy Spirit spoke it. [Congregation says, "Amen."--Ed.] Through the thousands times thousands, and through the multitudes of times; how many times around the world, of all nations, and kindreds, tongues, and people; it's Jesus Christ, not your brother. And I'm quoting His Word to you. "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." [\[Mark 16:17-18\]](#)

**L-295** Now lay your hands on somebody and pray for them. Don't you... Don't pray for yourself now, because they are praying for you. You pray for them. And now let's bow our heads in the august Presence of Jesus Christ, Who proves Himself to be among us. Now, He's your God, the same as He's my God. Now you pray the way you do in your church. Pray for that person that's got their hands on you. You pray back for them, and believe on God.

**L-296** Confess your sins, say, "I'm wrong, Lord. I been a doubter; I'll be no more. I'm believing right now that You're going to heal me."

**L-297** "Heal this person, Lord. Heal this woman. Heal this man. Heal this woman. Heal the baby. Heal the young girl, the young boy."

**L-298** O Lord God, Creator of heavens and earth, how can we sit here, Lord? This ought to bring a Rapturing Faith, a power of God that would sweep this whole audience, Lord, into higher heights, and of the glory of God.

**L-299** Let the Devil, that's had these people bound, turn them loose; upon the--the promise of God that I believe in, upon the Bible that I teach, upon the God Who proves that it is the Bible, that proves that He is the God of the Bible. After two thousand years, He still lives among us tonight, resurrected from the dead, the same yesterday, today, and forever. Upon the basis of His shed Blood, and His living Being,

Presence, after two thousand years, I challenge the Devil with all of his impotent spirit of sickness and diseases, turn these people loose, in the Name of Jesus Christ. Come out of them, that they might go free. Turn loose that sinner. Turn loose that backslider. Turn loose of that sick man or woman. I claim their healing, their salvation, in the Name of Jesus Christ, the Son of God. Leave them, thou foul, evil, unclean spirit of unbelief and doubt. Depart from this church, from this bunch of people, in the Name of Jesus Christ. Amen. [[Matthew 28:6](#)], [[Hebrews 13:8](#)]

L-300 I believe. I believe that the prayer of faith has been prayed. I want you to do something now. Right where you're at, drive down a post in your mind, "Right here on this seat, this night, when I stood and heard the Word, saw God vindicate His Word, prove that It's right, the prayer of faith has been prayed for me. If the Devil will ever try to tell me again I'm sick, or anything wrong, I'm going to bring him right back to this post. Right now the prayer of faith has been prayed for me, and I'm saved from my sickness. I'm saved from my sins. I'm a child of God, and I'll not cater to the Devil's lies anymore. I am God's free servant." Amen. Will you do it? Say, "Amen." [Congregation says, "Amen."--Ed.] Raise your hand and say, "I believe it." ["I believe it."] Amen. Amen.

L-301 To me, that settles it. The work is done. It's all over. God said so, and that proves it. How can He do anything else but vindicate His Word? If He will vindicate it to me, He can vindicate it for you. You believe that? [Congregation says, "Amen."--Ed.] All right.

L-302 Let's stand on our feet and praise Him, then, give Him all praise and glory. Amen. All right. Glory to God!

L-303 Thank You, Lord Jesus. We love You. We praise You. We accept these things. We believe that You do it for us now. Thou art our Saviour. Thou art our Healer, and we love You for it. Blessed be the Name of the Lord, forevermore. Receive these people, Lord, and let them be Thy servants from now on, through Jesus' Name.  
God bless you.

### **63-0117 - Full Gospel Church, Tempe, AZ (Paragraphs: 240 - 295)**

L-241 Now, here is my hand over the Bible. I, as far as I know, I've never seen the woman in my life. And she says we're perfect strangers to one another. Now, the Word either has to be right or wrong. Right. It's either right or wrong. We can't make it anything different.

L-242 Now, lady, just to speak with you a moment, like our Lord did to the woman... If He can tell me...

L-243 Now, if I'd say to you, "Oh, course, you had a prayer card. You come up here. You're sick." See? Well, then if I'd say, "Glory to God," lay my hands upon you. "Glory to God, you're going to get well." It's all right, not a thing wrong with that. That's exactly what to do. See? That's right.

L-244 The Bible said, "They lay hands on the sick, they'll recover." That's true. [[Mark 16:18](#)]

L-245 But now, you could scratch your head and study, "Did he tell me right? Am I going to get well?"

L-246 Now, what if--if the Something that knows your life, what you have been, what you have did, and, or what's wrong with you, like He told that woman what was her trouble? And if He could tell you them things, well, surely if He know what has been, He knows what will be. Is that right? [Congregation says, "Amen."--Ed.] Sure.

L-247 Now, if the woman is sick... She might be standing for somebody else. It might be sickness. It might be financial trouble. It might be domestic trouble. I don't know. I can't tell you. That's true. See? But whatever it is, if He would say it, she would know whether it was truth or not. She would know it. You know whether it was or not. And then if it's wrong, then that wasn't the Spirit of God, 'cause the prophet has said so, and his prophecy was wrong. But if it is right, then that was the Spirit of God. See?

L-248 Now wouldn't that comfort us and make us feel wonderful, if we know that Jesus was here with us tonight? [Congregation says, "Amen."--Ed.] Would it give you faith? ["Amen."] See? Certainly.

L-249 Now, to heal the woman, I couldn't do it. I-I can't do that. It's already done. See? See? It's done, and now based upon her faith to believe it. Now, if He was standing here, Himself, with this suit on, He couldn't heal her. He would say He would already done it. "If thou canst believe, see, that I've done it, it's all over." See? That's it. See? [[Matthew 9:23](#)]

L-250 But, now, only thing He could do, He could prove that He was Messiah, yet, that God-Prophet was to come. And He promised that His disciples would do the same thing, so there you are. See? It brings it right back to the Scripture. And that's Scripture, brethren. I know it's all contrary to the modern belief, but it's God's belief. It's God's way, 'cause He said so. There's the Scripture to read for yourself. They just try to twist it up and make something else out of it.

L-251 Now, I want to ask you something. The woman is a believer. I want to...

L-252 Something will happen. You just remember, something will happen. Now, if it does, then how many is going to accept and say, "That settled it for me"? [Congregation says, "Amen."--Ed.] Will you believe that, lady? You believe it, over there? Rest of you believes it? ["Amen."] Let God be the judge.

L-253 Now, no more than I said that, reason I said that. How many has ever seen the Light, that picture of that Light, that Angel of the Lord? George J. Lacy, you know. See? All right. That Light is right between she and I, now. And it's welcoming. I know she's a believer. That's right.

L-254 What you want me to pray for you about: sores, sores on your body. Another thing, it's just complications. You have so many things. But, wait a minute. I'm in contact with your spirit. You're ready for an operation. That's right. Up for an operation. Now, He said that was in the gallbladder. That's right. Now what do you think? God bless you. Just believe. That's it. Amen.

L-255 Isn't He Christ? [Congregation says, "Amen."--Ed.] Now question the lady if you wish to. That's... See?

L-256 Now, that's Him yesterday, today, and forever. See? Your faith has aroused Him now. See? He's on the scene, to do things to help you, to bless you, and to give you those things that you long to have.

L-257 Now, that one vision has weakened me more than that hour-and-a-half sermon. See? And just feel yourself trembling, getting away. See? Frankly, this is the first time I've had a service...

L-258 The other night, the Holy Spirit struck, over in some church, I know, and It called three or four people. And when it did, they didn't respond just quickly, and then He was grieved. He went right away, see, and left me right there. You have--you have to, you have to answer Him back. Yes, sir. Just remember, He ain't obligated to you; you are, to Him.

L-259 We are strangers to each other. [The sister, says, "I've seen you once."--Ed.] You saw me once. ["Yes."] Here in Arizona? ["Yes. I was...?... in the prayer line."] In a prayer line. How long ago has that been? ["It was either in '54 or '55."] Yeah. Long time ago. Yes, sir. ["I'm not for sure when."]

L-260 I remember the longest prayer line I ever had in my life, was down here at Phoenix, one afternoon. Over...

L-261 I forget the name of that church. There was a... Used to be, a little, short fellow had the church. I forget what he... Great big church, here in Phoenix. Was it Fuller? No. Brother Fuller, I know him. What say? I remember Garcia. But this is a great big church over there where Dr. Sutton used to pastor, or something. What was the name of that big church over there? It's one of the biggest full Gospel churches in the country. [Someone says, "Faulkner."--Ed.] Faulkner, that's it. That's it, Faulkner, over at his church.

L-262 You remember that line? I started that afternoon, prayed on till midnight that night, I believe it

was. Just con-... Just laying hands on the people, I got so weak I couldn't even move no more, hardly. See?

L-263 That was before vision came. It would come, but just sparingly, now and then. And then sometime when I'd be by myself, He'd tell me something was going to happen. I'd come tell you all that He told me something was going to happen. It always happened. Didn't it? [Congregation says, "Amen."--Ed.] Yeah. Now, what does It say? "Believe it." God confirms it. See?

L-264 Now, the lady, being many years ago, I guess I've prayed for two and a half million people, or maybe, since then, you know, around the world. May be more than that. But I--I would never know who, about you, or nothing for it. But now the Bible said, that, one time...

L-265 And, by the way, that darkness, was over that woman, has left her. That's right. Uh-huh. I know. You feel different, don't you? If you just hold that faith, that's all it takes. Now, fill it with joy and faith. Cause, it'll come back with five other, or seven others, worse. See? Just stay right there and say, "I believe. That settled it."

L-266 Now, we being strangers to each other, I just would say, for two witness. The Bible said, "The mouth of two witnesses, or three," I believe it was. Wasn't it? "Two or three witnesses, three witnesses, let every word be established." [[Matthew 18:26](#)]

L-267 I aim to put the rest of my time down here, if I can, on healing line. So, I don't want to take too much on discernment. Just so you would know.

L-268 By the way, that lady sitting over there, having dizzy spells. They won't happen to you no more if you just believe it. Tell me what she touched. I--I seen that Light circle here and go right over in that corner. I seen the woman holding her head, like this, in the vision, moving back and forth, like that. Uh-huh. See? What did she do? She touched His garment. Not... The Bible said, that, "He's the High Priest" (is that right?) "that can be touched by the feeling of our infirmities." That's what she did. See how quickly she responded? There it happened. See? Just believe. Now, that should settle it all. That makes it the truth. [[Hebrews 4:15](#)]

L-269 Now, you see why I'm not running on down the line. Just try to hold myself back, as much, 'cause I want another line tomorrow night. But just that you would see that He's come on the scene. That's Him. It can't be me. I never seen that woman in my life; don't know nothing about her. See?

L-270 It's so simple, till the big intelligent people today stagger right over the top of such simplicity. See? That's the reason they miss it. They try to figure it out. You can't figure it out. You believe it. You just believe it.

L-271 That Indian girl, having headaches, if she'd just believe it, it'd leave her, too. I never seen her. She's not even... See? See?

L-272 Touch Him. Just touch Him, once, and find out if it's not right. See?

L-273 Those people are strangers. Ask the lady. I never seen her in my life. That's true, before God, as I ever knowed. See? See? He's on the scene, if you can believe Him. But just don't stagger at it; believe it. It'll do something for you if you'll believe it. He'll heal you. All of you can be healed if you just believe it.

L-274 You see, here stands a woman on the platform. And the Holy Spirit moving out there through the audience, healing the people, show that He's everywhere, omnipresent, omniscient, and omnipotent. Amen. Glory! Wake Jesus, inside of you. Let He that come into you, in the form of the Holy Spirit, move through you.

L-275 I don't know you, but God does know you. The Lord God can reveal to me something you're here for. You'd believe me, wouldn't you? All right. You look on me. I--I mean by that, like Peter and James, you know, said, "Look on us." Just to get you from... [[Acts 3:4](#)]

- L-276 It's just coming from everywhere. I believe there's going to be a real healing service in a few minutes. See? See? See?
- L-277 One thing, your eyes are bothering you. You're almost going blind. Nerves in the eyes are dying.
- L-278 The first time, I caught that, in a long time. Somebody said, "He guessed that." I didn't. I didn't. Now, remember, I'm catching your thoughts here by the Holy Spirit.
- L-279 Let's see if I guessed it. Look here, sister. You're a believer. You got trouble with your chest; cancer, skin cancers on the back of the neck. Now, you believe God will take it away? [The sister says, "Yes, sir."--Ed.] Uh-huh. You want to go back over in New Mexico, where you come from, believing God healed you? All right, Mrs. Watkins, go back...?... over there. Be healed in the Name of the Lord Jesus Christ.  
Thou canst believe. Just have faith.
- L-280 We're strangers to one another. You've seen me in the meetings. But, I mean, to know you, just to say I know you, I don't.
- L-281 Now, just a little bit. I'm way over my time there, but surely you know He's here. This one woman standing here, again, then we'll--we'll pray for them. I think that's at least three. Isn't it? Oh, yes. That's all out through the audience, then.
- L-282 I have no idea. You look healthy and strong, to me. I don't know you, but God does know you. But there is something on your heart. It's something you're desiring. And it's for somebody else. I see a young man, no, two young men. They're your sons. No, one of them is a son, and the other one is a son-in-law. And they both have stomach trouble. And they both got black shadows over them. They're, both, sinners. That's THUS SAITH THE LORD. You believe now?  
How many will believe with her? Let us pray.
- L-283 Lord Jesus, we believe You now for this request, for our sister. I bless her in Your Name. May she go and receive what she's asked for, for Your glory. Amen.
- L-284 All of you believe now with all your heart? [Congregation says, "Amen."--Ed.]
- L-285 Now, come this way. You believe He can tell me what's wrong? Wouldn't that be nice, that old asthmatic trouble would clear up, and you could go home, be well? Well, if you believe it, it'll do it.
- L-286 Speak English? Heart trouble, stomach trouble. Believe the Lord Jesus and it'll leave you. Amen. All right.
- L-287 Come, lady. Speak English? Hard to get your breath; asthma. Go, believe. Breathe! Believe it, in the--the Name of the Lord Jesus.
- L-288 Come. Speak English? You believe me to be God's prophet? Your trouble is in your back. Believe! Won't bother you no more.
- L-289 You believe me to be His servant? You're bothered with arthritis. I see you trying to get out of bed. You can't hardly do it, of a morning. Go, believe, and you won't have to do that no more, and you'll be made well.
- L-290 Do you believe? [Congregation says, "Amen."--Ed.] All your heart? ["Amen."] Wake Jesus, in you now. Christ is here. He's on the scene. Do you all believe that? ["Amen."]
- L-291 Now put your hands over on one another. Just lay your hands over on one another now.
- L-292 I'm going to quote a Scripture. Jesus said, "Go into all the world," Tempe, Arizona, "preach the Gospel. These signs shall follow them that believe. In My Name they shall cast out devils; speak with new tongues; take up serpents or drink deadly things, would not harm them. If they lay their hands on the sick, they shall recover." [\[Mark 16:15, 17, 18\]](#)

L-293 Now, with Jesus present now, if you believe He's present, say, "Amen." [Congregation says, "Amen."--Ed.] The same Spirit that was in Jesus Christ is here in this church tonight.

L-294 Now, you pray for the person you got your hands on. Just pray right out, say, "Lord God, heal this person." They're praying for you.

L-295 Lord Jesus, I pray, God, that You'll send Your power and Spirit upon this audience, upon this little woman here, Lord, with this mask over her face. I pray that You'll heal them, Lord. May the Devil, the storms, be quietened, and the power of God take over this audience and cast out every evil power and unbelief.

### **63-0118 - Church Of All Nations, Phoenix, AZ (Paragraphs: 305 - 343)**

L-306 But I want you who don't know me, and know that I don't know you. I want you to say in your heart, "Lord Jesus, I've heard this spoke of. I-I heard this minister tonight read this out of the Bible. I heard those testimony, and I've heard similar, you know, of different times this happened. Are we that close to the end, Lord? Are we that close?"

L-307 Remember, when that sign was done to Sodom, the city that burned, Jesus referred to it, said, "As it was..." That was the last sign that they received before the city was destroyed. And Jesus said that will be the repeat in the coming of the Son of man.

L-308 Now, you know that's right, how that, the God, God in flesh! How many believes that was God talked to Abraham? [Congregation says, "Amen."--Ed.] Yeah. Well, the Bible says, "Elohim," so, that, that's the--the--the great Creator of heavens and earth, the all-sufficient One. He was.

L-309 What was He showing? He was in a human body, stood there and eat the meat of a calf, and drank the milk from the cow, and then could vanish out of sight. "I will visit you according to the time that I promised you." See? Called him by his name. And with His back turned, said, "Where is Sarah?"

Said, "She is in the tent behind You."

Said, "I'm going to visit you according to the time of life."

L-310 And Sarah said... [Brother Branham makes a silent gesture--Ed.]... back in the tent.

L-311 He said, "Why did Sarah laugh?" Remember, the Bible said she was in the tent behind Him. Said, "Why did Sarah laugh?"

Sarah said, "I didn't."

Said, "Yes, you did." See? That's right.

L-312 A Man standing there, God representing Himself in human flesh. Jesus said it would be the same thing at the coming of the Son of man: God in His Church, you, me, representing Himself. Now, there was a little woman...

L-313 When God was in Christ, He had the Spirit fully. He was God. I'm just one of His servants, and you're just one of His servants. We have the--the Spirit by--by measure. He had It without measure. "In Him dwelt the fullness of the Godhead bodily." In me is just a little gift, and in you is a gift, of Him. But, no matter how little it is, it's the same Spirit.

L-314 Now, if that is the Spirit of God, It'll do the works of God. Now, you pray and say, "Lord Jesus, a little woman one time touched His garment." And we say...

L-315 Over here in the New Testament, he said in Hebrews, he said, "He is a High Priest right now, that can be touched by the feeling of our infirmities." How many knows that's the Bible? Say, "Amen." [Congregation says, "Amen."--Ed.] Sure. Well, that's got to be true. [[Hebrews 4:14](#)]

L-316 Well, if He's the same yesterday, today, and forever, how would He answer you? Same as He did yesterday, if He's the same today.

**L-317** Now, you pray and say, "Lord Jesus, let me touch Your garment. And then, You give Brother Branham a little gift, to encourage us. And he don't know me. I'm setting way back here," and over here, and down here, and wherever. I'm set... He don't know me, but You know me. And let me see Your great Spirit, Lord. Not as I have to do it, but just to help encourage me and the rest of them, because we have read the Word. Let me touch Your garment, then You speak right back. Let me be used tonight, Lord, for that purpose. It'll show the whole audience that You're still alive." That be wonderful if He'd do that?

**L-318** Now, you just kind of pray, you yourself, quietly. Say, "Lord, let me touch Your garment." I'll yield myself to the Spirit, and then may the Holy Ghost do the rest. Cause, now, I've talked, testified, but I can't do no more now. I'm at the end of my road."

**L-319** I just watch the audience, to see if I... I have to see it, you know. You understand that.

**L-320** Back to my left, way back, about middle ways back of the building, is a woman praying. She is fixing to die, if God doesn't help her. She has cancer, and the cancer is on her breast. Oh, may she not miss it!

Help me, O Lord.

Sister, if you will believe! Oh, my! She is going to miss it.

Lord Jesus, help us, we pray.

**L-321** Mary May. There you are. Are we strangers to one another? I don't know you. You don't know me. Was that the conditions, and what everything was said was true? Then, believe. It'll be over. Amen.

**L-322** Now, from the darkness that was over her, it's light. Just as sure as that boy, the epilepsy stayed away from him. The same God, the One was up there in the north woods, is the same God here. Just keep believing. Amen. "If thou canst believe!"

**L-323** Here It is over a woman setting here in front of me. She's got something wrong in her back. It's a disc out, in her back. She, she isn't from here. She's from Montana. Her name is Miss Stubbs. Stand up, receive your healing in the Name of Jesus Christ.

You don't have to press. Relax.

**L-324** The big fellow setting here, looking at me, doing like that. Believe. You'll get well. Got nervous trouble. If you believe it, God will make you well.

**L-325** The lady with female trouble. Believe it, and you can get well. Go back home, and have faith in God. Why did I say go back home? You'd have to go back to New Mexico, to get there, Mr. and Mrs. Watkins. Now, you know I don't know you. Amen.

**L-326** The lady right behind you, with that ulcer on the leg, Miss Brown. Will you believe that God will heal you? You look so interested. Now, you know I never seen you in my life. On the left leg. Now, you believe with all your heart, you'll get well.

**L-327** Lady trying to move, and she has arthritis. It's binding her, bad. Mrs. Fairhead, you believe with all your heart, and you'll get well. Now, you know I never seen you in my life. That, oh... [The sister says, "... healed before. I been healed before, and I know It's going to heal me."--Ed.] Amen. Yeah.

**L-328** You believe with all your heart now? [Congregation says, "Amen."--Ed.] Now, what will He do? "He will take the things that I have told you, and will show them to you. And then He will show you things that is to come." You see what I mean? ["Amen."] Do you believe Him? ["Amen."]

Now let's bow our heads again.

**L-329** Now, you that know that if you would pass away from this life tonight, that you'd be... wouldn't be... you'd be gone, you're not born again. "Except a man be born again, he cannot even see the Kingdom." Why don't you come right here? Stand here and let us pray for you, right here, just in a

minute? Will you come right now in the Presence of this Spirit?

**L-330** You'll never see anything happen greater until you see the Coming of the Lord. Now, just remember. Surely I know what I'm speaking of, or He wouldn't grant the ministry. Don't let it pass you now. Are you sincere?

**L-331** Would you come? If not, then, between you and God, it lays. I am innocent. I'm clean of all blood, because I have told you the Truth. I've preached you the Word. I've told you what He was. And He, when He come, He proved what He was then; and He lets me prove what He is now. He's the same as He was then. You believe it? [Congregation says, "Amen."--Ed.]

**L-332** Then, how many sick is in here then, other is here that's sick? Raise up your hands.

**L-333** Now put your hands over on one another, and let's pray the prayer of faith for you.

**L-334** Now I want to ask you something, quietly. If God--if God can come and do that miracle! A miracle is something that cannot be explained. Now, if you wish to question any of these people around, go question them, any time of anywhere. See? Just remember, it is God. This here is just amateur visions. Who, who, what's doing that? It's you, yourself. You're the ones doing that.

**L-335** You see, when that woman touched His garment, He said, "Virtue went out of Me." But when the Father showed Him about Lazarus, and He went away and come back, and raised up Lazarus from the dead, He never said "virtue." That was God using His Own gift, and the other was a woman using God's gift. [[John 11:35-45](#)]

**L-336** I am not God's gift. Jesus Christ is God's Gift. It's just a gift that He gave me, that I was born that way, with the subconscious and the conscious (first conscious) right together. You don't go to sleep; you just see it. The Holy Spirit comes upon the subconscious just like it does on the first conscious. If it come on your subconscious, you'd have a spiritual dream. It comes upon mine, I don't dream. I just look there and see it. See? And, we're born, you can't make yourself anything different. You are born that way. See? "Gifts and callings are without repentance." What is it to do? To manifest Jesus Christ. He's the same yesterday, today, and forever.

**L-337** With your hands laid on one another, I trust that you'll put your heart in God's care right now, "Lord, search me. Have I become so numb by the things of the world, that I'm failing to see this great hour that's passing by?"

**L-338** You know, that's the way it's always been. It went right through the church, and they never knowed it. That's history. Don't let it pass, friends, to see a word proven, over and over, see the Word of God manifested, and the very Person of Jesus Christ come right in among this people and do exactly the way He did before.

**L-339** Heavenly Father, I feel now, Lord, that Your Word was read. The testimony was given. The Holy Spirit came down and vindicated that Word and the testimony. Now it's in the hands of the people, Lord. It lays in their lap. There's nothing else that I know to say. And I don't know of anything else You wrote in the Word, that You would do, because You've already healed them. It's just to make them to believe it. And You doing a thing like this, and how can we doubt any longer? How could we permit Satan to numb our conscience any longer?

**L-340** Satan, I pronounce this healing upon these people, and say to you, "I adjure thee, in the Name of the Lord Jesus Christ, get out of here. Come out, in the Name of Jesus Christ, and let this people go."

**L-341** Now, if you believe Him, stand on your feet. You believe? [Congregation says, "Amen."--Ed.] Raise up to your feet then, and give God praise. Raise up and believe it. Don't doubt it no more.

**L-342** In the Name of Jesus Christ, let the Holy Spirit bring joy, power, resurrection Life to this people, Lord.

L-343 Give Him praise now, and bless His holy Name. We love Him. We praise Him. We adore Him, the matchless One, the Eternal One, the Son of the living God. In His Name, receive Him. He's here. Amen.

**63-0119 - Faith Temple, Phoenix, AZ (Paragraphs: 265 - 313)**

L-266 But now--now we're going to see. How many take... Well, now, let's see. How many prayer cards is in the building? Let's see your hands. Oh, there's quite a few more, maybe fifty more. Forty, fifty more, maybe. Oh, yeah, maybe thirty more. All right. Now we'll get--we'll get...

L-267 We're going to get them. Now we're... Just hold your card, if you're not called. See, it's ten minutes after ten, and I--I want you to be at Sunday school in the morning. And maybe tomorrow, having two services, we might get rid of pretty near all the cards we got then, and then--then start off new for Monday again.

L-268 Where we at Monday night? Oh, we're down, say, at Tucson. Don't forget to come down to Tucson now, to the convention down there. Anybody here from Tucson? Yeah. Sure. Garden spot of the world, certainly, you should be from there. Brother Carl Williams is going to get after me for that, some of these days. When I first come here, they were rival cities, and I see they still are.

L-269 I'm used to that. Our ball, baseball, or basketball team at home, them rival cities, Jeffersonville and New Albany, oh, my, my, my! Whew! There's ever a night there's not a big bunch of fights, when they have a game, then I don't know where it could ever be.

L-270 They're constantly at it, I know, in Tucson. But Phoenix has out-growed Tucson many times, I believe, 'cause I... Tucson, I don't think is one-third the size of Phoenix. But...

L-271 We're going down there, 'cause they got some good, sainted people down there, I'm sure. Everywhere I've went in the world, plumb into the jungles of Africa, I still find them. Oh, my! I wish I could get my wife come up here and sing that song for you one night, "They come from the East and West, from the lands afar." Now, she'll get up and slip out when I said that.

L-272 So, she is scared to death of Brother Rose. Brother Rose said, "Sister Branham is here. We'll have her come up, say a word."

L-273 She said, "My heart skipped about fifteen jumps." Said, "I ducked my head down." Said, "Bill, if ever he is anywhere in the meeting," said, "I'm sure going to hide." She is real backward. So, I--I--I hear from this when I get home.

L-274 I hope that all you young people... I say this, not because she is here. You know that, and all that know her. I hope that every young man in this building, when he marries his wife, that she is as sweet to him, and you're as happily together, as my wife and I have been these years. If there's any credit to be given to the Branham family, let it go to her. She's the queen. She certainly is. One thing, she's a real mother. And then look what she has to put up with, see, and then, well, you'd--you'd be surprised what that is. Why, people at the door, day and night. And she stands between me and the public, see, that's where, at home. So that's really a hard job.

L-275 And little old Billy Paul, I think of, many time, I packed him around, when his mother died, just a little baby. Dr. Adair used to say, "You're a strange fellow." And I'd be down on the street, packing him, and him crying for his mother, and it cold weather, you know, me hold him up on my shoulder, like this.

L-276 And didn't have money enough to keep his... or get him a real bottle. I had him a Coke bottle with a nipple over it. I'd put it in here, and kept it under my arm, keep it warm. He'd get crying too much, I'd reaching around, stick that nipple in his mouth. Let him nurse a little while, and put the bottle back down in here. And I had milk all over me, and everything, you know.

L-277 I was holding him, going right on, you know, taking him on. Nighttime, my, my, how I try to rock

him to sleep, and get somebody come watch him while I went and pray for the sick. We come a long ways together. Hope He keeps us that way.

**L-278** I see him yesterday, packing his little boy. And I thought, "Billy, that was you, just a little while ago." Well, that's the way we have to do, move out of the way, and give the others a chance. Blessed be the Name of the Lord.

**L-279** "When a lion roareth, see, who cannot fear?" "And the fear of God is the beginning of wisdom." That right? That's what the wise man said. "The fear of God."

**L-280** Now, I want you people in that prayer line, standing there, all you that know that I know nothing about you, raise up your hands. Every one. The good Lord of Heaven being my Judge; as far as I know in my life, I've never seen one of them in my life. They've probably seen me, from setting out in the audience.

**L-281** Now, how many out there in the audience, that knows that I don't know one thing about you? But, yet, you're sick, and you believe that, God, you could touch the hem of His garment, and God would speak to me to call you, like He did the woman, like the original woman? Oh, my! No wonder I preached so long. An audience like that, with that kind of faith, should do it.

**L-282** This the lady? Now, here's a lady. We meet tonight as strangers, and now she stands here. Of course, perhaps she is sick, or she may have some other trouble.

**L-283** See, God does other things besides heal the sick, you know. And so... And He promised to meet all of our needs, our needs, sometime not our wants, but our needs. Now I want you just to think, one now, when you go home, or if you've never read it before, read Saint John 4, and--and see now. Now, here, now, I don't remember...

**L-284** Let me say this. I believe, this ministry, is either He's going to take me home or step it up. It's--it's right down to this end-time. Or, either send me overseas or somewhere where they've never heard It. See? There is something fixing to happen. You just remember.

**L-285** And, listen, I am not a tape salesman. But I've got a good brother here that's taking these tapes, and that's Mr. Maguire. I believe it's James Maguire. And his--his father-in-law, Brother Sothmann back there, they're with these tapes. I would, if any of you got a tape recorder... I'm not going to say anything about it now, 'cause I don't know nothing about it. But if you ever bought a tape from them, buy that tape, Sirs, What Time Is It? Listen to it, Sirs, What Time Is It? Play it prayerfully, and then you'll start praying for me. See? When you... Cause, you'll see then what--what predicament I'm standing in right here tonight. Talk about in a predicament, if you only knew what I was standing, at right now, right here! See? But I must go on. A winner never quits, and a quitter never wins. That's right. I must practice what I've preached. See? Now, I believe God. I believe Him right now.

**L-286** Now, here is upon a basis. Now, if I--if I was our Lord Jesus standing here, and this woman was sick, you know I could not heal her if I was the Lord Jesus. I couldn't do it, 'cause I had already done it. Now, how many knows that's true? [Congregation says, "Amen."--Ed.] See? Certainly.

**L-287** He has already forgive every sin. He's already healed every sick person. He's already appropriated that Blood at the Calvary. The price is already paid. It's all paid. But the only thing you have to do is to accept It, believe It and accept It. And you cannot accept It until first you believe It. See? Believe the Gospel.

**L-288** Now, but what if He was standing here, wearing this suit that the good Lord had Brother and Sister Williams to buy for me, about five or six years ago? And what if He was standing here for that suit, wearing this suit, and this woman was standing here?

**L-289** Now, if He had scars in His hand, He'd say, "You see, I'm the Messiah. I... See the scars? Look over

my forehead." Now, any impostor could do that. That's right. Wouldn't know Him by that. And if He was standing here like that, I'd know it wasn't Him. I'd know it wasn't.

**L-290** Cause, when He comes, the trumpet will sound. We'll... He'll never even come to the earth. We'll be caught up in the air, to meet Him. See? We catch Him in the air. "We which are alive and remain shall be caught up together with them, to meet the Lord in the air." He never comes to the earth. We meet Him in the air.

**L-291** But now, He said, "I'll be with you, to the end of the world. I'll never leave you nor forsake you." How can He be? His Life. Then, if His Life would be in me, and then I'd be representing Him. Then, if it would, it would be the same Life that was in Him, it'd do the same things He did. [[Matthew 28:20](#)]

**L-292** Now, here is a man and woman, like Saint John 4. He met a woman. He never seen her before. She had never seen Him. And there they stood, together. And He told her, the woman at the well, what her trouble was. And when He did that, she said, "Sir, I perceive You're--You're a prophet." She said, "But we know that the Messiah, when He comes, Who is called the Christ, means, "the anointed One; when He comes, He is going to do these things, tell us these things." And He said, "I am He, that speaks with you." [[John 4:19, 25-26](#)]

**L-293** Now, if He's the same yesterday, today, and forever; only, the corporal body... He uses our body. "He's the vine. We're the branches." Then, that Spirit would act again just exactly like It act when It was in Him. Is that right? [Congregation says, "Amen."--Ed.] Would it make you believe? Say, "Amen," if it would. ["Amen."]

**L-294** Now, lady, me not knowing you, never seen you in my life, as I know of. Course, you probably seen me on the street or in the meetings, and so forth. But this is our first meeting time.

**L-295** Now, if--if it's healing you need, well, I, if I could do it, I would, and if I had any way. And if it's finances, if I--I could help it, I would do it. And if you would say, might be somebody else, you'd say, "I come here, Brother Branham, for you to pray for--for my son, or my daughter, or my sister, or daddy," or somebody. I'd do that, see, anything I could.

**L-296** And--and if you had domestic trouble, I'd say, "I'd like to meet you and your husband, together, and talk with you somewhere besides here, you see, so I could talk to you both and see just exactly where the fault lay. Then, when the Holy Spirit reveal, say, "Wait a minute. You did this right here at this certain time." That settles it. You can't deny that. See? Say, "You did this over here." Then, then it's settled, you see. Now, you start from right there. See? That way, it's done.

**L-297** Now, you know I'm talking to you for some purpose. I been preaching. See? And then I'm--I'm just getting myself in--in anointing for something else, you see, to see if the Holy Spirit will come and work upon me with a Divine gift; that is, the two consciences laying right together, which gives me the grace of God to see visions, and see what's happening, what will happen, what has been.

**L-298** You know whether it's truth or not. You're standing here before at least five hundred people, see, or close to it, three hundred, anyhow. See? And--and you know that it--it... You know whether it's truth or not. And--and if it is truth, then it's God. The Bible said, "If there be one among you, is spiritual or a prophet, and what he says comes to pass, then hear him." See? Now, "If it doesn't, then don't hear him."

**L-299** Now, I have no idea what the lady is there for. But now just let the Holy Spirit come, and see if He don't tell it. See? And if that won't be the same thing our Lord did! That'd be all He could do if He's standing right here, 'cause, remember, it is Him. It's Him. It's not me. I don't know her. I'm confessing, I know her not. So, it'd take Him.

Now, of course, the lady does have a wonderful feeling to her spirit.

**L-300** Not because she's got her hand up. You all been in meetings, and see them put their hand up, do like that, and the Holy Spirit call right back and tell them what they were. See? That's right. That don't

mean anything. Hear them scream and shout like that, you tell them right then, "You're living with this man's wife," saw it right over here, and everything else. Well, you know. You been in the meetings and seen how those things, and see how them things. That don't mean a thing.

**L-301** But the lady seems to be a wonderful feeling to her spirit. Now, the lady is suffering with something wrong. I watch her, the way she is eating. She is before me now, at a table, and kind of dieting or something, kind of a odd-like diet. That's right. That true? [The sister says, "That's right."--Ed.] Then raise up your hand so the people will see it. See? I seen the lady before me, doing something. Whatever it was, it's on the tape. See? All right. Now, just so that you'll know why... She's a nice person.

**L-302** Watch just a moment. Now the Spirit is anointing. Now, everybody set real reverent. Keep praying. Be in prayer, 'cause I seen it move right over the audience just then. See? Now be real reverent.

**L-303** Let's see the lady again, just to speak with her. Ever what He told you... Yeah. Here it is. It's at a table. It's a--it's a stomach trouble. And some kind of like an infection or something in the stomach. A doctor has been looking at this. And, say, you've had this trouble for a long time. And, once, it was pronounced, "Ulcer, that rise." [The sister says, "It certainly was."--Ed.] And now he said something. What was that? "Duodenum. Duodenum." ["Duodenum."] "Duodenum," I heard him say that. See? ["Right."] That's right. That's exactly right. Your name is Miss McCraw. ["Yes, sir."] That's right. Go ahead now, believe with all your heart. [The sister crys for joy--Ed.]

You believe? [Congregation says, "Amen."--Ed.]

**L-304** After crying like that, setting back there, sir, that collapsed lungs that you had ought to feel lots better by now, if you believe. It's all right now. All right, that did it. Amen.

What did he touch?

**L-305** Man, about two behind him there, with hardening of the arteries, if you believe also, sir!

**L-306** What did he touch? Can't you see that Light hanging right there? Look at that Amber there. I don't know the man, never seen him in my life. Just believe the Lord Jesus.

**L-307** Now, somewhere, there's a little baby here, an infant has got a crooked neck. There it is. I don't know her. Believe, sister. That baby's neck will straighten up, if you'll believe it.

What did she touch? Hallelujah.

**L-308** There is something else about a neck. I seen it. It's a woman. I can't place her. Yeah. She is setting here, weeping. Mrs. Riley, believe on the Lord Jesus Christ, your neck will be well. Believe.

**L-309** I don't know the woman. I've never seen her in my life. Only thing you have to do is believe Jesus Christ. Do you believe that? [Congregation says, "Amen."--Ed.] Have faith.

**L-310** I don't know you, sir. We're strangers to one another, as far as I know. You believe Jesus Christ can tell me what your trouble is? You know whether it would be right or not, don't you? If you can believe with all your heart now! Keeps going to the audience. You believe your wife out there is going to get all right, too? [The brother says, "Yes,"--Ed.] The eye trouble, she suffers with an eye trouble. Believe it? You're not from here. No. You're from where there's a lot of water, some way. It's a coastal city. It's California, Los Angeles. Return on back, Mr. Bowman, and get well. And Jesus Christ will make you well.

**L-311** You believe? [Congregation says, "Amen."--Ed.] Now, you, every one can be healed right now if you'll believe it. You believe that? ["Amen."]

**L-312** What about you in the prayer line, you believe it, too? You just have faith, and don't doubt. Believe with all your heart, a minute.

**L-313** This lady, the reason I stopped with her, she's in serious condition. This woman will die right away if something isn't done for her, 'cause she's shadowed. See that dark shadow over her?

**63-0122 - Southside Assembly Of God, Phoenix, AZ (Paragraphs: 255 - 280)**

L-256 Is there some here that's never been in the meeting before? Would you raise your hand? Yes, there's plenty.

L-257 Remember, Jesus Christ never at one time ever claimed to heal people. He said, "It's not Me that doeth the works. It's My Father," and in Saint John, the 5th chapter and the 19th verse. [\[John 5:19\]](#)

L-258 When He passed through the pool of Bethesda, and there laid great multitudes, of numbers of people, maybe thousands laying there, lame, blind, halt, twisted, He went to a man that had maybe a prostate trouble, or might he had tubercular. It was retarded. He'd had it for thirty-eight years. And He told him, "Take up your bed and go into the house." [\[Matthew 9:6\]](#)

L-259 The man could walk. He said, "When I'm coming down, somebody else..." And there was men there way worse than he was.

L-260 But Jesus knew that he was there, and knew he was in that condition. When He was questioned, He said, "Verily, I say unto you, the Son can do nothing in Himself. But what He sees the Father doing, that doeth the Son likewise." [\[John 5:19\]](#)

L-261 That's His same position today. No prophet, no one has ever been able to do anything outside of the sovereignty of God's will, that's right, what God will.

L-262 I don't know. I want, if... That's the reason. I know bunch of these ministers setting here. There's not too many out there that I know. If I should see Him over someone, I would try to, if being willing, I tell the people that I knew them.

L-263 You pray, and see if He is still the High Priest that can be touched. That would put Him right here before us, and you'd see that He's here. Is that right? Say, "Amen." [Congregation says, "Amen."--Ed.] It'd certainly make Him here. Just have faith.

L-264 Here is a little lady setting right here with her head up in the air, praying just as hard as she can. She wearing a green coat, setting right there. She is praying for a condition that's in her head. That she... That bothers her. Is that right, lady? Raise up your hand if that's so. If I'm a stranger to you, wave your hand back and forth. It's left you now.

L-265 Say, will you do me a favor while you're there? That Light switched right over on the lady setting next to you there. She is praying also. I want to ask you something. You said, "Remember me, Lord." All right, He has. You suffer with a sinus condition. If that's right, raise up your hand, and wave your hand. All right. There you are. See?

L-266 You believe? [Congregation says, "Amen."--Ed.] Now, "A little while and the world won't see Me no more." Ask those women. You see them. Ask them if I know them. [\[John 14:19\]](#)

L-267 Here, here sets a young man setting here, praying for his father. I never knowed you. Don't know who you are. No. Know nothing about you. But you're praying for your father. He's not here. He's across a great water somewhere. He is suffering with stomach trouble. He's in Puerto Rico. That's THUS SAITH THE LORD. That's right. You believe. See what I mean?

L-268 Here is a lady setting here, look interested, the red hat. Mrs. Aldridge, Aldridge. Uh-huh. Yeah. She is suffering with heart trouble. You believe that God will heal you? All right.

L-269 You do me a favor? There's a lady setting next there, by the name, Mrs. Cook. Mrs. Cook has got trouble with her legs. That's right. Mrs. Cook, raise up your hand. If I'm a total stranger, raise up your hand. All right. Have faith in God.

L-270 Lay your hand on the woman next to her. She is Miss Russell. She is suffering with lung trouble. Raise up your hand, Miss Russell, and believe it with all your heart, if I'm a stranger to you.

L-271 What about the next? Yeah. Only thing you have to have is faith.

L-272 The lady next to her is suffering with stomach trouble, too, and her name is Mrs. Dillman. If you'll believe with all your heart, you can be.

L-273 Mrs. Harmon, setting next to her, just come from the hospital. She's had a--a operation for a--a rectal trouble. You believe, Mrs. Harmon? If you do believe with all your heart, you can go home, be made well.

L-274 How many believes now? [Congregation says, "Amen." ]

L-275 "A little while and the world will see Me no more." And then what am I trying to say? Remember, Jesus promised. Jesus said, "I'll be with you, even in you, to the end of the world. The works that I do shall you also." Remembering Jesus promised these things, Jesus brings them to pass. [\[John 14:19\]](#), [\[Matthew 28:20\]](#), [\[John 14:12\]](#)

L-276 Now, also, remember that Jesus promised, that, "He that believeth on Me has everlasting Life." You that raised your hand, a while ago, after this healing service will you come up here now and stand here for prayer? He promised to give Eternal Life the same as He promised healing. [\[John 6:47\]](#)

L-277 Now, did you know He promised this also? "These signs shall follow them that believe. If they lay hands on the sick they shall recover." Do you believe that? Now lay your hands on one another then. See, He's here. I can't heal you. He's already done it. Now put your hands on somebody, and pray for somebody, right next to you there. Amen. [\[Mark 16:17-18\]](#)

L-278 Now bow your heads and pray just like you do in your church. Pray, "Lord God, heal this person. This person is praying for me." And just ask God to heal and make well. Believe it with all your heart. "Lord, I believe Jesus Christ, the same yesterday, today, and forever." His Word can't fail. [\[Hebrews 13:8\]](#)

L-279 Remember, He promised, "A little while and the world won't see Me." They don't see Him at the dog race tonight. They don't see Him in the picture show. They don't see Him in these formal churches. But you see Him. He's here. Remember, He promised it, and He's here to answer your prayer and give you the desire of your heart.

Lay your hands on one another and pray. [\[John 14:19\]](#)

L-280 Lord Jesus, I come, remembering that You said, "In My Name they shall cast out devils." And I cast every spirit of unbelief away from this audience, away from these people, for the glory of God." [\[Mark 16:17\]](#)
